Log on to the Applicant Portal at: <https://applicantportal.arts.gov>

- **User Name = Grants.gov Tracking Number (Example: "GRANT12345678")**
 - Your Grants.gov tracking number is assigned to you by Grants.gov at the time you submit Part 1 your application.
 - A confirmation screen will appear in Grants.gov once your submission is complete.
 - Your Grants.gov tracking number will be provided at the bottom of the screen.
- **Password = Agency Tracking Number/NEA Application Number (Example: "1234567")**
 - The National Endowment for the Arts assigns the number to your application 1-2 business days after you submit Part 1 of your application.
 - Log on to Grants.gov with your Grants.gov Username and Password.
 - Under Grant Applications, select Check Application Status.

**Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal**

- Once in the Check Application Status feature, look for your Grants.gov Tracking Number and select Details under the Actions column.
- You'll be taken to the Submission Details screen to find your Agency Tracking#/NEA Application Number.
- NOTE: Check Application Status is a separate feature from Track My Application at Grants.gov.

The User Name and Password can only be used by one person at a time in the Applicant Portal. If multiple people use the User Name and Password at the same time to work on an application, data will be lost.

Technical notes for using the Applicant Portal:

- The Applicant Portal is best viewed in the following browsers: Chrome 58+, Firefox 54+, Internet Explorer 11+, or Microsoft Edge 44+. You should only open the Applicant Portal in one browser at a time to enter information. Cookies and JavaScript may need to be enabled for you to successfully view the site. You might also need to disable AdBlocker and/or similar software.
- Most problems can be solved by changing your browser. In Internet Explorer, you may need to do the following:
 - Press the Alt key.
 - Select Tools from the menu bar.
 - Select Compatibility View Setting.
 - Type in "arts.gov" and uncheck all check marks and close.
- Be sure to first copy and paste any text into Notepad (if you're using a PC) or TextEdit (if you're using a Mac) before copying it into the Applicant Portal. This will strip away any HTML coding that may add unwanted additional characters to text (however, any formatting you had will be deleted). These additional characters can be added due to some special characters such as ampersands, quotation marks, apostrophes, and angle brackets.
- Limit character counts by using a solution other than special characters (e.g., instead of using quotation marks for titles of works, put them in italics), using only one space at the end of sentences, and limiting the use of tabs.
- Hit "Save" and log off if you plan to leave the Applicant Portal with work in progress. Your session will deactivate after a period of time and you could lose content.
- Hit "Print" in the Applicant Portal to print a copy of your application at any time, whether in draft or final form, for your records.
- View the [Grant Application Form Tutorial](#) to assist you in completing the online form.

Fill out the Grant Application Form

You will submit a substantial part of your application through the GAF in the Applicant Portal, including:

Grants for Arts Projects Guidelines: Literary Arts FY22 Part 2: Submit Materials to the Applicant Portal

- Answers to narrative questions about your organization and project.
- Financial information about your organization and project.
- Bios of key individuals.
- Work samples and files.

The Applicant Portal platform has eight tabs, some of which have sub-tabs:

- Tab 1: View Application Data
- Tab 2: Organizational Information
- Tab 3: Arts Programmatic History
- Tab 4: Project Details
- Tab 5: Additional Items
- Tab 6: Project Budget
- Tab 7: Items to Upload
- Tab 8: Organization & Project Data

To submit your application, you must provide a response to every question denoted with a red *.

When filling out the Grant Application, you must adhere to the character count limit in each section. Do not include hyperlinks. They will not be reviewed, unless provided as part of your work sample upload or additional items.

Tab 1: View Application Data

This section is the first screen you will see when you open the GAF. It cannot be edited; it is autopopulated with information you entered for Part 1 on the Application for Federal Domestic Assistance/Short Organizational Form that was submitted to Grants.gov. If you find any incorrect information on this page, contact the staff.

Tab 2: Organization Info

Subtab 1: Organization Information

You will be asked to provide the following information in this section:

Legal/IRS Name (should match Application for Federal Domestic Assistance/Short Organizational Form)

Popular Name (if different)

**Grants for Arts Projects Guidelines: Literary Arts

When completing this form you'll use the line items below for each fiscal year. Unaudited figures are acceptable. Figures that amount to \$0 are acceptable in cases where organizations do not have a budget line for that particular figure. Because budget information will vary according to each organization, each field is not required. However, you should provide budget information in some of these fields.

Income

- **Earned:** Revenues that are received through the sale of goods, services performed, or from investments. Examples: ticket sales, subscription revenue, contractual fees, interest income.
- **Contributed:** Gifts that are received which are available to support operations. Examples: annual fund donations, grants for general operating or project support, in-kind contributions.

Expenses

- **Artistic Salaries:** Costs that are directly related to the creation, production, and presentation of artistic work. Include arts personnel that are on your staff as well as those that are paid on a contract or fee basis. Examples: payments to writers, editors, translators, and contributors to literary publications.
- **Production/exhibition/service expenses:** All program or service delivery costs, excluding artistic salaries and fees that are listed above. Examples: presentation costs; publication costs of catalogues or literary magazines; costs of access accommodations.
- **Administrative expenses:** All other costs that are incurred during the normal course of business. Examples: outside professional non-artistic services, space rental, travel, marketing, administrative salaries, utilities, insurance, postage.

NOTE: The figures are subject to verification by the National Endowment for the Arts.

If you are a parent organization, provide this information for the independent component on whose behalf you are applying.

If your organization is a smaller entity that exists within a larger organization (such as an academic department, a literary organization housed at a college or university, or an office, facility, or department of local government), submit information for the smaller entity.

This is intended to show your organization's fiscal activity as it relates to operations. Do not include activity related to a capital campaign (such as raising money for a new facility, an endowment fund, or a cash reserve fund). You will be given an opportunity to explain and discuss the fiscal health of your organization, including identifying the source of the activities, as needed. We may request additional information to clarify an organization's financial position.

Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal

Fiscal Health: Discuss the fiscal health of your organization. You may use this space to discuss how the COVID-19 pandemic may have affected your organization's budget. In addition, you must explain: 1) any changes of 15% or more in either your income or expenses from one year to the next, and 2) plans for reducing any deficit (include the factors that contributed to the deficit and its amount). For independent components, you may use the space to discuss the fiscal health of your organization and to explain the relationship that the independent component has with the larger entity (e.g., "museum guards and utilities paid for by university"). (1,000 character limit, including spaces)

Tab 3: Arts Programmatic History

Submit a representative list of your programmatic history (or publishing history, if you are a publisher) for three recent years/seasons prior to the application deadline.

This list should demonstrate eligibility (i.e., your organization's three-year history of arts programming) and the artistic excellence and merit of your organization. For the purpose of defining eligibility, "three-year history" refers to when an organization began its programming and not when it incorporated or received nonprofit, tax-exempt status. Where available, include arts or cultural programming that has a relationship to the project for which you are requesting support (e.g., show examples of previous festival programming if your project is for a festival; provide a list of relevant publications if your project is primarily publishing focused). For projects that involve touring, list your organization's touring activities for the past three years/seasons.

NOTE FOR 2020 ARTS PROGRAMMING: If your arts programming was affected or suspended due to COVID-19, you may list 2020 arts programming that was cancelled or reimaged due to the pandemic. Virtual programming, planning, and COVID-19 recovery activities are considered to be arts programming. You may also choose to list arts programming from a recent year other than 2020.

For each representative example, include if applicable:

- Date
- Title of the Work, Event, or Program
- Key Artists/Personnel
- # of Classes, Performances, Exhibitions, Residencies, etc.
- # of Participants or Audience (if listing publications, no attendance figures are required; instead provide other evidence of your publications' reach, e.g., units sold or net sales). If any programming would be listed in more than one year, you may provide consolidated participant/audience numbers with the listing for the first year.
- Touring Info

Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal

Providing information in bulleted or list form is acceptable. **Do not submit this information as a separate work sample.** (1,000 character limit, including spaces is available for each year/season.)

Tab 4: Project Details

Subtab 1: Project Activity

NEA Discipline for Proposed Project: This selection will determine which panel of experts will review your proposal. You should select the discipline that most closely aligns with your project, not necessarily with your organization as a whole. In limited cases, staff may transfer an application to a discipline other than the one that was selected by the applicant to ensure appropriate panel review. However, we cannot guarantee that an application will be transferred in all cases where this might be desirable. [Contact us](#) if you have any questions about which discipline is most appropriate for your project. Each discipline has different instructions. Be sure to download the instructions according to the discipline that best suits your project.

Choose: **Literary Arts**

Project Title: Provide a brief descriptive title for your proposed arts project. For example: To support the ABC Project. (200 character limit, including spaces)

Project Summary: In two or three sentences, clearly describe the specific arts project you would like us to support, and state why the project is important. Include, as applicable, the target population that will be served, and where the project will take place during the period of performance. (750 character limit, including spaces)

Project Description: We fund arts projects, and make grants only for specific, definable activities. Describe the proposed arts project you would like us to support. Be as specific as possible about the activities that will take place during the period of performance, and provide information on specific artists, productions, venues, etc. If applicable, identify any works of art that will be central to the project and the reason for their selection. Where relevant, include information on any additional public components such as educational or community engagement activities associated with the project. For project components involving content creation, provide details about the content, themes, and processes to develop the created works. **Do not describe unrelated organizational programming.** The information that you provide will be evaluated against the "**Review Criteria**" by panelists, so make sure your narrative addresses the review criteria. (3,000 character limit, including spaces)

For more information about what may be included in a project, see [We Fund/Do Not Fund](#).

**Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal**

[Subtab 2: Project Partners & Key Individuals](#)

Use this section to provide information about key organizational partners and individuals involved in the project.

Selection of Key Organizational Partners: If your project involves proposed or committed organizational partners, describe the process and criteria for their selection. Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the selection procedures that you plan to follow and the qualifications that you seek. An organizational partner is an outside entity that will provide resources (other than money) to support the project. Because all projects require matching resources from non-federal sources, organizations that only provide money are not considered partners. Funders are not excluded from being partners, but they must also supply human resources or information capital, or actively participate in another way. Organizational partners are not required. (1,000 character limit, including spaces)

Selection of Key Individuals: Briefly describe the process and criteria for the selection of key individuals who will be involved in this project (e.g. primary artist(s), project director, artistic director, executive director, teaching artist, curator, editor, folklorist, conductor). Where relevant, name the key individuals and describe their involvement in the development of the project. If you are applying for a project for which the key individuals are not yet identified, describe the process for selecting them, i.e., open submissions, reading committee, selection by the artistic director, etc., and the qualifications that you seek. (1,000 character limit, including spaces)

Information About Key Organizational Partners & Individuals

You may include any combination of up to 10 partners and/or individuals. Provide the following information for each one:

- **Organization or Individual's Name** (this includes artistic group names or single names)
- **Proposed or committed?** Select answer from drop-down.
- **Description of the Organization or Bio of Individual** (1,000 character limit per partner or bio, including spaces)

For organizations, provide a brief description of the organization and include the role of the organization in the project.

For individuals, provide a brief biography of the individual and include the role of the individual in the project and professional title, if applicable.

Reminder: Do not add hyperlinks. They will not be reviewed.

[Subtab 3: Additional Project Details](#)

Proposed Project Start Date/End Date: Enter the beginning and ending dates for your requested period of performance, i.e., the span of time necessary to plan, execute, and close out your proposed project. The start date should be the first day of the month, and the end date should be the last day of the month. The period of performance may begin on or after: 1) For applicants at the February 11 deadline, **January 1, 2022**; or 2) For applicants at the July 8 deadline, **June 1, 2022**. Generally, a period of performance of up to two years is allowed. **The two-year period is intended to allow an applicant sufficient time to plan, execute, and close out its project, not to repeat a one-year project for a second year.** Your budget should include only the activities and costs incurred during the requested period of performance. The dates you enter here will be used in the review of your application.

Project Start Date: (MM-DD-YYYY)

Project End Date: (MM-DD-YYYY)

Schedule of Key Project Dates: Describe the significant dates in the project. If, for context, you describe activities that occur before the earliest allowable start date (January 1, 2022, if you apply at the February 11, 2021, deadline or June 1, 2022, if you apply at the July 8, 2021, deadline), indicate by adding an asterisk (*) and make sure that those activities and costs are not included on the Project Budget form. (1,500 character limit, including spaces)

Performance Measurement and Program Evaluation: How do you define and how will you measure success from your project? Describe any plans you have for working collaboratively with researchers, strategic consultants, program evaluators, and/or any other plans for performance measurement related to the project. Include plans for documenting and disseminating the project results, as appropriate. (1,000 character limit, including spaces)

If you are recommended for a grant and your project includes program evaluation and/or research activities that involve directly collecting information from program participants, the National Endowment for the Arts may conduct a review of your project to ensure that it is in compliance with our general guidance regarding the responsible conduct of research. See here: [“Responsible Conduct of Performance Measurement, Program Evaluation, and Research”](#)

Intended Audience/Participants/Community/Marketing: Who will benefit from the project and how will they be engaged? Describe the intended audience, participants, and community served, as well as your promotional or publicity plans. Be as specific as possible when describing the communities you plan to engage, and clearly explain how you plan to reach these communities. Where appropriate, describe how this project will engage or impact any participants from underserved communities and include demographics. (2,000 character limit, including spaces)

**Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal**

Tab 5: Additional Items

Submit the items specified below that are relevant to your particular project. Use only as much space as is needed to respond to the items requested. If necessary, combine items in a single field and label the items clearly. Enter N/A in any fields you do not use. (3 text fields at 6,000 character limit each, including spaces)

For all projects:

- Provide links for up to **three** relevant project/organization web pages (do not provide more than three).
- Provide up to **five** additional bios of key individuals (as needed). Include: first name; last name; whether the individual is proposed or committed to the project; and a current biography, including the proposed role in the project.

For projects that have a publishing component:

- **Magazines:**
 - Briefly outline your payment to writers policy; print runs; and circulation figures, detailing paid and unpaid subscriptions, single-copy sales, and sell-through figures.
 - Provide the name of your distributor or briefly describe your distribution plan, if applicable.
- **Presses:**
 - For each proposed work, list author payments, print runs, and expected sales (units sold).
 - If your project involves publishing an anthology, provide a sample table of contents.
 - Provide the name of your distributor or briefly describe your distribution plan, if applicable.

For Audience and Professional Development projects submitted under the July deadline:

- Briefly outline your payment to writers policy (e.g., what compensation do you offer writers/artists who contribute to your programs?)

Tab 6: Project Budget

Tell us how you plan to spend both the requested Arts Endowment funds, as well as your cost share/matching funds. Your budget should align with the activities you proposed. All items in your budget, whether supported by Arts Endowment funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, allowable in terms of the Arts

Grants for Arts Projects Guidelines: Literary Arts

Endowment's General Terms and Conditions, and adequately documented. Your "Total project income" must equal the "Total project costs/expenses."

Your **Project Budget** should reflect only those activities and associated costs that will be incurred during the "Period of Performance," i.e., the span of time necessary to plan, execute, and close out your proposed project. Any costs incurred before or after those dates will be removed. REMINDER: The earliest allowable project start date is January 1, 2022, if you apply at the February 11 deadline, or June 1, 2022, if you apply at the July 8 deadline.

Applicants whose projects are recommended for grants will be asked to update the project budget.

NOTE: Organizations cannot receive more than one National Endowment for the Arts grant for the same expenses. This budget cannot include project costs that are supported by any other federal funds or their cost share/match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

Amount Requested from the NEA: Request an amount from \$10,000 to \$100,000.

[Subtab 1: Project Expenses](#)

DIRECT COSTS are those that are identified specifically with the project during the period of performance, and are allowable. Be as specific as possible. Review [We Fund/Do Not Fund](#) to ensure your Project Budget does not include unallowable costs. **Projects with less than \$20,000 in costs (i.e., not showing the minimum National Endowment for the Arts requested amount of \$10,000 and the required organization 1:1 cost share/match of \$10,000) will be deemed ineligible and will not be reviewed.**

DIRECT COSTS: Salaries and wages cover compensation for personnel, administrative and artistic, who are paid on a salary basis. (Funds for contractual personnel and compensation for artists who are paid on a fee basis should be included in "DIRECT COSTS: Other" on the Project Budget form, and not here.) Indicate the title and/or type of personnel (40 characters maximum), the number of personnel (30 characters maximum), the annual or average salary range (40 characters maximum), and the percentage of time that will be devoted to the project annually (30 characters maximum). List key staff positions, and combine similar functions. Where appropriate, use ranges. If the costs for evaluation and assessment are part of staff salary and/or time, separately identify those costs.

Salaries and wages for performers and related or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See "[Legal Requirements](#)" for details.)

**Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal**

NOTE: Salaries/wages/fringe benefits incurred in connection with fundraising specifically for the project are allowed. These costs must be incurred during the National Endowment for the Arts project period of performance, and be approved as allowable project expenses by the agency.

DIRECT COSTS: Travel must be estimated according to the applicant's established travel practice, providing that the travel cost is reasonable and does not exceed the cost of air coach accommodations. Limit your descriptions to these character maximums: # of Travelers = 20 characters; From = 50 characters; To = 50 characters. Include subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as appropriate. Foreign travel, if any is intended, must be specified by country of origin or destination and relate to activity outlined in your narrative. Foreign travel also must conform with government regulations, including those of the U.S. Treasury Department Office of Foreign Asset Control. If National Endowment for the Arts funds are used for foreign travel, such travel must be booked on a U.S. air-carrier when this service is available. List all trips -- both domestic and foreign -- individually.

List artist compensation here if artists are paid on a fee basis. This includes fees for engaging artists for the creation of new work. List the fees paid to each artist separately where possible. For procurement requirements related to contracts and consultants, review 2 CFR Part 200.317-.326. Limit your descriptions to 100 characters maximum.

Television broadcast projects and educational/interpretive videos, films, and virtual streamed events must be closed or open captioned, and radio and podcast programs must be transcribed. Applicants should check with captioning and transcription vendors, as well as vendors for sign language interpretation and audio description, for estimates.

Clearly identify the rental of equipment versus the purchase of equipment. If you intend to purchase any equipment that costs \$5,000 or more per item and that has an estimated useful life of more than one year, you must identify that item here. Provide a justification for this expenditure either in this section of the Project Budget form or in your narrative. Digital computers, mobile devices, or other new technologies are considered supplies if less than \$5,000 per item regardless of the length of useful life.

If you engage in contracts of more than \$15,000, identify the item or service and its relation to the project.

Group similar items together on a single line, with only one total cost. List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter them throughout the list. Specify the number of persons, the service being provided, and the applicable fee, rate,

INDIRECT COSTS

Arts Endowment applicants have the option to include Indirect Costs in their project budgets. The inclusion of Indirect Costs is allowable, but not required.

Indirect Costs are overhead, administrative, or general operating expenses that are not readily identifiable with, or are difficult to assign to, a specific project. Nevertheless, these costs are still necessary to the operation of the organization, the performance of its activities, and the execution of its projects. Examples of Indirect Costs include the expenses associated with operating and maintaining facilities and equipment, rent, utilities, supplies, and administrative salaries.

To include indirect costs in a project budget, an applicant may choose to do **ONE** of the following (for help in determining which option to choose, see the Indirect Cost Guide for Arts Endowment Grantees):

- Include a reasonable figure for “Overhead and Administrative Costs” as a line item under the “Direct Costs: Other” section, and leave the “Indirect Costs (if applicable)” section blank.
- Use a *de minimis* rate of up to 10% (.10) of Modified Total Direct Costs, and enter this figure in the “Indirect Costs (if applicable)” section. The 10% *de minimis* indirect cost rate is a federally-recognized rate that non-federal entities may use to recover allowable indirect costs on grants or cooperative agreements. Modified Total Direct Costs include salaries and wages, fringe benefits, materials and supplies, services, and travel. Modified Total Direct Costs excludes equipment, capital expenditures, rental costs, scholarships and fellowships, among others. Additional information on calculating Modified Total Direct Costs can be found at [2 CFR Part 200.414.f](#).
- Use a negotiated Indirect Cost Rate Agreement (ICRA). In this case, Indirect Costs are prorated or charged to a project through a rate negotiated with the National Endowment for the Arts or another federal agency. You are not required to have an Indirect Cost Rate Agreement to apply for or to receive a grant. In fact, only a small number of applicants and grantees to the Arts Endowment have or choose to use an ICRA. This option most commonly applies to colleges and universities. If you have an ICRA and would like to include Indirect Costs in your project budget, complete the information requested in the “Indirect Costs (if applicable)” section accordingly. When entering the name of the federal agency with which the ICRA has been negotiated, limit your description to 50 characters. Enter the percentage of the ICRA as decimals. Note that applicants may only use a Research Indirect Cost Rate Agreement for applications to the Arts Endowment’s Office of Research and Analysis. Sample View of the *de minimis* rate:

TOTAL COST SHARE/MATCH FOR THIS PROJECT: Because the National Endowment for the Arts cannot support more than 50% of a project's costs, we require each applicant to obtain at least half the total cost of each project from nonfederal sources. For example, if you receive a \$10,000 grant, your total project costs must be at least \$20,000 and you must provide at least \$10,000 toward the project from nonfederal sources. These cost share/matching funds may be all cash or a combination of cash and in-kind contributions as detailed below. Be as specific as possible. If a portion of the cost share/match is being contributed by an entity other than your organization, indicate this on the form. Asterisk (*) those funds that are committed or secured.

Applicant CASH cost share/match refers to the cash contributions, grants, and revenues that are expected or received for this project. Identify sources. Limit your descriptions to 100 characters maximum. Do not include any National Endowment for the Arts or other federal grants -- including grants from the National Endowment for the Humanities, U.S. Department of Education, the National Park Service, etc. -- that are anticipated or received. If you include grants from your state arts agency, regional arts organization, or local arts agency as part of your cost share/match, check with your state arts agency, regional arts organization, or local arts agency to make sure your grants don't include federal funds.

**Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal**

You may use unrecovered indirect costs as part of the cash cost share/match. Unrecovered indirect costs generally are used only by large organizations such as colleges and universities. Your organization must have a current federally-negotiated indirect cost rate agreement to include unrecovered indirect costs.

Third-Party IN-KIND Contributions: Donated space, supplies, volunteer services are goods and services that are donated by individuals or organizations other than the applicant (third-party). Limit your descriptions to 100 characters maximum. To qualify as cost share/matching resources, these same items also must be identified as direct costs in the project budget to ensure their allowability. In-kind items not reflected as direct costs will be removed from your budget. The dollar value of these non-cash donations should be calculated at their verifiable fair-market value. Identify sources. Reminder: Proper documentation must be maintained for all items noted as "in-kind."

Work samples are a critical part of your application and are considered carefully during application review. Submit items in the format and within the space limitations described below. Only upload materials that we request. Other items that you include will not be reviewed.

Work Samples:

Work samples are required for all publishing projects and are strongly recommended for all audience and professional development projects. Specific guidelines for work samples are provided below. When preparing your work samples, keep in mind that these should demonstrate artistic excellence and artistic merit, and enhance the panel's understanding of your application. If you have questions about work samples, contact the [Literary Arts staff](#).

NOTE: The combined storage for all work sample files uploaded to the Applicant Portal is 250 MB. Also, ensure that no individual PDF exceeds a file size of 5 MB.

Information About Uploading Files

There can be a slight delay between the upload of your work samples and seeing them in the Applicant Portal. This is particularly true for videos. For videos, the usual upload time runs five to ten minutes. However, close to the deadline, this time may extend to as much as an hour. Videos are placed in a queue to be converted for upload, and the more people uploading, the longer the queue. **Do not immediately assume that your upload failed; wait and try accessing the material again.**

Your file names must not:

- Exceed 100 characters.
- Begin with a space, period, hyphen, or underline.
- Contain these characters: #%&{\<>?*?/\$!“”:+`=|"@.

For each item that you upload, you will find a descriptive field into which you will enter the following information, as appropriate:

Title box: Title each item with a unique name describing the content (e.g., “excerpts from proposed books,” “images,” “promotional material,” etc.).

Description box (500 character limit, including spaces):

For document/video/audio/digital image/website work samples:

- **For books and manuscripts excerpts:** Titles and authors.
- **For journals:** Volume and issue numbers.
- **For audio or video samples:** A brief description of the sample and its relationship to the project for which you are requesting support.

**Grants for Arts Projects Guidelines: Literary Arts
FY22 Part 2: Submit Materials to the Applicant Portal**

- **For audio and video samples**, length of the sample.

For other work samples, simply state the type of item as you did in the Title box.

Formatting Guidance for Documents (Literary Samples, Publications, Periodicals, Catalogues)

Ensure that you do not exceed the stated page limit on any individual items, or the maximum file size for each PDF (5 MB). Excess pages will not be reviewed by the panel.

Work that exists in published form (e.g., an excerpt from a published journal or book) may be provided in its published layout, provided that it is easily viewed on screen.

For work that has not been published, leave a margin of at least one inch at the top, bottom, and sides of all pages, and use double-spaced text. Use only 8.5 x 11 inch size pages. Do not reduce type below 12 point font size. Within each PDF, number pages sequentially; place numbers on the bottom right hand corner of each page. Do not submit Word, PowerPoint, or Excel documents.

Additional Guidance for Video Samples

You may submit a link to a video sample, or upload a video sample.

If you submit a link:

Submit a PDF with a clickable link to the video. If you are including more than one link, list them all on a single PDF. For each video, list the URL for the page to be shown; include any necessary information on required plug-ins, passwords, or navigation paths. Do not submit links to sites that require video to be downloaded (e.g., Dropbox), or sites that require a user account. These will not be reviewed.

If you upload videos:

File size restrictions may prohibit you from using this option. To upload each file:

- Upload the file directly into the Applicant Portal.
- You may provide titles and short descriptions to provide context for panelists using the text box provided during the upload process.
- If applicable, include any cue information to indicate the start of each selection.

Additional Guidance for Audio Samples

You may submit a link to an audio sample, or upload an audio sample.

If you submit a link:

Grants for Arts Projects Guidelines: Literary Arts FY22 Part 2: Submit Materials to the Applicant Portal

Submit a PDF with a clickable link to the audio sample. If you are including more than one link, list them all on a single PDF. For each audio sample, list the URL for the page to be shown; include any necessary information on required plug-ins, passwords, or navigation paths. Do not submit links to sites that require video to be downloaded (e.g., Dropbox), or sites that require a user account. These will not be reviewed.

Additional Guidance for Digital Images

You may either combine all of your images into a single PDF file (strongly preferred) or upload each image in a separate file. Image size should be consistent; medium to high resolution is recommended (e.g., 300 dpi).
