### In one year alone...

- Arts and cultural production in Utah added **3.4%** or **\$9.6 billion** to the state's economy.
- Utah's arts and cultural industries employed **69,047** workers. These workers earned wages and benefits totaling **\$5.1 billion**.
- **61.6%** of Utah's adults attended live music, theater, or dance performances, while **26.1%** attended art exhibits.

### National Endowment for the Arts Programs

The **Blue Star Museums** program provided free admission to thousands of active military personnel and their families at **37 participating museums** in Utah.

More than **3,991 students** from **106 high schools** in Utah participated in **Poetry Out Loud**.

The **NEA Big Read** program generated community events focused on reading outstanding American literature and involving more than **1,039** adults and students in Utah.

The **Shakespeare in American Communities** program in Utah enabled schools to offer **12,441** children the opportunity to see live professional performances of Shakespeare, or to engage in educational programs.

**Creative Forces** brings creative arts therapies to military personnel and veterans who are experiencing post-traumatic stress, mild traumatic brain injury, and related psychological illnesses. The program also offers community arts programming to improve the well-being and resilience of all military-connected people.
