**Technical Notes:**

- The Applicant Portal is best viewed in the following browsers: Chrome 58+, Firefox 54+, or Microsoft Edge 44+. Internet Explorer is not supported. You should only open the Applicant Portal in one browser at a time to enter information. Cookies and JavaScript may need to be enabled for you to successfully view the site. You might also need to disable AdBlocker and/or similar software.
- Most problems can be solved by changing your browser. In Internet Explorer, you may need to do the following:
  - Press the Alt key.
  - Select Tools from the menu bar.
  - Select Compatibility View Setting.
  - Type in "arts.gov" and uncheck all check marks and close.
- Be sure to first copy and paste any text into Notepad (if you're using a PC) or TextEdit (if you're using a Mac) before copying it into the Applicant Portal. This will strip away any HTML Coding that may add unwanted additional characters to text (however, any formatting you had will be deleted). These additional characters can be added due to some special characters such as ampersands, quotation marks, apostrophes, and angle brackets.
- Limit character counts by using a solution other than special characters (e.g., instead of using quotation marks for titles of works, put them in italics), using only one space at the end of sentences, and limiting the use of tabs.
- Hit "Save" and log off if you plan to leave the Applicant Portal with work in progress. Your session will deactivate after a period of time and you could lose content.

It cannot be edited; it is autopopulated with information you entered for Part 1 on the Application for Federal Domestic Assistance/Short Organizational Form that was submitted to Grants.gov. If you find any incorrect information on this page, contact us.

### Tab 2: Organization Info

#### Subtab 1: Organization Information

Provide the following information:

**Legal/IRS Name** (should match Application for Federal Domestic Assistance/Short Organizational Form)

**American Rescue Plan Act  
Grants to Local Arts Agencies for Subgranting  
Part 2: Submit Materials to the Applicant Portal**

Note: Proposals may focus on reaching a particular constituency; however, they may not be exclusionary under [national civil rights laws and policies](#) prohibiting discrimination. This extends to hiring practices and audience engagement activities.

### Subtab 2: Organization Budget

**Budget Form:** List your operating budget figures from the most recently completed fiscal year, the previous fiscal year, and the fiscal year prior to that.

In the budget form, fill in the line items only for Total Income and Total Expenses for each year. Leave the Operating Surplus/Deficit line items blank; they will autocalculate for you. It is mandatory to provide this information. The figures are subject to verification by the National Endowment for the Arts.

If you are a parent organization, provide this information for the independent component on whose behalf you are applying. If your organization is a smaller entity that exists within a larger organization (such as a department of local government), submit information for the smaller entity.

**Grantmaking Budget:** List your organization's grantmaking budget for the three years noted above. These numbers should include only the funds allocated through grants provided to the field. Do not include administrative program or staffing costs related to grantmaking.

For each year, provide the year, grantmaking budget figure, and name or brief description of the grantmaking program. For example: "2019, \$50,000, Grants to ABC Organizations program." (500 Character Limit, including spaces)

If your organization has not undertaken grantmaking in any or all of these three years, please make note of that in this text field.

**Fiscal Health:** Discuss the fiscal health of your organization. Use this space to discuss how the COVID-19 pandemic has affected your organization's budget. (750 Character Limit, including spaces)

### Tab 3: Arts Programmatic History

Submit **one** representative example of arts programming per year for three recent years/seasons prior to the application deadline. The examples do not have to be from consecutive years/seasons.

**American Rescue Plan Act  
Grants to Local Arts Agencies for Subgranting  
Part 2: Submit Materials to the Applicant Portal**

Select examples that emphasize how your previous work is connected to the review criteria. Examples may include subgranting or other grantmaking activities. In Tab 6: Items to Upload, you will be asked to provide specific information about your previous grantmaking activities.

This list should demonstrate eligibility (i.e., your organization's three-year history of arts programming).

For the purpose of defining eligibility, "three-year history" refers to when an organization began its programming and not when it incorporated or received nonprofit, tax-exempt status.

**NOTE FOR 2020 OR 2021 ARTS PROGRAMMING:** If your arts programming was affected or suspended due to COVID-19, you may list 2020 or 2021 arts programming that was cancelled or reimagined due to the pandemic. Virtual programming, planning, and COVID-19 recovery activities are considered to be arts programming. You may also choose to list arts programming from a recent year other than 2020 or 2021.

For each example include:

- Date/Year
- Title/Work/Event/Program
- Venue and City/State, if applicable
- Key Artists/Personnel, if applicable
- # of Classes, Performances, Exhibitions, Residencies, etc., if applicable
- # of Participants or Audience, if applicable

Providing information in bulleted or list form is acceptable. (3 fields, 1,000 Character Limit each)

## Tab 4: Proposal Info

### Subtab 1: Activities

**Proposal Description:** (3,000 Character Limit, including spaces)

This question provides an opportunity for you to describe your organization's grantmaking priorities for this program. Subgranting programs may be existing or new, as long as they are consistent with the goals and requirements of the Rescue Plan's Grants to Local Arts Agencies for Subgranting program. Rescue Plan funds may be used by an organization to support existing jobs, new jobs, or to restore jobs that were furloughed or eliminated due to the pandemic.

- a) Describe the **proposed subgranting program** that your organization will use to distribute Rescue Plan funds.

Discuss:

**American Rescue Plan Act**  
**Grants to Local Arts Agencies for Subgranting**  
**Part 2: Submit Materials to the Applicant Portal**

- How the subgranting program reflects the **Rescue Plan’s overall goals** as they relate to your constituency. Describe the relevance of your program’s design to your community, including potential applicants, grantees, and audiences. Provide an estimated timeline for the subgranting program.
- Your proposed **applicant pool** and its relevance to your community. Describe the geographic range and the number of applications that you anticipate. Discuss the characteristics of your anticipated applicant pool, such as: organizational budget size, staff size, and artistic disciplines and/or communities represented.

- Where appropriate, address **efforts to reach organizations that serve populations that are underserved** (e.g., those whose opportunities to experience the arts are limited by ethnicity, economics, geography, and disability). Note: Proposals may focus on reaching a particular constituency; however, they may not be exclusionary under [national civil rights laws and policies](#) prohibiting discrimination. This extends to hiring practices and audience engagement activities.
- Your **plans for receiving and reviewing** applications. Describe the review criteria that you will use as well as the panelist selection, application review, and award selection process. See the [Subgranting Terms & Conditions](#) for more information about subgranting review criteria and other requirements.

b) The **relevance of this project** to the mission and core work of your own organization.

NOTE: Allowable costs in subgranting awards by local arts agencies are limited to any or all of the following:

- Fees/stipends for artists and/or contractual personnel only in support of services they provide for specific activities in support of the organization’s day to day operations.

**American Rescue Plan Act  
Grants to Local Arts Agencies for Subgranting  
Part 2: Submit Materials to the Applicant Portal**

Subgrants to Individual Artists:

Such awards to individuals may include providing presentations, workshops, research, and/or the creation of artwork with tangible outcomes required by the subaward. This is considered a stipend to the artist for the work undertaken and completed consistent with the programmatic objectives of the subgranting agency. (See the [Subgranting Terms & Conditions](#) for more information).

Support to individuals may not include honorifics or fellowships, or other forms of funding for financial hardship, including but not limited to rent or food assistance or the general operating expenses of individual artists.

**TOTAL DIRECT COSTS** is the total of all direct cost items listed in "Salaries and wages" and "Other expenses." This field will autocalculate.

**INDIRECT COSTS**

Arts Endowment applicants have the option to include Indirect Costs in their budgets. The inclusion of Indirect Costs is allowable, but not required.

**American Rescue Plan Act**  
**Grants to Local Arts Agencies for Subgranting**  
**Part 2: Submit Materials to the Applicant Portal**

Indirect Costs are overhead, administrative, or general operating expenses that are not readily identifiable with, or are difficult to assign to, a specific activity. Nevertheless, these costs are still necessary to the operation of the organization, the performance of its activities, and the execution of its general operations. Examples of Indirect Costs include the expenses associated with operating and maintaining facilities and equipment, rent, utilities, supplies, and administrative salaries.

To include indirect costs in a budget, an applicant may choose to do **ONE** of the following (for help in determining which option to choose, see the Indirect Cost Guide for Arts Endowment Grantees):

- Include a reasonable figure for “Overhead and Administrative Costs” as a line item under the “Direct Costs: Other” section, and leave the “Indirect Costs (if applicable)” section blank.
- Use a *de minimis* rate of up to 10% (.10) of Modified Total Direct Costs, and enter this figure in the “Indirect Costs (if applicable)” section. The 10% *de minimis* indirect cost rate is a federally-recognized rate that non-federal entities may use to recover allowable indirect costs on grants or cooperative agreements. Modified Total Direct Costs include salaries and wages, fringe benefits, materials and supplies, services, and travel. Modified Total Direct Costs excludes equipment, capital expenditures, rental costs, scholarships and fellowships, among others. Additional information on calculating Modified Total Direct Costs can be found at [2 CFR Part 200.414.f](#).
- Use a negotiated Indirect Cost Rate Agreement (ICRA). In this case, Indirect Costs are prorated or charged to a grant through a rate negotiated with the National Endowment for the Arts or another federal agency. You are not required to have an Indirect Cost Rate Agreement to apply for or to receive a grant. In fact, only a small number of applicants and grantees to the Arts Endowment have or choose to use an ICRA. This option most commonly applies to colleges and universities. If you have an ICRA and would like to include Indirect Costs in your project budget, complete the information requested in the “Indirect Costs (if applicable)” section accordingly. When entering the name of the federal agency with which the ICRA has been negotiated, limit your description to 50 characters. Enter the percentage of the ICRA as decimals. Note that applicants may only use a Research Indirect Cost Rate Agreement for applications to the Arts Endowment’s Office of Research and Analysis.

**TOTAL COSTS/EXPENSES** is the total of "Total direct costs," and, if applicable, "Indirect costs." This field will autocalculate. This should total \$150,000, \$250,000, or \$500,000, depending on your grant request.
