

Art Works: Local Arts Agencies FY20 Grant Application Form Instructions

How to Use This Document

These instructions are for the Local Arts Agencies discipline. For more information, see [here](#). If you are applying in a different Art Works discipline, [please refer to their instructions](#), as instructions vary by discipline. Applications are reviewed on the basis of artistic excellence and artistic merit. For more detailed information on how artistic excellence and artistic merit will be evaluated, see the "[Review Criteria](#)." Make sure you demonstrate how your project meets the review criteria in your application material.

NOTE: You will only be able to complete this part of the application process if you have submitted to Grants.gov by the appropriate deadline. Please see <https://www.arts.gov/grants-organizations/art-works/local-arts-agencies/part-1-submit-sf-424-to-grants-gov> for more information.

This document will guide you through completing [Part 2 of the Art Works application process](#); it contains detailed instructions for completing the Grant Application Form (GAF) in the NEA's Applicant Portal. The Applicant Portal is a tabbed system (seven tabs), some of which have sub-tabs. Please review all sections of this document to see the required fields needed to complete the application, along with detailed instructions on what you should include in each section. This document includes any specifications about your material (e.g., character limits for narrative responses, acceptable work sample formats). For your application to be considered complete, every required item **MUST** be included in your application. Required items are denoted with a red * in the GAF.

You will not have access to enter information into the online Grant Application Form until the NEA's Applicant Portal is available. However, you should **prepare your responses and material well in advance of the Part 2 deadline** and have them fully ready to upload once the NEA's Applicant Portal opens.

If you find any incorrect information on this page, please [contact](#) the staff.

When filling out the Grant Application, you must adhere to the character count limit in each section. Please do not include hyperlinks. If found, they will be removed from your application.

Tab 2: Organization Info

Art Works: Local Arts Agencies FY20 Grant Application Form Instructions

Income

- **Earned:** Revenues that are received through the sale of goods, services performed, or from investments. Examples: ticket sales, subscription revenue, contractual fees, interest income.
- **Contributed:** Gifts that are received which are available to support operations. Examples: annual fund donations, grants for general operating or project support, in-kind contributions.

Expenses

- **Artistic Salaries:** Costs that are directly related to the creation, production, and presentation of art work. Examples: fees for dancers, choreographers, actors, curators, artistic directors, contributors to literary publications. Include arts personnel that are on your staff as well as those that are paid on a contract or fee basis.
- **Production/exhibition/service expenses:** All program or service delivery costs, excluding artistic salaries and fees that are listed above. Examples: research expenditures; presentation costs; costs of sets, costumes, and lighting; publication costs of catalogues or literary magazines.
- **Administrative expenses:** All other costs that are incurred during the normal course of business. Examples: outside professional non-artistic services, space rental, travel, marketing, administrative salaries, utilities, insurance, postage.

NOTE: The figures are subject to verification by the National Endowment for the Arts.

If you are a parent organization, provide this information for the independent component on whose behalf you are applying. If your organization is a smaller entity that exists within a larger organization (such as an [academic department](#) or a literary organization housed at a college or university), submit information for the smaller entity and follow the instructions for parent organizations and independent components. Please note that academic departments within universities and colleges are **not** considered independent components.

This is intended to show your organization's fiscal activity as it relates to operations. Do not include activity related to a capital campaign (such as raising money for a new facility, an endowment fund, or a cash reserve fund). You will be given an opportunity to explain and discuss the fiscal health of your organization, including identifying the source of the activities, as needed. We may request additional information to clarify an organization's financial position.

Fiscal Health: Discuss the fiscal health of your organization. In addition, you must explain: 1) any changes of 15% or more in either your income or expenses from one year to the next, and 2) plans for reducing any deficit (include the factors that contributed to the deficit and its amount). For independent components, you may use the space to discuss the fiscal health of your organization and to explain the relationship that the independent component has with the

Art Works: Local Arts Agencies FY20 Grant Application Form Instructions

larger entity (e.g., "museum guards and utilities paid for by university"). (1,000 Character Limit, including spaces)

Tab 3: Arts Programmatic History

Submit a representative list of your programmatic history for the past three years/seasons prior to the application deadline (e.g., 2016 or 2016-17; 2017 or 2017-18; 2018 or 2018-19).

This list should demonstrate eligibility (i.e., your organization's three-year history of arts programming) and the artistic excellence and merit of your organization. For the purpose of defining eligibility, "three-year history" refers to when an organization began its programming and not when it incorporated or received nonprofit, tax-exempt status. Where available, include arts or cultural programming that has a relationship to the project for which you are requesting support (e.g., show examples of previous festival programming if your project is for a festival). For projects that involve touring, list your organization's touring activities for the past three years/seasons. **For subgranting projects:** this list should demonstrate a three-year history of subgranting in the arts prior to the application deadline.

You'll enter your information for each year this way:

The screenshot shows a form interface for entering information for Year 1. At the top, there is a label "Year 1:" followed by a small empty text input box. Below this is a section titled "Representative Examples Year 1". This section contains a rich text editor with a toolbar featuring icons for bold (B), italic (I), underline (U), bulleted list, numbered list, link, unlink, and a link icon. The main area of the editor is a large, empty text box. At the bottom of the form, a character count is displayed: "(3,500 Character Limit, including spaces. Remaining: 3500 characters.)".

Tab 4: Project Info

Subtab 1: Project Activity

NEA Discipline for Proposed Project: This refers to the artistic discipline associated with your project, not necessarily your organization as a whole. Exception: Local Arts Agencies should select "Local Arts Agencies" regardless of the project discipline, unless the project's primary discipline is either Arts Education or Folk & Traditional arts.

Choose the artistic discipline carefully because your selection will determine which panel of experts will review your proposal. In limited cases, staff may transfer an application to a discipline other than the one that was selected by the applicant to ensure appropriate panel

review. However, we cannot guarantee that an application will be transferred in all cases where this might be desirable. [Contact us](#) if you have any questions about which discipline is most appropriate for your project. Each discipline has different instructions. Be sure to download the instructions according to the discipline that best suits your project.

Choose:

- **Local Arts Agencies** (Local arts agencies generally are referred to as arts councils, departments of cultural affairs, or arts commissions. LAAs can be nonprofit entities or public sector municipal, county, or regional agencies that operate in cooperation with mayors and city managers. LAAs may present and/or produce arts programming, commission and manage public art, administer grant programs, provide technical assistance to artists and arts organizations, and guide cultural planning efforts. Still others may own, manage, and/or operate cultural facilities and be actively engaged in community development, and partner with entities in tourism, social services, public education, housing, economic development, and public safety. All strive to enhance the quality of life in their communities by working to increase public access to the arts. You will also find national and statewide arts service organizations in the LAA portfolio that work primarily with a network of LAAs. LAAs should submit applications through Local Arts Agencies regardless of project discipline, unless the project's primary discipline is either Arts Education or Folk & Traditional Arts.)

Project Title: If your project title has changed since you submitted through Grants.gov, provide a new project title in the text field below. If you have no changes, leave the text as is. **Do not type "N/A" as this will replace the previously submitted project title.**

Project Description: If your project description has changed since you submitted through Grants.gov, provide a new description in the text field below. If you have no changes, leave the text as is. **Do not type "N/A" as this will replace the previously submitted project description.**

Major Project Activities: This is the project narrative. The information that you provide will be evaluated against the "**Review Criteria**" by panelists, so make sure your narrative addresses the "Review Criteria." Describe the proposed project. Be as thorough and specific as possible about the activities that will take place during the allowable project period. Where relevant, include information on any additional public components such as educational or outreach activities of the project. Do not describe unrelated organizational programming. If applicable, identify any works of art that will be central to the project and the reason for their selection. For project components involving content creation, please provide details about the content, themes, and processes to develop the created works. (4,000 Character Limit, including spaces)

For public art projects, please see [Public Art Resources](#) for additional resources.

Art Works: Local Arts Agencies FY20 Grant Application Form Instructions

Subtab 2: Project Partners

Selection of Key Organizational Partners: If your project involves organizational partners, describe the process and criteria for the selection of key organizations. Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the selection procedures that you plan to follow and the qualifications that you seek. An organizational partner is an outside entity that will provide resources (other than money) to support the project. Because all NEA projects require matching resources from non-federal sources, organizations that only provide money are not considered partners. Funders are not excluded from being partners, but they must also supply human resources or information capital, or actively participate in another way. Organizational partners are not required. (1,000 Character Limit, including spaces)

Description of Key Organizational Partners: Include brief, current descriptions of the key organizational partners and their proposed role in the project. You may include up to 10.

- **Organization Name**
- **Proposed or committed?** Select answer from drop-down.
- **Description of the Organization** (500 Character Limit per partner, including spaces)

Subtab 3: Key Individuals

Selection of Key Individuals: Briefly describe the process and criteria for the selection of key individuals who will be involved in this project (e.g. primary artist(s), project director, artistic director, executive director, teaching artist, curator, editor, folklorist, conductor). Where relevant, name the key individuals and describe their involvement in the development of the project to date. If you are applying for a project for which the key individuals are not yet identified, describe the process for selecting them, i.e., open submissions, reading committee, selection by the artistic director, etc., and the qualifications that you seek. (1,000 Character Limit, including spaces)

Bios of Key Individuals: Include brief, current biographies of the key individuals. You may include up to 5.

- **First Name**
- **Last Name** (Use this field for artistic group names or single names)
- **Proposed or committed?** Select answer from drop-down.
- **Bio.** including the proposed role in the project (1,000 Character Limit per bio, including spaces)

Subtab 4: Other Details

Schedule of Key Project Dates: Describe the significant dates in the project. If you include activities that occur before the earliest allowable start date (January 1, 2020, if you apply at the February 14, 2019, deadline or June 1, 2020, if you apply at the July 11, 2019, deadline), indicate by adding an asterisk (*) and make sure that those activities and costs are not included on the Project Budget form. (1,500 Character Limit, including spaces)

Performance Measurement: How will you measure the success of your project? Describe any plans you have for program evaluation, for working collaboratively with researchers, strategic consultants, program evaluators, and/or any other plans for performance measurement related to the project. Include plans for documenting and disseminating the project results, as appropriate. (1,000 Character Limit, including spaces)

Please see "[Program Evaluation Resources](#)" for additional information.

Intended Audience/Participants/Community: Who will benefit from the project and how? Where appropriate, describe any underserved populations that may be reached. (2,000 Character Limit, including spaces)

Discipline-Specific Items: Leave these fields blank. Please upload Discipline-Specific Items as separate PDF documents. (See Tab 6: Items to Upload.)

Tab 5: Project Budget

NOTE: Organizations cannot receive more than one National Endowment for the Arts grant for the same expenses. This budget cannot include project costs that are supported by any other federal funds or their match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

Your **Project Budget** should reflect only those activities and associated costs that will be incurred during the "Period of Performance" that you have indicated for your project. Any costs incurred before or after those dates will be removed. REMINDER: The earliest allowable project start date is January 1, 2020, if you apply at the February 14 deadline, or June 1, 2020, if you apply at the July 11 deadline.

We need to know how you plan to spend both the requested NEA funds, as well as your cost share/matching funds. All items in your budget, whether supported by NEA funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, allowable in terms of the [NEA General Terms and Conditions](#), and adequately documented. Your "Total project income" must equal the "Total project costs/expenses."

Applicants whose projects are recommended for grants will be asked to update the project budget.

Amount Requested from the NEA: Grants will generally range from \$10,000 to \$100,000. Do not request an amount below \$10,000. **Any requests below \$10,000 will be deemed ineligible and will not be reviewed.** Be realistic in your request.

Subtab 1: Project Expenses

DIRECT COSTS are those that are identified specifically with the project during the period of performance, and are allowable. Be as specific as possible. Review [What We Fund/We Do Not Fund](#) to ensure your Project Budget does not include unallowable costs. **Projects with less than \$20,000 in costs (i.e., not showing the minimum NEA requested amount of \$10,000 and the required organization 1:1 match of \$10,000) will be deemed ineligible and will not be reviewed.**

DIRECT COSTS: Salaries and wages cover compensation for personnel, administrative and artistic, who are paid on a salary basis. (Funds for contractual personnel and compensation for artists who are paid on a fee basis should be included in "DIRECT COSTS: Other" on the Project Budget form, and not here.) Indicate the title and/or type of personnel (40 characters maximum), the number of personnel (30 characters maximum), the annual or average salary range (40 characters maximum), and the percentage of time that will be devoted to the project annually (30 characters maximum). List key staff positions, and combine similar functions. Where appropriate, use ranges. If the costs for evaluation and assessment are part of staff salary and/or time, separately identify those costs.

Art Works: Local Arts Agencies FY20 Grant Application Form Instructions

Salaries and wages for performers and related or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See "[Legal Requirements](#)" for details.)

NOTE: Salaries/wages/fringe benefits incurred in connection with fundraising specifically for the project are allowed. These costs must be incurred during the NEA project period of performance, and be approved as allowable project expenses by the agency.

Total Salaries and Wages				\$50,500

Fringe benefits are those costs other than wages or salary that are attributable to an employee, as in the form of pension, insurance, vacation and sick leave, etc. They may be included here only if they are not included as indirect costs.

Sample View:

DIRECT COSTS: Travel must be estimated according to the applicant's established travel practice, providing that the travel cost is reasonable and does not exceed the cost of air coach accommodations. Limit your descriptions to these character maximums: # of Travelers = 20 characters; From = 50 characters; To = 50 characters. Include subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as appropriate. Foreign travel, if any is intended, must be specified by country of origin or destination and relate to activity outlined in your narrative. Foreign travel also must conform with government regulations, including those of the [U.S. Treasury Department Office of Foreign Asset Control](#). If National Endowment for the Arts funds are used for foreign travel, such travel must be booked on a U.S. air-carrier when this service is available. List all trips -- both domestic and foreign -- individually.

List artist compensation here if artists are paid on a fee basis. For procurement requirements related to contracts and consultants, please review [2 CFR Part 200.317-.326](#). Limit your descriptions to 100 characters maximum.

Television broadcast projects and educational/interpretive videos must be closed or open captioned. Applicants should check with captioning organizations for an estimate.

Clearly identify the rental of equipment versus the purchase of equipment. If you intend to purchase any equipment that costs \$5,000 or more per item and that has an estimated useful life of more than one year, you must identify that item here. Provide a justification for this expenditure either in this section of the Project Budget form or in your narrative. Digital computers, mobile devices, or other new technologies are considered supplies if less than \$5,000 per item regardless of the length of useful life.

If you engage in contracts of more than \$15,000, identify the item or service and its relation to the project.

Group similar items together on a single line, with only one total cost. List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter them throughout the list. Specify the number of persons, the service being provided, and the applicable fee, rate, or amount of each. For other types of line items, provide details of what is included in each item.

administration rate to apply for or receive a grant. You may claim administrative costs or overhead as direct costs under "DIRECT COSTS: Other." Alternatively, a non-federal entity that has never received a negotiated indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). For more information see [2 CFR Part 200.414.f](#). However, you cannot claim both Indirect Costs and Administrative/overhead costs; you must choose one method or the other. If you have a negotiated rate and would like to include indirect costs, complete the information requested in this section. If you do not have or intend to negotiate an indirect cost rate, or do not plan to charge a de minimis 10% rate leave this section blank. Applicants may only apply a Research ICR for applications to the Research: Artworks program. For additional information, see "[Indirect Cost Guide for NEA Grantees](#)."

TOTAL COST SHARE/MATCH FOR THIS PROJECT: Because the National Endowment for the Arts cannot support more than 50% of a project's costs, we require each applicant to obtain at least half the total cost of each project from nonfederal sources. For example, if you receive a \$10,000 grant, your total project costs must be at least \$20,000 and you must provide at least \$10,000 toward the project from nonfederal sources. These matching funds may be all cash or a

Art Works: Local Arts Agencies FY20 Grant Application Form Instructions

combination of cash and in-kind contributions as detailed below. Be as specific as possible. For projects that include additional partners, indicate on the form the portion of the match that is being contributed by each participant. Asterisk (*) those funds that are committed or secured.

Applicant CASH match refers to the cash donations (including items or services that are provided by the applicant organization), grants, and revenues that are expected or received for this project. Limit your descriptions to 100 characters maximum. Do not include any National Endowment for the Arts or other federal grants -- including grants from the National Endowment for the Humanities, U.S. Department of Education, the National Park Service, etc. -- that are anticipated or received. If you include grants from your state arts agency or regional arts organization as part of your match, you must ensure that the funds do not include subgranted federal funds. Identify sources. The National Endowment for the Arts allows the use of unrecovered indirect costs as part of the cash match or cost sharing. Your organization must have a federal negotiated indirect cost rate agreement to include unrecovered indirect costs.

Third-Party IN-KIND Contributions: Donated space, supplies, volunteer services are goods and services that are donated by individuals or organizations other than the applicant (third-party). Limit your descriptions to 100 characters maximum. To qualify as matching resources, these same items also must be identified in the project budget as direct costs to ensure their allowability. In-kind items not reflected as direct costs will be removed from your budget. The dollar value of these non-cash donations should be calculated at their verifiable fair-market value. Identify sources. Reminder: Proper documentation must be maintained for all items noted as "in-kind."

Information About Uploaded Files

There can be a slight delay between the upload of your work samples and seeing them in the Applicant Portal. This is particularly true for videos. For videos, the usual upload time runs five to ten minutes. However, close to the deadline, this time may extend to as much as an hour. Videos are placed in a queue to be converted for upload, and the more people uploading, the

Art Works: Local Arts Agencies FY20 Grant Application Form Instructions

longer the queue. Do not immediately assume that your upload failed; wait and try accessing the material again.

Your file names must not:

- Exceed 100 characters.
- Begin with a space, period, hyphen, or underline.
- Contain these characters: #%&{\<>*?/\$!'"':+`=|"@.

For each item that you upload, you will find a descriptive field into which you will enter the following information, as appropriate:

Title box: Title each item with a unique name.

- For your special items, simply state the type of item.
- For video/audio/digital image/website/document work samples, state the title of the work or organization represented by the work sample.

Description box (500 Character Limit, including spaces): For your special items, simply state the type of item.

For video/audio/digital image/website/document work samples:

- Company/Artist.
- Title of work/image/activity (if different from first bullet).
- Date of the work, performance, or activity.
- Brief description including how the work sample relates to proposed project.
- For audio and video samples, length of the sample.

Applicants submitting multiple websites or multiple images on a PDF should include the relevant information from above with each website or image in the PDF. The descriptive field for the file should provide a brief overview of the group of images or websites as a whole.

Additional Guidance for Video Samples

You may submit a link to a video sample, or directly upload a video sample.

If you submit a link:

Submit a PDF with a clickable link to the website. If you are including more than one website, list them all on a single PDF. For each site, list the URLs for pages to be shown; include any necessary information on required plug-ins, passwords, or navigation paths. Do not submit links to sites that require work samples to be downloaded (e.g., Dropbox).

Uploading video samples:

In order to be uploaded, videos must meet the following minimum requirements:

- Resolution: At least 480 x 360
- Frames per second (fps): At least 12

You can often check the resolution of a video as follows. In Windows environments, find the file on your computer, right click it, and select "Properties." On a Mac, hold the Control key, and click on the file name. Select "Get Info" and the information should display. Most videos are a standard 29 frames per second.

While the above requirements are the minimum, submitting your video in the mp4 (H.264) format at 640 x 480 with mp3 audio will allow for efficient uploading while showing your clips to best advantage.

If your video doesn't meet the minimum resolution requirements above, there are a number of software programs you can use to convert your video.

If you are submitting more than one video sample, you will upload each individually, in a separate file.

Additional Guidance for Digital images

You may either combine all of your images into a single PDF file or upload each image in a separate file. Image size should be consistent; medium to high resolution is recommended (e.g., 300 dpi). Do not submit PowerPoint or Word documents.

Additional Guidance for Documents (Literary Samples, Publications, Periodicals, Catalogues)

Leave a margin of at least one inch at the top, bottom, and sides of all pages. Use only 8.5 x 11 inch size pages. Do not reduce type below 12 point font size. Within each PDF, number pages sequentially; place numbers on the bottom right hand corner of each page. **Excess pages will be removed and not be reviewed.**

If you scan material, please follow the guidance below:

- Scan images at a resolution of 300 dpi. Resolutions over 300 dpi will result in unnecessarily large files.
- Experiment with the JPEG quality settings. Saving the document as a "medium quality" or "low quality" JPEG will reduce the file size, and is not likely to reduce readability.

When you have scanned the images, combine them into a single PDF file. **Do not submit a separate file for each scan.** Do not submit Word, PowerPoint, or Excel documents.

Additional Guidance for Websites

Do not submit your organization's general website. Only submit a website that is an essential part of the project.

If you are including more than one website, list them all on a single PDF. For each site, list the URLs for pages to be shown; include any necessary information on required plug-ins, passwords, or navigation paths. Do not submit links to sites that require work samples to be downloaded (e.g., Dropbox).

NOTE: If you provide links to works samples -- audio samples, digital images, video samples, or documents – the same limits on uploaded work samples apply to those provided via links.
