Major Project Activities

This will serve as the project narrative. Describe the activities that will take place during the requested period of performance, being as specific as possible. You may present information about a broader initiative and long term goals for the project. However, be very specific about the phase(s) of your project that are included in your request for funding (e.g., “funding is being requested for ‘B’ of ‘ABC’ activity) Do not describe organizational programming unrelated to the proposed project. For example, describe what leaders you have will work with, meeting formats, and outreach techniques (digital and in person). (2000 Character Limit, including spaces)
Demographics

Race/Ethnicity. (Choose all that apply) U.S. federal government agencies must adhere to standards issued by the Office of Management and Budget (OMB) in October 1997, which specify that race and Hispanic origin (also known as ethnicity) are two separate and distinct concepts. These standards generally reflect a social definition of race and ethnicity recognized in this country, and they do not conform to any biological, anthropological, or genetic criteria. Origin can be viewed as the heritage, nationality group, lineage, or country of birth of the person or the person’s ancestors before their arrival in the United States.

- American Indian or Alaskan Native - A person having origins in any of the original peoples of North and South America (including Central America) and who maintains tribal affiliation or community attachment.

Part 2c: Project Locations

Provide the city, state, and five-digit zip code in which project activities are expected to occur. For international locations, provide the city, country, and enter "00000". You may submit up to 100 locations. You will be able to upload individual locations using the upload feature.

Alternatively, you will have the option to upload multiple locations at once using a downloadable spreadsheet that can be filled out with your specific locations.
Part 3: Project Budget

**NOTE:** Organizations cannot receive more than one National Endowment for the Arts grant for the same expenses. This budget cannot include project costs that are supported by any other federal funds or their match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

Your Project Budget should reflect only those activities and associated costs that will be incurred during the "Period of Performance" that you have indicated for your project. Any costs incurred before or after those dates will be removed. REMINDER: The earliest allowable project start date is August 1, 2018.

All items in your budget, whether supported by NEA funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, allowable in terms of the NEA General Terms and Conditions, and adequately documented. See here for what we do not fund: [https://www.arts.gov/grants-organizations/our-town/we-do-not-fund](https://www.arts.gov/grants-organizations/our-town/we-do-not-fund). Applicants whose projects are recommended for grants will be asked to update the project budget.

The Project Budget on the Grant Application Form allows unlimited characters in the line items descriptions. However, if you exceed the character maximums outlined in bold below, your text will be automatically cut off and not be seen by NEA staff or reviewers

**Expenses**

Direct Costs are those that are identified specifically with the project during the period of performance, and are allowable. Be as specific as possible.

- **Salaries and wages** cover compensation for personnel, administrative and artistic, who are paid on a salary basis. (Funds for contractual personnel and compensation for artists who are paid on a fee basis should be included in "3. Other expenses" on the Project Budget form, and not here.) Indicate the title and/or type of personnel (40 characters maximum), the number of personnel (30 characters maximum), the annual or average salary range (40 characters maximum), and the percentage of time that will be devoted to the project annually (30 characters maximum). List key staff positions, and combine similar functions. Where appropriate, use ranges. If the costs for evaluation and assessment are part of staff salary and/or time, separately identify those costs.

  - Salaries and wages for performers and related or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See "Legal Requirements" for details.)

  - Awards that the NEA makes after December 26, 2014, now allow the following:
    Salaries/wages/fringe benefits incurred in connection with fundraising specifically for the project. These costs must be incurred during the NEA project period of performance, and be approved as allowable project expenses by the agency.

  - Fringe benefits are those costs other than wages or salary that are attributable to an employee, as in the form of pension, insurance, vacation and sick leave, etc. They may be included here only if they are not included as indirect costs.

- **Travel** must be estimated according to the applicant’s established travel practice, providing that the travel cost is reasonable and does not exceed the cost of air coach accommodations.

  - Limit your descriptions to these character maximums: # of Travelers = 20 characters; From = 50 characters; To = 50 characters. Include subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as appropriate.
  - Foreign travel, if any is intended, must be specified by country of origin or destination and relate to activity outlined in your narrative. Foreign travel also must conform with government regulations, including those of the **U.S. Treasury Department Office of Foreign Asset Control**. If National Endowment for the Arts funds are used for foreign travel, such travel must be booked on a U.S. air-carrier when this service is available. - **Other expenses** include consultant and artist fees, contractual services, promotion, acquisition fees, rights, evaluation and assessment fees, access accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling), telephone, photocopying, postage, supplies and materials, publication, distribution, translation, transportation of items other than personnel, rental of space or equipment, and other project-specific costs.

  - List artist compensation here if artists are paid on a fee basis.
  - For procurement requirements related to contracts and consultants, please review 2 CFR Part 200.317–326. Limit your descriptions to 100 characters maximum.
  - Television broadcast projects and educational/interpretive videos must be closed or open captioned. Applicants should check with captioning organizations for an estimate.
  - Clearly identify the rental of equipment versus the purchase of equipment. If you intend to purchase any equipment that costs $5,000 or more per item and that has an estimated useful life of more than one year, you must identify that item here. Provide a justification for this expenditure either in this section of the Project Budget form or in your narrative. Digital computers, mobile devices, or other new technologies are considered supplies if less than $5,000 per item regardless of the length of useful life.
  - If you engage in contracts of more than $15,000, identify the item or service and its relation to the project.

- Group similar items together on a single line, with only one total cost. List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter them throughout the list. Specify the number of persons, the service being provided, and the applicable fee, rate, or amount of each. For other types of line items, provide details of what is included in each item.
Sample View of Other Expenses Form:

- **TOTAL DIRECT COSTS** is the total of all direct cost items listed in "1. Salaries and wages," "2. Travel," and "3. Other expenses."

- **INDIRECT COSTS** are overhead or administrative expenses that are not readily identifiable with a specific project. (The costs of operating and maintaining facilities and equipment, depreciation or use allowances, and administrative salaries and supplies are typical examples of indirect costs.) Indirect costs are prorated or charged to a project through a rate negotiated with the National Endowment for the Arts or another federal agency (limit your description of Federal Agency to 50 characters).

  - You are not required to have an indirect cost/facilities and administration rate to apply for or receive a grant. You may claim administrative costs or overhead as direct costs under "3. Other expenses." Alternatively, a non-federal entity that has never received a negotiated indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). For more information see 2 CFR Part 200.414.f.

  - However, you cannot claim both Indirect Costs and Administrative/overhead costs; you must choose one method or the other. If you have a negotiated rate and would like to include indirect costs, complete the information requested in this section. If you do not have or intend to negotiate an indirect cost rate, or do not plan to charge a de minimis 10% rate leave this section blank. Applicants may only apply a Research ICR for applications to the Research: Artworks program. For additional information, see "Indirect Cost Guide for NEA Grantees"

- **TOTAL PROJECT COSTS** is the total of "4. Total direct costs," and, if applicable, "5. Indirect costs."  
**NOTE:** "3. Total project income" must equal the "Total project costs." Your project budget should not equal your organization's entire operating budget.

**Income**

- **Amount Requested from the National Endowment for the Arts:** State the amount that you are requesting. You must request a grant amount at one of the following levels: $25,000, $50,000, $75,000, or $100,000. If you are recommended for less than the amount that you request you will be asked to revise your project budget. The NEA reserves the right to limit its support of a project to a particular portion(s) or cost(s).

- **Total Cost Share/Match for this Project:** Because the National Endowment for the Arts cannot support more than 50% of a project's costs, we require each applicant to obtain at least half the total cost of each project from nonfederal sources. For example, if you receive a $50,000 grant, your total project costs must be at least $100,000 and you must provide at least $50,000 toward the project from nonfederal sources. These matching funds may be all cash or a combination of cash and in-kind contributions as detailed below. Be as specific as possible. For projects that include additional partners, indicate on the form the portion of the match that is being contributed by each participant. Asterisk (*) those funds that are committed or secured.

  - __Cash__ match refers to the cash donations (including items or services that are provided by the applicant organization), grants, and revenues that are expected or received for this project. Limit your descriptions to 100 characters maximum. Do not include any National Endowment for the Arts or other federal grants -- including grants from the NEH, ED, NPS, etc. -- that are anticipated or received. If you include grants from your state arts agency or regional arts organization as part of your match, you must ensure that the funds do not include subgranted federal funds. Identify sources. The National Endowment for the Arts allows the use of unrecovered indirect costs as part of the cash match or cost sharing. Your organization must have a federal negotiated indirect cost rate agreement to include unrecovered indirect costs.
o **In-kind: Donated space, supplies, volunteer services** are goods and services that are donated by individuals or organizations other than the applicant (third-party). Limit your descriptions to 100 characters maximum. To qualify as matching resources, these same items also must be identified in the project budget as direct costs to ensure their allowability. In-kind items not reflected as direct costs will be removed from your budget. The dollar value of these non-cash donations should be calculated at their verifiable fair-market value. Identify sources. Reminder: Proper documentation must be maintained for all items noted as "in-kind."

- **Total Project Income** is the total of “Amount requested from the National Endowment for the Arts” and “Total match for this project.”

Further Guidance on Project Budget:

- "Total project income" (from Page 1 of the Project Budget form) **must equal** the "Total Project Costs." Your project budget should not equal your organization's entire operating budget.
- While the Project Budget on the Grant Application Form will allow unlimited characters in the line items descriptions, please use the character maximums listed in the instructions below. If you go beyond the character maximums, your expanded information will not be seen by NEA staff or reviewers.
- **REMINDER:** All costs included in your Project Budget must be expended during your period of performance.
- Costs associated with other federal funds, whether direct or indirect (e.g., flow down through a state arts agency) cannot be included in your Project Budget.
Part 4a: Project Participants - Individuals

Briefly describe the process and criteria for the selection of key staff, consultants, advisors, artists, designers – anyone who will be a key contributor to the success of your proposed project, regardless of their organizational affiliation—that will be involved in this project. Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the procedures you plan to follow and the qualifications you seek. Part 4b: Project Participants - Additional Partners

An additional partner is any outside entity that will provide resources (other than money) to support the project. Because all NEA projects require matching resources from non-federal sources, organizations that only provide money are not considered partners. Funders are not excluded from being partners, but they must also supply human resources or information capital, or actively participate in another way. If applicable, briefly describe the process and criteria for the selection of key partners that will be involved in the project. Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the selection procedures that you plan to follow and the qualifications that you seek. (1000 Character Limit, including spaces)

Part 5b: Items to Upload

There are two types of required items to upload:

- **Statements of Support**
- **Work Samples**

You should prepare your items **well in advance of the deadline** and have them fully ready to upload once the applicant portal becomes available to you. Please arrange the items in the following order when uploading to the applicant portal:

- Statements of Support
- Image Work Samples
- Audio Work Samples
- Video Work Samples
- Other Types of Work Samples

Below are the preparation instructions for required items to upload. These are a critical part of your application and are considered carefully during application review. Submit items in the format and within the space limitations described. Only upload materials that we request. Other items that you include will not be reviewed.

For each item that you upload, you will find a descriptive field into which you will enter the following information, as appropriate:

**Title Box.**
- The title of the work or organization represented by the work sample. Title each work sample with a unique name. This title must not contain an apostrophe.
- For Statements of Support, submit one combined PDF with all statements, titled “Statements of Support”.
- For video/audio/digital image/website/document work samples, state the title of the work or organization represented by the work sample.

**Description Box.**
- For Statements of Support, submit one combined PDF with the description “Statements of Support”.
- For video/audio/digital image/website/document work samples:
  - Name of the designer(s), artist(s), or key individuals involved.
  - Title of work/image/activity (if different from first bullet).
  - Date of work/image/activity.
  - No more than one sentence describing the work and its relationship to the project for which you are requesting support.
  - For video, length of the sample. (Two minutes is the maximum.)
• **NOTE:** Applicants submitting multiple images on a PDF should include the relevant information from above with each image in the PDF. The descriptive field for the file should provide a brief overview of the group of images as a whole.

**Statements of Support (PDF format only)**

All Statements of Support must be combined into one single PDF document. Please do not submit a separate PDF file for each individual letter. You may submit up to 10 statements including, but not limited to the below.

- **Statements of support from primary partners (one-page limit per statement, PDF format only).**
  - **Required:** An organization or individual that is the primary partner in your application must include at least one one-page statement of commitment describing their support for and involvement in the project. Do not provide general statements of support for your organization.
  - **Other partners on the project may also submit letters of support.** We encourage you to be selective in listing only the partners that are critical to the project’s success. Each statement should be in PDF format only and include the name, affiliation, phone number, and email address of the individual who provided it.

**Further Guidance on Statements of Support:**

- **If you list an organization or individual as a partner in your application, you must include at least one one-page statement of commitment describing their support for and involvement in the project.** We encourage you to be selective in listing only the partners that are critical to the project’s success. Do not provide general statements of support for your organization. Each statement should be in PDF format only and include the name, affiliation, phone number, and email address of the individual who provided it.

**Work Samples**

**Work samples are a critical component of your application** and will be considered carefully during the review process. The work samples are your primary way to show the level of design or artistic excellence that you and your partners are capable of achieving. Please use this section to show previous knowledge building work by your organization. It is up to you to determine the images or audio/video clips that are most relevant to and best support your proposed project. The work can be from any individual or partner involved in the project. Samples should be recent, of high quality, and as relevant to the project as possible. Please see the following pages for acceptable formats.
We will accept the following types/sizes of work samples:

**Further Guidance on Work Samples:**

- Please select the format most appropriate to the artistic medium or discipline represented in your project. Audio and video clips are intended to accommodate theater, dance, music, film, and new media work samples (not slide shows of still images). Documents may be most appropriate for projects that build knowledge about creative placemaking.
- As review time is limited, please be selective in what you chose to submit. We highly recommend limiting your selections to **three to four substantive work samples** relevant to the project.
- You will be able to upload samples in the formats described below. There is a limit of 250 MB for all of your work samples combined.
Work Samples - Digital Images (single PDF file)

Submit up to 20 images in a single PDF file. Each file has a size limit of 5 MB. Additional images could include:

- Images of model projects or case studies that have informed or inspired your project.
- Past programs or exhibitions by your organization.
- Selected consultants, artists or designers’ previous work.

Work Samples - Audio Samples (no more than two selections)

Submit no more than two selections; each selection should not exceed two minutes. You will upload each selection in a separate file. Each file has a size limit of 5 MB. Files could include:

- Past performances or recordings of the selected consultant(s), artist(s) or organization(s) under consideration.
- Pre-existing promotional clips or interviews specific to the project or partners involved. The creation of new audio for your application is discouraged.

Work Samples - Video Samples (no more than two selections)

Submit no more than two selections; each selection should not exceed two minutes. You may submit a link to a video sample, or upload a video sample directly to the applicant portal. Files could include:

- Existing site conditions.
- Past performances or recordings of the selected consultant(s), artist(s) or organization(s) under consideration.
- Pre-existing promotional clips or interviews specific to the project or partners involved. The creation of new video for your application is discouraged.

If you submit a link.

Submit a PDF with a link to the website. If you are including more than one website, submit no more than two and list them all on a single PDF. For each site, list the URLs for pages to be shown; include any necessary information on required plug-ins, passwords, or navigation paths.

If you upload directly to the applicant portal.

In order to be uploaded, videos must meet the following minimum requirements:

- Resolution: At least 480 x 360; Frames per second (fps): At least 12
Further Guidance on Video Samples:

- You can often check the resolution of a video as follows. In Windows environments, find the file on your computer, right click it, and select "Properties." On a Mac, hold the Control key, and click on the file name. Select “Get Info” and the information should display. Most videos are a standard 29 frames per second.
- While the above requirements are the minimum, submitting your video in the mp4 (H.264) format at 640 x 480 with mp3 audio will allow for efficient uploading while showing your clips to best advantage. There is a file size limit of 250 MB. (Note, however, that there is a limit of 250 MB for all of your work samples combined so choose your video samples carefully.)
- If your video doesn’t meet the minimum resolution requirements above, there are a number of software programs you can use to convert your videos.
- If you are submitting more than one video sample, you will upload each individually, in a separate file.

Work Samples - Other Types of Work Samples

Website. Do not submit your organization’s general website. Only submit a website that is an essential part of the project. Submit a PDF with a link to the website. If you are including more than one website, submit no more than two and list them all on a single PDF.

Documents (Examples of Training Material, Previous Research, Programs, Brochures, Calendars, Catalogues, Promotional Material). Submit a very limited sample that was produced or printed during 2014 or 2015 and that is directly related to the proposed project. Upload each document individually, in a separate file. Each file has a size limit of 5 MB and 12 pages. All documents should be submitted as PDF files. If you have to scan material, please follow the guidance below:

- Scan images at a resolution of 300 dpi. Resolutions over 300 dpi will result in unnecessarily large files.
- Experiment with the JPEG quality settings. Saving the document as a "medium quality" or "low quality" JPEG will reduce the file size, and is not likely to reduce readability.
- When you have scanned the images, combine them into a single PDF file. Submit a single file for each document; do not submit a separate file for each scanned page.
