

SEMIANNUAL REPORT TO THE CONGRESS

OCTOBER 1, 2008 – MARCH 31, 2009

OFFICE OF INSPECTOR GENERAL

NATIONAL ENDOWMENT FOR THE ARTS

April 30, 2009

MEMORANDUM

TO: Patrice Walker Powell
Acting Chairman

FROM: Tonie Jones
Acting Inspector General

SUBJECT: **Semiannual Report to the Congress: October 1, 2008 – March 31, 2009**

The Inspector General Act of 1978 (Public Law 95-452), as amended, calls for the preparation of semiannual reports to the Congress summarizing the activities of the Office of Inspector General (OIG) for the six-month periods ending each March 31 and September 30. I am pleased to enclose the report for the period from October 1, 2008 to March 31, 2009.

The Inspector General's report is intended to cover audits, inspections, evaluations, investigations and other reviews conducted by the OIG as well as our review of the OMB Circular A-133 audits conducted by independent auditors. The report also indicates the status of management decisions whether to implement or not to implement recommendations made by the OIG. The former President's Council on Integrity and Efficiency developed the reporting formats for Tables I and II to ensure consistent presentation by the Federal agencies. The tables provide only summary totals and do not include a breakdown by auditee.

The Act requires that you transmit this report to the appropriate committees of the Congress within 30 days of receipt, together with any comments you may wish to make. Comments that you might offer should be included in your "Report on Final Action," a management report that is required to be submitted along with the Inspector General's report. We will work closely with your staff to assist in the preparation of the management report. The due date for submission of both reports is May 31, 2009.

I appreciate the continuing support we have received from the Chairman's Office and your managers throughout the Agency. Working together, I believe we have taken positive steps to improve Agency programs and operations. We look forward to continuing these efforts.

NATIONAL ENDOWMENT FOR THE ARTS

Founded in 1965, the National Endowment for the Arts (NEA) has offered assistance to a wide range of non-profit organizations and individuals that carry out arts programming. The NEA supports exemplary projects in the artistic disciplines. Grants are awarded for specific projects rather than for general operating or seasonal support. Most NEA grants must be matched dollar for dollar with non-federal funds. For FY 2009, the NEA received an appropriation of \$155 million from the Omnibus Appropriations Act of 2009. In addition, the NEA received \$50 million in 2009 under the American Recovery and Reinvestment Act of 2009. These additional funds do not require matching.

OFFICE OF INSPECTOR GENERAL

The Inspector General Act Amendments of 1988, Public Law 100-504, amended the Inspector General Act of 1978, Public Law 95-452, and required the establishment of independent Offices of Inspector General (OIG) at several designated Federal entities and establishments, including the National Endowment for the Arts. The mission of the OIG is to:

- Conduct and supervise independent and objective audits, inspections and evaluations relating to NEA programs and operations;
- Promote economy, effectiveness, and efficiency within the NEA;
- Prevent and detect fraud, waste, and abuse in NEA programs and operations;
- Review and make recommendations regarding existing and proposed legislation and regulations relating to NEA programs and operations; and
- Keep the NEA Chairman and the Congress fully and currently informed of problems in Agency programs and operations.

On October 14, 2008, the President signed the Inspector General Reform Act of 2008, Public Law 110-409. The 2008 Act amends the previous IG Act of 1978 to enhance the independence of the Inspectors General, to create a Council of the Inspectors General on Integrity and Efficiency, and for other purposes.

This semiannual report summarizes the OIG's major activities, initiatives, and results for the six-month period ending March 31, 2009. For part of this period the OIG consisted of three auditors, however, one auditor (the inspector general) retired in January. To assist with the workload, a contractor was hired to provide assistance one day a week. There is no investigator on the staff. In order to provide a reactive investigative capability, we have a Memorandum of Understanding with the Inspector General of the General Services Administration (GSA) whereby the GSA's OIG agrees to provide investigative coverage for us on a reimbursable basis as needed. (No investigative coverage from GSA was needed during the recent six-month period.) We also have a Memorandum of Understanding with the National Science Foundation's (NSF) Office of Inspector General that details procedures to be used for providing the OIG with legal services pursuant to the new requirements reflected in the 2008 Act. A NSF OIG staff member has been assigned to provide such services on an as-needed basis.

SUMMARY OF WORK COMPLETED BY THE OIG

During the six-month period ending March 31, 2009, the OIG conducted the following audits, inspections, evaluations, reviews, investigations, and other activities.

Audits/Inspections/Evaluations/Reviews

During the recent semiannual period, the OIG issued 8 reports. The reports were based on audits/evaluations performed by OIG personnel. Overall, our reports contained 18 recommendations, 11 of which were related to systems deficiencies at grantee organizations, while the remaining 7 recommendations related to systems deficiencies at the NEA.

Audit Resolution

At the beginning of the six-month period, there were four reports awaiting a management decision to allow or disallow questioned costs of \$4,036,579 and potential refunds of \$1,823,372. During the period, none of the newly issued reports identified any questioned costs or potential refunds.

A management decision was made on one of the open reports to disallow questioned costs of \$33,260, which resulted in a refund to NEA of \$16,630. Under that same report, a management decision allowed questioned costs of \$1,378,732, which eliminated a potential refund of \$1,004,637. In addition, a management decision on a second report allowed questioned costs of \$67,228, which eliminated a potential refund of \$2,479. Therefore, at the end of the period, two reports remained outstanding with questioned costs of \$2,557,359 and potential refunds of \$799,626. (See Table I.)

Inspections

The OIG did not conduct any inspections during the recent six-month period.

Investigations

The OIG did not open any new allegation cases during the recent six-month period. The one case opened prior to start of the period remains open at the end of the period. No criminal investigations were performed during the period.

Indirect Cost Rate Negotiations

Indirect costs are incurred for common or joint objectives, which cannot be readily and specifically identified with a particular project or activity. The costs of operating and maintaining facilities, depreciation or use allowances, and administrative salaries and supplies are typical examples of costs that nonprofit organizations usually consider to be indirect.

Indirect cost rates are negotiated by agreement between a non-Federal organization and a Federal agency (usually the agency that furnishes the preponderance of Federal funding) that acts on behalf of all Federal agencies in approving rates with the organization. During this period, the OIG negotiated two indirect cost rate agreements with NEA grantee organizations.

The OIG also makes use of an Indirect Cost Guide. The Guide answers such questions as: What are direct or indirect costs, what is an indirect cost rate, and does an entity need an indirect cost rate? A copy of the Guide can be found on NEA's web site at www.arts.gov/about/OIG/IndirectCost.html.

Review of Legislation, Rules, Regulations and Other Issuances

The OIG is required to review and comment on proposed legislation and regulations for their potential impact on the Agency and its operations. During this reporting period, the OIG provided analyses and written commentaries on Agency and other government publications/reports and regulations.

Technical Assistance

The OIG provided technical assistance to NEA grantees and their independent auditors. Our efforts included, for example, clarifying and interpreting the audit requirements of OMB Circular A-133, "*Audits of States, Local Governments, and Non-Profit Organizations*," explaining alternative methods of accounting for indirect costs, and advising some of the first-time and smaller organizations on implementing practical accounting systems and internal controls sufficient to assure compliance with their grant agreements.

The OIG also assisted Agency staff with technical issues related to auditing, accounting, and audit followup.

Web Site

The OIG maintains an ongoing Internet presence (www.arts.gov/about/OIG/Contents.html) to assist and inform NEA grantees and Agency employees. The site was recently updated and includes the *Inspectors General Vision Statement*, our two *Financial Management Guides*, our *Indirect Cost Guide*, the *Recovery Act: Reports and Plans*, past *Semiannual Reports to the Congress*, the *OIG Strategic Plan*, contact information about OIG staff, how to report wrongful acts, information about alternative methods of funding, and answers to frequently asked questions.

Other Activities

During this period, the OIG took part in the activities of the Council on Inspectors General for Integrity and Efficiency (Council), and allocated resources for responding to information requests from and for the Congress and other agencies. In addition, the OIG has participated in various efforts by the Council and other federal agencies to develop effective oversight strategies for Recovery Act activities. The OIG also provided oversight of the Agency's independent auditors as they completed the Agency's sixth annual financial statement audit for the fiscal year ending September 30, 2008.

SECTIONS OF REPORT

The following sections of this report discuss the 12 areas specifically required to be included according to Section 5(a) of the IG Act of 1978, as amended. Table I shows Inspector General issued reports with questioned costs and Table II also shows that there were no Inspector General issued reports with recommendations that funds be put to better use.

SECTION 1 – Significant Problems, Abuses and Deficiencies

Audits, evaluations and other reviews conducted by OIG personnel during the current and prior periods have disclosed a few instances of deficient financial management practices in some organizations that received NEA grants. Among these were:

- Reported grant project costs did not agree with the accounting records, e.g., financial status reports were not always prepared directly from the general ledger or subsidiary ledgers or from worksheets reconciled to the accounts;
- Personnel costs charged to grant projects were not supported by adequate documentation, e.g., personnel activity reports were not maintained to support allocations of personnel costs to NEA projects when required;
- The amount allocated to grant projects for common (indirect) costs which benefited all projects and activities of the organization was not supported by adequate documentation; and
- Grantees needed to improve internal controls, such as ensuring proper separation of duties to safeguard resources and including procedures for comparing actual costs with the budget.

SECTION 2 – Recommendations for Corrective Action

To assist grantees in correcting or avoiding the deficiencies identified in Section 1, the OIG utilizes two “*Financial Management Guides*,” one for non-profit organizations and the other for state and local governments. The guides are not offered as complete manuals of procedures; rather, they are intended to provide practical information on what is expected from grantees in terms of fiscal accountability. The guides are available at www.arts.gov/about/OIG/Contents.html

The guides discuss accountability standards in the areas of financial management, internal controls, audit, and reporting. The guides also contain sections on unallowable costs and shortcomings to avoid. In addition, the guides include short lists of useful references and some sample documentation forms.

SECTION 3 – Recommendations in Previous Reports on Which Corrective Action Has Not Been Implemented

There were no significant recommendations in previous reports on which corrective action has not been implemented.

SECTION 4 – Matters Referred to Prosecuting Authorities

No matters were referred to prosecuting authorities during this reporting period.

SECTION 5 – Denials of Access to Records

No denials of access to records occurred during this reporting period.

SECTION 6 – Listing of Reports Issued

SECTION 10 – Audit Reports, Inspection Reports, and Evaluation Reports Issued Before the Commencement of the Reporting Period for Which No Management Decision Has Been Made by the End of the Reporting Period

1. LS-08-01 – Film Arts Foundation – Issued 11/1/07

Recommendation

Grantee should provide appropriate expenditure documentation for each grant listed in Appendix 1 or refund the appropriate NEA share of that grant plus any applicable interest.

Grantee should provide information on whether any of the sponsorees associated with the grants listed in the report qualify as those which can be represented by fiscal agent per NEA Application Guidelines or refund the appropriate NEA share of that grant plus any applicable interest.

Reason No Management Decision Was Made

Grantee has provided documentation for expenditures under all but three of the grants but has requested additional time to gather remaining documentation since some of the grant periods remain open. We will review the information obtained to date and make a determination whether or not the costs are sufficient, appropriate and reasonable in relation to project accomplishments to satisfy the matching requirements. A management decision should be finalized by 12/31/09.

Grantee provided information on whether any of the sponsorees associated with the grants qualify as those which can be represented by a fiscal agent. A management decision was made subsequent to 3/31/09.

2. SCE-08-03 – Music-Theatre Group – Issued 11/21/07

Recommendation

Grantee should provide information to support the questioned salary and overhead costs of \$64,304 claimed under Grant No. 03-2800-5011. If the documentation submitted is not deemed satisfactory, a refund of up to \$18,626 may be required.

Reason No Management Decision Was Made

Grantee's response included information that it believes supports the questioned costs. The information will be reviewed shortly and a management decision should be made by 6/30/09.

SECTION 11 – Significant Revised Management Decisions Made During the Period

No significant revised management decisions were made during the reporting period.

SECTION 12 – Significant Management Decisions With Which the Inspector General Disagrees

There were no significant management decisions that the Inspector General disagreed with during the reporting period.

DEFINITIONS OF TERMS USED

The following definitions apply to terms used in reporting audit statistics:

Questioned Cost	A cost that the Office of Inspector General (OIG) questioned because of alleged violation with a provision of a law, regulation, contract, or other agreement or document governing the expenditure of funds; such cost is not supported by adequate documentation; or the expenditure of funds for the intended purpose is unnecessary or unreasonable.
Unsupported Cost	A cost which the OIG questioned because the cost was not supported by adequate documentation at the time of the audit.
Disallowed Cost	A questioned cost that management has sustained or agreed should not be charged to the NEA grant or cooperative agreement.
Funds Be Put To Better Use	A recommendation made by the OIG that funds could be used more efficiently if management took actions to implement and complete the recommendation.
Management Decision	Management's evaluation of the findings and recommendations contained in the audit report and the issuance of management's final decision, including actions to be taken. Interim decisions and actions are not considered final management decisions for the purpose of the tables in this report.
Final Action	The completion of all actions that management has concluded in its management decision with respect to audit findings and recommendations. If management concluded that no actions were necessary, final action occurs when a management decision was made.

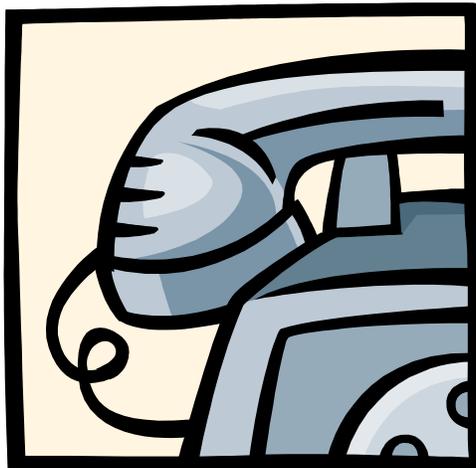

REPORTING WRONGFUL ACTS

Anyone, including Agency employees, who learns about or has reason to suspect the occurrence of any unlawful or improper activity related to NEA operations or programs, should contact the OIG immediately. A complaint/referral may be made by visiting the OIG office, calling the OIG at 202-682-5402, emailing at oig@arts.gov or writing to the Office of Inspector General, Room 601, 1100 Pennsylvania Avenue, NW, Washington, DC 20506.

When contacting the OIG, it will help if you have answers to the following questions:

- Who are the parties involved (names, addresses and phone numbers if possible);
- What is the suspected activity (specific facts of the wrongdoing);
- When and where did the wrongdoing occur;
- How did you learn about the activity (from a third party, actual observation, conclusion drawn from observing or performing different activities, etc.); and
- Where can you be contacted or when will you contact us again.

The OIG will not disclose the identity of a complainant or informant without consent, unless the Inspector General determines that such disclosure is unavoidable during the course of the investigation. You may remain anonymous, if you choose. Federal employees are protected against reprisal for disclosing information to the Inspector General unless such disclosure was knowingly false.

INTRODUCTION

The Inspector General Act of 1978, as amended by the Inspector General Act Amendments of 1988 (Public Law 100-504), established independent, objective units within Federal agencies for the following purposes:

- To supervise and conduct audits and investigations of agency programs and operations;
- To lead, coordinate, and recommend policies for promoting economy, efficiency, and effectiveness in the administration of programs and operations, and to prevent and detect fraud and abuse therein; and
- To keep the agency head and the Congress informed about related problems and deficiencies and associated corrective action.

On October 14, 2008, the President signed the Inspector General Reform Act of 2008 (Public Law 110-409). The 2008 Act amends the previous IG Act of 1978 to enhance the independence of the Inspectors General, to create a Council of the Inspectors General on Integrity and Efficiency, and for other purposes.

Section 106(a) of P.L. 100-504 requires the Inspector General to report semiannually on the office's activities for the preceding six-month periods ending March 31st and September 30th. The report must (1) address significant problems, abuses, and deficiencies in the management of agency programs and operations identified during the reporting period, and (2) identify recommendations for corrective action. Section 106(b) directs the Inspector General to furnish this report within 30 days to the agency head, who is required to prepare a separate report on management decisions resulting from audit reports, inspection reports, evaluation reports, the status of disallowed costs, and final actions taken during the corresponding period, including any comments deemed appropriate. The agency head must transmit both reports to the Congress within the ensuing 30 days.

Accordingly, the Chairman presents the Arts Endowment's management report for the period October 1, 2008 through March 31, 2009.

REPORT ON FINAL ACTION RESULTING FROM AUDIT REPORTS, INSPECTION REPORTS, AND EVALUATION REPORTS

Section 1. Comments Relating to the Inspector General's Report

A. Comments on OIG's Summary Section

Audits/Inspections/Evaluations/Reviews. As reported in the Inspector General's *Semiannual Report to the Congress*, at the end of the reporting period there were two outstanding reports with questioned costs and potential refunds; management continues to work with the auditees to resolve the outstanding audit issues.

When the Audit Followup Official disallows questioned costs, it is typically because the grantee or cooperator has responded inadequately to the Arts Endowment's request for supporting documentation, such as canceled checks, invoices, contracts, personnel activity reports, or testimonial evidence. Agency funds may represent only a small portion of an awardee's total project costs. Deficiencies normally are resolved through the Agency's audit resolution process, and refunds are infrequent.

Technical Assistance: Improved Oversight. The Arts Endowment places a high priority on ensuring employees are well informed about policies, procedures, and requirements related to grants administration and audits. The Grants & Contracts Office routinely conducts training on various topics for Agency staff, including targeted one-on-one training as necessary. During the period, the Grants & Contracts Office and the OIG continued to provide technical assistance and compliance evaluations for grantees.

Web Site. The Arts Endowment continues to provide its "My Grant at a Glance" feature on the Agency Web site. In addition to tracking the status of payment requests online, grantees can obtain historical reports of their grants back to at least 1988. The reports include the amount of the grant, the period of support, and a brief project description. The Arts Endowment also enhanced the user-friendliness of its online grant application information and the electronic application submission process. Electronic application submission (through Grants.gov, the government-wide grant application portal) is now required across all Arts Endowment programs; applicants unable to apply electronically through Grants.gov must request permission from the Agency to submit applications through an alternative method.

Other Activities. Arts Endowment staff continued to work closely with the OIG on issues of mutual interest, such as the independent audit of the Agency's financial statements for fiscal year 2008 and Recovery Act activities. As mentioned in the *Semiannual Report*, for part of this period the OIG consisted of

three auditors; one auditor (the Inspector General) retired in January. The Agency is now actively recruiting to fill both the Inspector General position (at the SES level), and a new auditor position that will be focused initially on oversight of the Agency's Recovery Act activities.

B. Comments on OIG's Sections 1 and 2

OIG audit, inspection, and evaluation reports on Arts Endowment awardees are based upon reviews conducted by the OIG itself or upon OIG analysis of audits completed by outside auditors. The outside audits may be performed by State audit agencies, by other Federal agencies (generally the agency providing the greatest amount of Federal funding to an organization also supported by the Arts Endowment), or by independent public accountants engaged by awardees.

Section 2. Management Report on Final Action on Audits, Inspections, and Evaluations with Disallowed Costs for the Six-Month Period Ending March 31, 2009 (Section 8 of the OIG Report)

There were no audit, inspection, or evaluation reports with management decisions made that were awaiting final action at the beginning of the period. During the period, management decisions were made on one audit report and one evaluation report, which also resulted in a final action being taken on both. The audit report included disallowed costs of \$33,260, which resulted in a refund of \$16,630 to the NEA. At the end of the period, there were no reports awaiting final action. (See Table A).

Section 3. Management Report on Final Action on Audits, Inspections, and Evaluations with Recommendations to Put Funds to Better Use for the Six-Month Period Ending March 31, 2009 (Section 9 of the OIG report)

There were no audits, inspections, and evaluations with recommendations to put funds to better use awaiting final action as of March 31, 2009 (see Table B).

Section 4. Audit Reports, Inspection Reports, and Evaluation Reports for Which a Management Decision Was Made Prior to April 1, 2008, but on Which Final Action Has Not Occurred

There were no audit, inspection, or evaluation reports for which a management decision was made prior to April 1, 2008, on which final action has not yet occurred.
