## How to Use This Document

*The following instructions are for the **Artist Communities** discipline. If you are applying in a different Grants for Arts Projects discipline, refer to their instructions, as instructions vary by discipline.*

This document will guide you through **Part 2 of the Grants for Arts Projects application process**; it contains detailed instructions for completing the Grant Application Form (GAF) in the Arts Endowment’s Applicant Portal.

**Grants for Arts Projects Guidelines: Artist Communities**  
**FY21 Part 2: Submit Materials to the Applicant Portal**

Important Notes:

- You will only be able to complete Part 2 of the Grants for Arts Projects application process if you have successfully submitted Part 1 of the application to Grants.gov by the appropriate deadline.
- You will not have access to the Applicant Portal until the Part 2 application window opens as described below. However, **we urge you to use this document to prepare your responses and material well in advance** so you will have them ready to upload once the system opens.

**Deadline:**

Part 1 - Submit to Grants.gov	February 13, 2020 at 11:59 p.m., Eastern Time
<i>Prepare application material so that it's ready to upload when the Applicant Portal opens</i>	
Part 2 - Submit to Applicant Portal	February 18, 2020 at 9:00 a.m., Eastern Time to February 25, 2020 at 11:59 p.m., Eastern Time

Artist Communities does not accept applications at the July Grants for Arts Projects deadline.

## Access the Applicant Portal

**Log on to the Applicant Portal at:** <https://applicantportal.arts.gov>

Log on credentials:

- **User Name = Grants.gov Tracking Number (Example: "GRANT12345678")**

Your Grants.gov tracking number is assigned to you by Grants.gov at the time you submit Part 1 your application. A confirmation screen will appear once your submission is complete. Your Grants.gov tracking number will be provided at the bottom of this screen.

- **Password = Agency Tracking Number/NEA Application Number (Example: "1234567")**

The National Endowment for the Arts assigns the number to your application 1-2 business days after you submit Part 1 of your application. Log on to Grants.gov with your Grants.gov Username and Password. Under Grant Applications, select Check Application Status. Once in the Check Application Status feature, look for your Grants.gov Tracking Number and select Details under the Actions column. You'll be taken to the Submission Details screen to find your Agency Tracking#/NEA Application

Number. NOTE: Check Application Status is a separate feature from Track My Application at Grants.gov.

**The User Name and Password can only be used by one person at a time in the Applicant Portal. If multiple people use the User Name and Password at the same time to work on an application, data will be lost.**

### Technical notes for using the Applicant Portal:

- The Applicant Portal is best viewed in the following browsers: Chrome 58+, Firefox 54+, Internet Explorer 11+, or Microsoft Edge 44+. You should only open the Applicant Portal in one browser at a time to enter information. Cookies and JavaScript may need to be enabled for you to successfully view the site. You might also need to disable AdBlocker and/or similar software.
- Most problems can be solved by changing your browser. In Internet Explorer, you may need to do the following:
  - Press the Alt key.
  - Select Tools from the menu bar.
  - Select Compatibility View Setting.
  - Type in “arts.gov” and uncheck all check marks and close.
- Be sure to first copy and paste any text into Notepad (if you’re using a PC) or TextEdit (if you’re using a Mac) before copying it into the Applicant Portal. This will strip away any HTML Coding that may add unwanted additional characters to text (however, any formatting you had will be deleted). These additional characters can be added due to some special characters such as ampersands, quotation marks, apostrophes, and angle brackets.
- Limit character counts by using a solution other than special characters (e.g., instead of using quotation marks for titles of works, put them in italics), using only one space at the end of sentences, and limiting the use of tabs.
- Hit “Save” and log off if you plan to leave the Applicant Portal with work in progress. Your session will deactivate after a period of time and you could lose content.
- View the [Grant Application Form Tutorial](#) to assist you in completing the online form.

## Fill out the Grant Application Form

You will submit a substantial part of your application through the GAF in the Applicant Portal, including:

- Answers to narrative questions about your organization and project.
- Financial information about your organization and project.
- Bios of key individuals.
- Work samples and files.

## Grants for Arts Projects Guidelines: Artist Communities FY21 Part 2: Submit Materials to the Applicant Portal

The Applicant Portal platform has seven tabs, some of which have sub-tabs:

- Tab 1: View Application Data
- Tab 2: Organizational Information
- Tab 3: Arts Programmatic History
- Tab 4: Project Information
- Tab 5: Project Budget
- Tab 6: Items to Upload
- Tab 7: Organization & Project Data

For your application to be considered complete, you **MUST** include every required item in your application. Required items are denoted with a red \* in the GAF.

**When filling out the Grant Application, you must adhere to the character count limit in each section. Do not include hyperlinks. They will not be reviewed, unless provided as part of your work sample upload.**

### Tab 1: View Application Data

This section is the first screen you will see when you open the GAF. It cannot be edited; it is autopopulated with information you entered for Part 1 on the Application for Federal Domestic Assistance/Short Organizational Form that was submitted to Grants.gov. If you find any incorrect information on this page, contact the staff.

### Tab 2: Organization Info

#### Subtab 1: Organization Information

You will be asked to provide the following information in this section:

**Legal/IRS Name** (should match Application for Federal Domestic Assistance/Short Organizational Form)

**Popular Name** (if different)

**For this application, are you serving as the Parent of an Independent Component** (before choosing, see the definition of official Independent Component status: Y/N)

**Mission of Your Organization** (500 Character Limit, including spaces)

**Summary of the background/history of your organization** (2,000 Character Limit, including spaces)

**Grants for Arts Projects Guidelines: Artist Communities  
FY21 Part 2: Submit Materials to the Applicant Portal**

[Subtab 2: Organization Budget](#)

**Budget Form:** You must complete this section using figures from the most recently completed fiscal year, the previous fiscal year, and the fiscal year prior to that.

Sample View:

	Most Recently Completed FY	Previous FY	Two FYs Prior
FY End Date (MM/DD/YYYY)	1/1/2017		
<b>INCOME:</b>			
Earned	\$0	\$0	\$0
Contributed	\$0	\$0	\$0
<b>Total Income</b>	0	0	\$0
<b>EXPENSES:</b>			
Artistic Salaries	\$0	\$0	\$0
Production / Exhibition / Service Expenses	\$0	\$0	\$0
Administrative Expenses	\$0	\$0	\$0
<b>Total Expenses</b>	0	0	\$0
<b>OPERATING SURPLUS / DEFICIT (single year)</b>	\$0	\$0	\$0

When completing this form you'll use the line items below for each fiscal year. Unaudited figures are acceptable. Figures that amount to \$0 are acceptable in cases where organizations do not have a budget line for that particular figure. Because budget information will vary according each organization, each field is not required. However, it is mandatory to provide budget information in some of these fields.

**Income**

- **Earned:** Revenues that are received through the sale of goods, services performed, or from investments. Examples: ticket sales, subscription revenue, contractual fees, interest income.

**Grants for Arts Projects Guidelines: Artist Communities**  
**FY21 Part 2: Submit Materials to the Applicant Portal**

- **Contributed:** Gifts that are received which are available to support operations. Examples: annual fund donations, grants for general operating or project support, in-kind contributions.

**Expenses**

- **Artistic Salaries:** Costs that are directly related to the creation, production, and presentation of artistic work. Examples: fees for dancers, choreographers, actors, curators, artistic directors, contributors to literary publications. Include arts personnel that are on your staff as well as those that are paid on a contract or fee basis.
- **Production/exhibition/service expenses:** All program or service delivery costs, excluding artistic salaries and fees that are listed above. Examples: research expenditures; presentation costs; costs of sets, costumes, and lighting; publication costs of catalogues or literary magazines.
- **Administrative expenses:** All other costs that are incurred during the normal course of business. Examples: outside professional non-artistic services, space rental, travel, marketing, administrative salaries, utilities, insurance, postage.

**NOTE:** The figures are subject to verification by the National Endowment for the Arts.

If you are a parent organization, provide this information for the independent component on whose behalf you are applying.

If your organization is a smaller entity that exists within a larger organization (such as an academic department or a literary organization housed at a college or university), submit information for the smaller entity.

**This is intended to show your organization's fiscal activity as it relates to operations.** Do not include activity related to a capital campaign (such as raising money for a new facility, an endowment fund, or a cash reserve fund). You will be given an opportunity to explain and discuss the fiscal health of your organization, including identifying the source of the activities, as needed. We may request additional information to clarify an organization's financial position.

**Fiscal Health:** Discuss the fiscal health of your organization. In addition, you must explain: 1) any changes of 15% or more in either your income or expenses from one year to the next, and 2) plans for reducing any deficit (include the factors that contributed to the deficit and its amount). For independent components, you may use the space to discuss the fiscal health of your organization and to explain the relationship that the independent component has with the larger entity (e.g., "museum guards and utilities paid for by university"). (1,000 Character Limit, including spaces)

**Grants for Arts Projects Guidelines: Artist Communities**  
**FY21 Part 2: Submit Materials to the Applicant Portal**

### Tab 3: Arts Programmatic History

Submit a representative list of your programmatic history for the past three years/seasons prior to the application deadline (e.g., 2017 or 2017-18; 2018 or 2018-19; 2019 or 2019-20). Arts programming must have commenced no later than February 2017 if you are applying to the February 2020 deadline.

This list should demonstrate eligibility (i.e., your organization's three-year history of arts programming) and the artistic excellence and merit of your organization. For the purpose of defining eligibility, "three-year history" refers to when an organization began its programming and not when it incorporated or received nonprofit, tax-exempt status. Where available, include arts or cultural programming that has a relationship to the project for which you are requesting support (e.g., show examples of previous festival programming if your project is for a festival). For projects that involve touring, list your organization's touring activities for the past three years/seasons.

For each representative example, where appropriate, include:

- Year
- Title/Work/Program
- Key Artists/Personnel
- # of Classes, Performances, Exhibitions, Residencies, etc.
- # of Participants or Audience. If any programming would be listed in more than one year, you may provide consolidated participant/audience numbers with the listing for the first year.
- Touring Info, If Applicable

Providing information in bulleted or list form is acceptable. **Do not submit this information as a separate work sample.** (1,000 character Limit, including spaces is available for each year/season.)

### Tab 4: Project Info

#### Subtab 1: Project Activity

**NEA Discipline for Proposed Project:** This selection will determine which panel of experts will review your proposal. You should select the discipline that most closely aligns with your project, not necessarily with your organization as a whole. In limited cases, staff may transfer an application to a discipline other than the one that was selected by the applicant to ensure appropriate panel review. However, we cannot guarantee that an application will be

## Grants for Arts Projects Guidelines: Artist Communities FY21 Part 2: Submit Materials to the Applicant Portal

transferred in all cases where this might be desirable. [Contact us](#) if you have any questions about which discipline is most appropriate for your project. Each discipline has different instructions. Be sure to download the instructions according to the discipline that best suits your project.

Choose: **Artist Communities**

**Project Title:** Provide a brief descriptive title for your proposed arts project. For example: To support an exhibition of the works of Georgia O'Keeffe. (200 Character Limit, including spaces)

**Project Summary:** In two or three sentences, clearly describe the specific arts project you would like us to support, and state why the project is important. Include, as applicable, the target population that will be served, and where the project will take place during the period of performance. (750 Character Limit, including spaces)

**Project Description:** We fund arts projects, and make grants only for specific, definable activities. Describe the proposed arts project you would like us to support. Be as specific as possible about the activities that will take place during the period of performance, and provide information on specific artists, productions, venues, etc. If applicable, identify any works of art that will be central to the project and the reason for their selection. Where relevant, include information on any additional public components such as educational or outreach activities associated with the project. For project components involving content creation, provide details about the content, themes, and processes to develop the created works. **Do not describe unrelated organizational programming.** The information that you provide will be evaluated against the "**Review Criteria**" by panelists, so make sure your narrative addresses the "Review Criteria." (3,000 Character Limit, including spaces)

### [Subtab 2: Project Partners & Key Individuals](#)

Use this section to provide information about key organizational partners and individuals involved in the project.

**Selection of Key Organizational Partners:** If your project involves organizational partners, describe the process and criteria for the selection of key organizations. Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the selection procedures that you plan to follow and the qualifications that you seek. An organizational partner is an outside entity that will provide resources (other than money) to support the project. Because all projects require matching resources from non-federal sources, organizations that only provide money are not considered partners. Funders are not excluded from being partners, but they must also supply human resources or information capital, or actively participate in another way. Organizational partners are not required. (1,000 Character Limit, including spaces)

**Grants for Arts Projects Guidelines: Artist Communities**  
**FY21 Part 2: Submit Materials to the Applicant Portal**

**Selection of Key Individuals:** Briefly describe the process and criteria for the selection of key individuals who will be involved in this project (e.g. primary artist(s), project director, artistic director, executive director, teaching artist, curator, editor, folklorist, conductor). Where relevant, name the key individuals and describe their involvement in the development of the project to date. If you are applying for a project for which the key individuals are not yet identified, describe the process for selecting them, i.e., open submissions, reading committee, selection by the artistic director, etc., and the qualifications that you seek. (1,000 Character Limit, including spaces)

**Information About Key Organizational Partners & Individuals**

You may include any combination of up to 10 partners and/or individuals. Provide the following information for each one:

- **Organization or Individual's Name** (this includes artistic group names or single names)
- **Proposed or committed?** Select answer from drop-down.
- **Description of the Organization or Bio of Individual** (1,000 Character Limit per partner or bio, including spaces)

For organizations, provide a brief description of the organization and include the role of the organization in the project.

For individuals, provide a brief biography of the individual and include the role of the individual in the project and professional title, if applicable.

[Subtab 3: Other Details](#)

**Proposed Project Start Date/End Date:** Enter the beginning and ending dates for your requested period of performance, i.e., the span of time necessary to plan, execute, and close out your proposed project. The start date should be the first day of the month, and the end date should be the last day of the month. Our support of a project may start on or after **January 1, 2021**. Generally, a period of performance of up to two years is allowed. **The two-year period is intended to allow an applicant sufficient time to plan, execute, and close out its project, not to repeat a one-year project for a second year.** Your budget should include only the activities and costs incurred during the requested period of performance. The dates you enter here will be used in the review of your application.

**Project Start Date:** (MM-DD-YYYY)

**Project End Date:** (MM-DD-YYYY)

**Schedule of Key Project Dates:** Describe the significant dates in the project. If you include activities that occur before the earliest allowable start date (January 1, 2021), indicate by

adding an asterisk (\*) and make sure that those activities and costs are not included on the Project Budget form. (1,500 Character Limit, including spaces)

**Performance Measurement:** How do you define and how will you measure success from your project? Describe any plans you have for program evaluation, for working collaboratively with researchers, strategic consultants, program evaluators, and/or any other plans for performance measurement related to the project. Include plans for documenting and disseminating the project results, as appropriate. (1,000 Character Limit, including spaces)

See "[Program Evaluation Resources](#)" for additional information.

**Intended Audience/Participants/Community:** Who will benefit from the project and how will they be engaged? Describe the intended audience, participants, and community served, as well as plans to reach these beneficiaries. Where appropriate, describe how this project will engage or impact any underserved populations. As applicable, include information on promotional or publicity plans related to the project activities. (2,000 Character Limit, including spaces)

**Discipline-Specific Items:**

These are one-size-fits-all text fields across the Grants for Arts Projects category. While each text box allows for up to 6,000 characters, we ask that each statement be no more than 3,000 characters.

**Vision Statement:**

- **Recommended for all projects**, a statement that discussing the reasons for the project's selection and its relationship to the artistic vision of the organization. Include the name and title of the person who authored it. (3,000 Character Limit, including spaces)

Do not submit the following, as they will be deleted by staff:

- General statements of support.
- A PDF version of the Vision Statement.
- Other types of unsolicited statements or information in these fields.

## Tab 5: Project Budget

Tell us how you plan to spend both the requested Arts Endowment funds, as well as your cost share/matching funds. All items in your budget, whether supported by Arts Endowment funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, allowable in terms of the Arts Endowment's [General Terms and Conditions](#), and adequately documented. Your "Total project income" must equal the "Total project costs/expenses."

## **Grants for Arts Projects Guidelines: Artist Communities FY21 Part 2: Submit Materials to the Applicant Portal**

Your **Project Budget** should reflect only those activities and associated costs that will be incurred during the "Period of Performance," i.e., the span of time necessary to plan, execute, and close out your proposed project. Any costs incurred before or after those dates will be removed. REMINDER: The earliest allowable project start date is January 1, 2021.

Applicants whose projects are recommended for grants will be asked to update the project budget.

**NOTE:** Organizations cannot receive more than one National Endowment for the Arts grant for the same expenses. This budget cannot include project costs that are supported by any other federal funds or their cost share/match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

**Amount Requested from the NEA:** Grants will generally range from \$10,000 to \$100,000. Do not request an amount below \$10,000. **Any requests below \$10,000 will be deemed ineligible and will not be reviewed.** Be realistic in your request.

### [Subtab 1: Project Expenses](#)

**DIRECT COSTS** are those that are identified specifically with the project during the period of performance, and are allowable. Be as specific as possible. Review [What We Fund/We Do Not Fund](#) to ensure your Project Budget does not include unallowable costs.

**DIRECT COSTS: Salaries and wages** cover compensation for personnel, administrative and artistic, who are paid on a salary basis. (Funds for contractual personnel and compensation for artists who are paid on a fee basis should be included in "DIRECT Costs: Other" on the Project Budget form, and not here.) Indicate the title and/or type of personnel (40 characters maximum), the number of personnel (30 characters maximum), the annual or average salary range (40 characters maximum), and the percentage of time that will be devoted to the project annually (30 characters maximum). List key staff positions, and combine similar functions. Where appropriate, use ranges. If the costs for evaluation and assessment are part of staff salary and/or time, separately identify those costs.

Salaries and wages for performers and related or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See "[Legal Requirements](#)" for details.)

NOTE: Salaries/wages/fringe benefits incurred in connection with fundraising specifically for the project are allowed. These costs must be incurred during the National Endowment for the Arts project period of performance, and be approved as allowable project expenses by the agency.

**DIRECT COSTS: Travel** must be estimated according to the applicant's established travel practice, providing that the travel cost is reasonable and does not exceed the cost of air coach accommodations. Limit your descriptions to these character maximums: # of Travelers = 20 characters; From = 50 characters; To = 50 characters. Include subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as appropriate. Foreign travel, if any is intended, must be specified by country of origin or destination and relate to activity outlined in your narrative. Foreign travel also must conform with government regulations, including those of the [U.S. Treasury Department Office of Foreign Asset Control](#). If National Endowment for the Arts funds are used for foreign travel, such travel must be booked on a U.S. air-carrier when this service is available. List artist compensation here if artists are paid on a fee basis. This includes fees for engaging artists for the creation of new work. List the fees paid to each artist separately where possible. For procurement requirements related to contracts and consultants, review [2 CFR Part 200.317-.326](#). Limit your descriptions to 100 characters maximum.

Television broadcast projects and educational/interpretive videos must be closed or open captioned. Applicants should check with captioning organizations for an estimate.

Clearly identify the rental of equipment versus the purchase of equipment. If you intend to purchase any equipment that costs \$5,000 or more per item and that has an estimated useful life of more than one year, you must identify that item here. Provide a justification for this expenditure either in this section of the Project Budget form or in your narrative. Digital computers, mobile devices, or other new technologies are considered supplies if less than \$5,000 per item regardless of the length of useful life.

If you engage in contracts of more than \$15,000, identify the item or service and its relation to the project.

Group similar items together on a single line, with only one total cost. List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter them throughout the list. Specify the number of persons, the service being provided, and the applicable fee, rate, or amount of each. For other types of line items, provide details of what is included in each item.

still necessary to the operation of the organization, the performance of its activities, and the execution of its projects. Examples of Indirect Costs include the expenses associated with operating and maintaining facilities and equipment, rent, utilities, supplies, and administrative salaries.

To include indirect costs in a project budget, an applicant may choose to do **ONE** of the following (for help in determining which option to choose, see the Indirect Cost Guide for Arts Endowment Grantees):

- Include a reasonable figure for “Overhead and Administrative Costs” as a line item under the “Direct Costs: Other” section, and leave the “Indirect Costs (if applicable)” section blank.
- Use a *de minimis* rate of up to 10% (.10) of Modified Total Direct Costs, and enter this figure in the “Indirect Costs (if applicable)” section. The 10% *de minimis* indirect cost rate is a federally-recognized rate that non-federal entities may use to recover allowable indirect costs on grants or cooperative agreements. Modified Total Direct Costs include salaries and wages, fringe benefits, materials and supplies, services, and travel. Modified Total Direct Costs excludes equipment, capital expenditures, rental costs, scholarships and fellowships, among others. Additional information on calculating Modified Total Direct Costs can be found at [2 CFR Part 200.414.f](#).
- Use a negotiated Indirect Cost Rate Agreement (ICRA). In this case, Indirect Costs are prorated or charged to a project through a rate negotiated with the National Endowment for the Arts or another federal agency. You are not required to have an Indirect Cost Rate Agreement to apply for or to receive a grant. In fact, only a small number of applicants and grantees to the Arts Endowment have or choose to use an ICRA. This option most commonly applies to colleges and universities. If you have an ICRA and would like to include Indirect Costs in your project budget, complete the information requested in the “Indirect Costs (if applicable)” section accordingly. When entering the name of the federal agency with which the ICRA has been negotiated, limit your description to 50 characters. Enter the percentage of the ICRA as decimals. Note that applicants may only use a Research Indirect Cost Rate Agreement for applications to the Arts Endowment’s Office of Research and Analysis.

**AMOUNT REQUESTED FROM THE NEA:** Grants will generally range from \$10,000 to \$100,000. Do not request an amount below \$10,000. Any requests below \$10,000 will be deemed ineligible and will not be reviewed. Be realistic in your request.

**TOTAL COST SHARE/MATCH FOR THIS PROJECT:** Because the National Endowment for the Arts cannot support more than 50% of a project's costs, we require each applicant to obtain at least half the total cost of each project from nonfederal sources. For example, if you receive a \$10,000 grant, your total project costs must be at least \$20,000 and you must provide at least \$10,000 toward the project from nonfederal sources. These cost share/matching funds may be all cash or a combination of cash and in-kind contributions as detailed below. Be as specific as possible. If a portion of the cost share/match is being contributed by an entity other than your organization, indicate this on the form. Asterisk (\*) those funds that are committed or secured.

**Applicant CASH** cost share/match refers to the cash contributions, grants, and revenues that are expected or received for this project. Identify sources. Limit your descriptions to 100 characters maximum. Do not include any National Endowment for the Arts or other federal grants -- including grants from the National Endowment for the Humanities, U.S. Department of Education, the National Park Service, etc. -- that are anticipated or received. If you include grants from your state arts agency, regional arts organization, or local arts agency as part of your cost share/match, check with your state arts agency, regional arts organization, or local arts agency to make sure your grants don't include federal funds

You may use unrecovered indirect costs as part of the cash cost share/match. Unrecovered indirect costs generally are used only by large organizations such as colleges and universities. Your organization must have a current federally-negotiated indirect cost rate agreement to include unrecovered indirect costs.

**Third-Party IN-KIND Contributions: Donated space, supplies, volunteer services** are goods and services that are donated by individuals or organizations other than the applicant (third-party). Limit your descriptions to 100 characters maximum. To qualify as cost share/matching

resources, these same items also must be identified as direct costs in the project budget to ensure their allowability. In-kind items not reflected as direct costs will be removed from your budget. The dollar value of these non-cash donations should be calculated at their verifiable fair-market value. Identify sources. Reminder: Proper documentation must be maintained for all items noted as "in-kind."

## Tab 6: Items to Upload

Upload your work samples here. Do not upload discipline-specific requirements in PDF format here (for the instructions on how to submit these, see “Discipline-Specific Items” in the section for Tab 4: Project Info/ Subtab 3: Other Details).

### Preparation

Work samples are a critical part of your application and are considered carefully during application review. Submit items in the format and within the space limitations described below. Only upload materials that we request. Other items that you include will not be reviewed.

Each work sample file has to be individually downloaded and opened by panelists. For this reason, we strongly recommend that you group similar types of work samples together in PDF format wherever possible. Full details are below.

### Work Samples

Work samples should demonstrate the artistic excellence and artistic merit of your project, the artists proposed, as well as your organization as a whole. For services to the field, the work samples should demonstrate the quality of the services being provided. Your work samples should be recent, concise, of high quality and as relevant to the project as possible.

Video work samples are strongly recommended.

Since review time is limited, be selective in what you choose to submit. Too many work samples can be counterproductive. Limit your selections to a few substantive, relevant work samples.

For example, if you are proposing:

- **An artist community or production residency project**, submit: 1) a sample of selected artists' recent work; 2) documentation of the facilities they will use including visuals of the setting, lodging, and rehearsal spaces; and 3) if the artists are not yet selected, submit samples of work by artists who recently have been in residence.
- **To create, complete, perform, or present a work**, submit a sample that best illustrates the artistry, quality of artists' work, and type of activity that will be involved in your proposed project (e.g., music, video, digital images, literary samples).

**Information About Uploaded Files**

There can be a slight delay between the upload of your work samples and seeing them in the Applicant Portal. This is particularly true for videos. For videos, the usual upload time runs five to ten minutes. However, close to the deadline, this time may extend to as much as an hour. Videos are placed in a queue to be converted for upload, and the more people uploading, the longer the queue. Do not immediately assume that your upload failed; wait and try accessing the material again.

Your file names must not:

- Exceed 100 characters.
- Begin with a space, period, hyphen, or underline.
- Contain these characters: #%&{}\<>?\*?/\$!'"':+`=|"@.

For each item that you upload, you will find a descriptive field into which you will enter the following information, as appropriate:
