GAP GRANT PROGRAM DETAILS DOCUMENT

Navigate to the “Grant Program Details” section on the [GAP webpage](#) for a document that covers essential information about GAP, including a grant program description, unallowable activities and costs, eligibility, review criteria, award amount and cost sharing, and post-award requirements and administration, among others. **We reference the *GAP Grant Program Details* throughout this document, so we recommend having both available while preparing your application.**

Opera Program Description

The nation's non-profit opera ecosystem is a rich, varied and evolving tapestry of composers, librettists, singers, instrumentalists, conductors, stage directors, costume designers, lighting directors, dramaturgs, choruses, dancers, choreographers, costumers, and educators, as well as professional opera companies, amateur opera companies, opera festivals, opera presenters, music festivals, professional artist development programs, music organizations and ensembles, producing companies, presenting entities, guilds, service organizations, and other organizations whose work involves the creation, production, or enjoyment of opera. A relatively new and expanding component of this system focuses on the intersection between opera, health, and well-being.

Through our work, the NEA aims to strengthen the opera ecosystem, by supporting projects that have potential regional, national, or field-wide significance, and that nurture the interdependent relationships between and among stakeholders. Organizations of all types and sizes are encouraged to apply. The opera program supports a variety of opera performances, productions, and presentations. In addition to projects that focus on the standard repertoire, the NEA encourages the commissioning, development, performance, and professional recording of new or recent operatic works. The Opera program also supports professional artist development, arts learning and enrichment projects, audience engagement activities, opera and health initiatives, and services to the field. Applications for collaborations and innovative projects that engage audiences and other stakeholders in new and meaningful ways are encouraged.

Moving beyond the silo of the arts sector, the NEA encourages collaborations between opera companies and other sectors such as education, healthcare, technology, and social services. This can involve joint projects, shared resources, and cross-sector initiatives that demonstrate the value and relevance of opera beyond traditional artistic boundaries. In addition, we welcome applications that embrace the participation of artists, arts workers, partners, and audiences from a wide variety of backgrounds, cultures, economic statuses, aesthetic viewpoints, disability perspectives, and/or geographic areas.

Applicants may request cost share/matching grants ranging from \$10,000 to \$100,000.

Project Types

The NEA is committed to supporting arts projects for the benefit of all Americans.

We seek applications that provide the greatest opportunities for federal support to strengthen the opera ecosystem. We welcome proposals that address the general areas of interest outlined in the Grants for Arts Projects program description (*GAP Grant Program Details*, pg. 6), and include one or more of the activities listed below.

Applications must be for projects only. A project may consist of one or more specific events

or activities. A project should not cover an entire season of programming as we do not fund seasonal or general operating support.

We welcome and encourage applicants to review the FAQs and applicant requirements, and to contact the artistic discipline staff to discuss potential proposed project types.

Commissions, Development/Workshops, Premieres, Performances, and Presentations

- Creation of new operatic works, especially those that have innovative elements or that cross genres
- Commissions and/or co-commissions

- Semi-staged or concert opera (contact the NEA's Opera staff before preparing a concert opera application)

- Capacity-building projects that include planning, research, and training
- Cross-sector projects with non-arts organizations that bring Opera into the realm of science, technology, agriculture, and other fields through mutually beneficial partnerships

Opera and Health/Well-being

- Projects incorporating Opera to advance the physical, social, and emotional health and well-being of individuals and communities
- Projects that explore the intersection between Opera and health, demonstrating current or potential connection between Opera, healthcare, and well-being (e.g., programs that serve aging adults with memory care needs, initiatives for underserved individuals with chronic health conditions, and those that aim to improve neurological health for children with autism, etc.)
- Projects that focus on the role of Opera in building community connection and benefiting the public good

Services to the Opera Field

- Services to the opera field that reach a broad constituency of artists (including singers, composers, librettists, stage directors, conductors, lighting and costume designers), music educators, arts administrators, volunteers, and opera organizations. These may include, but are not limited to:
 - Arts and arts-related workshops, conferences, convenings
 - Leadership training, and other professional development opportunities for artists and arts administrators
 - Publications, technical assistance, and online resources
 - Archiving, preservation and documentation projects
 - Services to the opera field that engage with underserved groups/communities, including artists and other arts workers

Characteristics of Competitive Proposals

Competitive opera proposals will address elements as stated in the application review criteria (*GAP Grant Program Details*, pg. 25), and include some or all of the following characteristics:

- Have regional, national, or field-wide significance. This includes local projects that can have significant impact within communities or are likely to demonstrate best practices for the opera field;
- Reflect their communities (e.g., the people who live there, their artists, cultural organizations, and community organizations) and engage stakeholders in meaningful ways;
- Include elements of sound civic practice. Organizations that invest in this work leverage opera's creative assets to address public priorities and community needs, and they often partner with organizations from different sectors with whom they build sustained relationships that lead to successful co-creation;
- Focus on understanding and elevating how opera can contribute to healthy communities, understanding the arts comprehensively and holistically, leveraging the intrinsic value of the arts, and also understanding how arts and culture can strengthen other fields (such as health, community development, and education, among others);
- Projects that shine a light on perspectives, histories, life experiences, and personal stories which enrich opera and the organizations that produce Opera;

In some cases, a project that involves opera may be better suited for review in another discipline. Review Artistic Disciplines (*GAP Grant Program Details*, pg. 10) for more information, including guidance on educational projects.

Legal Requirements and Compliance Reminders

The [Legal Requirements](#) section on our website provides information about key legal requirements that may apply to an applicant or recipient. It is not an exhaustive list, more details may be found in Appendix A of the [General Terms & Conditions](#). **It is ultimately your responsibility to ensure that you are compliant with all legal, regulatory, and policy requirements applicable to your award.**

Please note the following:

- **Civil Rights Laws and Policies:** As a reminder, in the federal-funding context, a focus on a particular group or demographic may be permissible, but exclusion is not. This extends to hiring practices, artist selection processes, and audience engagement. Your application should make it clear that project activities are not exclusionary. Please review the [Assurance of Compliance](#), as well as [NEA Civil Rights guidance](#) on our website, including

this archived webinar: [Things to Know Before You Apply: Federal Civil Rights and Your Grants Application](#).

- **Accessibility:** Federal regulations require that all NEA-funded projects be accessible to people with disabilities. Individuals with disabilities may be artists, performers, audiences, visitors, teaching artists, students, staff, and volunteers. Funded activities should be held in a physically accessible venue, and program access and effective communication should be provided for participants and audience members with disabilities. If your project is recommended for funding, you will be asked to provide [detailed information](#) describing how you will make your project physically and programmatically accessible to people with disabilities.
- **National Historic Preservation Act and/or the National Environmental Policy Act Review:** Recommended projects may be subject to the [National Historic Preservation Act](#) (NHPA) and/or the [National Environmental Policy Act](#) (NEPA) compliance review. See more information about NHPA/NEPA review in Post-Award Requirements & Administration (*GAP Grant Program Details*, pg. 30).
- By signing and submitting the Part 1 application form on Grants.gov, the Applicant certifies that it is in compliance with the statutes outlined in the [Assurance of Compliance](#) and all related NEAs regulations, and that it will maintain records and submit the reports that are necessary to determine its compliance.

Apply

Pre-application registration: Before beginning your application, confirm your required registrations with Login.gov, SAM, and Grants.gov. More information on Registration can be found in the Registration document, which can be found under the “How to Apply” section of the [GAP webpage](#). **All three required registrations must be active to submit Part 1 of the application through Grants.gov.**

Apply at the deadline that most closely fits the schedule of activities or timeline of your proposed project. Generally, an organization is limited to one application per year in the GAP category.

All deadline times are Eastern. Be sure to double check the deadline time **based on your time zone**.

Step 2: Complete the Form

Review the Grants.gov video tutorial on [how to complete forms in Workspace](#).

All asterisked (*) items and yellow fields on this form are required and must be completed before you will be able to submit the form. Do not type in all capital letters when completing the form. Enter information directly into the form. Do not copy and paste into the form.

EMAILS: Due to restrictions from the Department of Homeland Security we are not able to send emails to alias addresses that forward to another email account. Do not enter this type of email address.

1. Name of Federal Agency: Pre-populated.

2. Catalog of Federal Domestic Assistance Number: Pre-populated.

3. Date Received: This will be filled automatically with the date that you submit your application; leave blank.

4. Funding Opportunity Number: Pre-populated.

(Do not use your organization's popular name, if different.)

If you are a parent organization applying on behalf of an eligible independent component, do not list the name of the independent component here. You will provide that information in Part 2.

b. Address: Use *Street 1* for your organization's physical street address. This address must be identical to the physical address shown in your organization's SAM (System for Award Management) registration. Only use *Street 2* for your organization's mailing address if it differs from the SAM physical street address.

In the *Zip/Postal Code* box, organizations in the United States should enter the **full 9-digit zip code** that was assigned by the U.S. Postal Service. If you do not know your full zip code, you may look it up on the [USPS website](#).

c. Web Address: Provide your organization's website. This information will be used for administrative purposes only, and will not be provided to panelists for review. Note: Many GAP discipline areas allow website links to be submitted as part of the work samples in Part 2. Review the information under [Additional Items & Items to Upload](#) for a list of allowable work sample types, and instructions on how to submit them through the Applicant Portal. If links are listed as an accepted work sample for your discipline, they will be reviewed by panelists.

d. Type of Applicant: Select the item that best characterizes your organization from the menu in the first drop-down box. Additional choices are optional.

You can find your entity's UEI in your entity's System for Award Management (SAM) record. If you cannot locate your entity's UEI, [contact SAM for assistance](#). **The UEI must match the UEI associated with your entity's SAM (System for Award Management) record that was used in your Grants.gov registration. Otherwise, your application will not be validated by Grants.gov and will be rejected.**

This Congressional District must match with the Congressional District that shown in the Business Information section of your organization's SAM (System for Award Management) record.

If your state has a single At-Large Representative or your jurisdiction has a single Delegate, enter your 2-character state/jurisdiction abbreviation and "-000." If you need help determining your district, go to www.house.gov and use the "Find Your Representative" tool.

8. Primary Contact/Grant Administrator: Provide the requested information for the individual who should be contacted on matters involving this application and the administration of an award. For colleges and universities, this person is often a Sponsored Research, Sponsored Programs, or Contracts and Grants Officer. For the Telephone number field, use the following format: 000-000-0000. Optional: Select a Prefix (e.g., Ms., Mr.)

If this individual is the same as the Project Director, you may check the "Same as Project Director" box and not repeat information that you have already provided in Item 7. If the Primary Contact/Grant Administrator is the same as the Authorizing Official, complete all items under both 8 and 9 even though there will be some repetition.

9. Authorized Representative: Enter the requested information for the AOR (Authorized Organization Representative) who is authorized to submit this application to Grants.gov. Optional: Select a Prefix (e.g., Ms., Mr.)

The AOR must have the legal authority to obligate your organization (e. g., be a senior member of the staff such as an Executive Director, Director of Development). See the NEA's [General Terms and Conditions](#) for who can serve as an AOR for colleges and universities.

Contractors/consultants, including grant writers, or administrative support staff cannot serve as an AOR.

NOTE: By clicking the "I Agree" box at the top of Item 9, this individual will be certifying compliance with relevant federal requirements on your organization's behalf. These requirements can be found in the [Assurance of Compliance](#).

The "Signature of Authorized Representative" and "Date Signed" boxes will be populated by Grants.gov upon submission of the application.

Step 3: Submit the form via Grants.gov's Workspace

Be certain you are satisfied with your *Application for Federal Domestic Assistance/Short Organizational Form (SF-424)* before you click submit. No revisions to your application form are possible through Grants.gov once it is submitted.

The NEA strongly suggests you submit your application *well before the deadline* to provide ample time to resolve any problems you might encounter.

Review the Grants.gov video tutorial on [submitting an application in Workspace](#).

When you are ready to submit, navigate to the **Forms** tab on the **Manage Workspace** page:

- Once the form is filled out and the **Form Status** column says "Passed," it will be ready for submission.
 - **Important note:** The status "Forms Passed" does NOT indicate that your application has been submitted, only that your forms have been filled out. You still need to click the Sign and Submit button after receiving the "Forms Passed" status. For more information, review the [Forms Tab](#) help article.
- Click **Complete and Notify AOR**, which will notify the user(s) with the AOR role that the workspace is ready to submit.
- The AOR must click [Sign and Submit](#) to submit the application.

After the AOR submits the application, they will see a confirmation screen explaining that the submission is being processed. **Take a screenshot and retain the Grants.gov Tracking Number that you receive in the application submission confirmation screen.**

Step 4: Confirm Part 1 Application Submission

Verify that the Part 1 application was *validated* by the Grants.gov system. Take a screenshot of the validation confirmation for your records.

You can track the progress of your application submission through Grants.gov in one of three ways:

1. Check the [progress bar](#) in Workspace. When your application has been successfully received, the bar will be green, and a check mark will appear in each bubble.
2. When logged in to Grants.gov, the AOR can click the *Check Application Status* link under the Applicants drop-down menu and search for the submitted application.
3. When not logged in to Grants.gov, go to [Track My Application](#) and enter your Grants.gov Tracking Numbers. Then click the Track button to see the status listings of the valid tracking numbers entered. This function will only work if you have a tracking number.

[Information about checking Grants.gov application status and a complete list of statuses.](#)

Do not wait until the day of the deadline to verify your submission in case you encounter any difficulties. Failure to successfully submit the *Application for Federal Domestic Assistance/Short Organizational Form (SF-424)* through Grants.gov by the posted deadline will make you ineligible to complete Part 2 of the application process.

Part 2 of your application is submitted through the NEA's Applicant Portal. Instructions on how to access the portal, including how to find your username and password can be found on the next page.

Application Part 2: Submit the *Grant Application Form* through the Applicant Portal

Applicants who successfully submit Part 1 of the application to Grants.gov by the Part 1 submission deadline will be able to access the Applicant Portal to submit Part 2. **The Applicant Portal is a separate website from Grants.gov – a link can be found below.** The Applicant Portal is an NEA-administered site. If you run into technical issues, please reach out to your designated [program specialist](#).

Applicant Portal Submission Window

The Applicant Portal will be open for a one-week submission window, during which applicants will have access to complete and submit Part 2 of the application. Applicants will *not* have access to the portal prior to the dates below. **However, we urge you to use this document to prepare your Part 2 responses and material well in advance** so you will have them ready to upload once the system opens.

We recommend applicants set up calendar reminders to avoid missing the submission window. All times are Eastern.

APPLICANT PORTAL ACCESS	FEBRUARY CYCLE (GAP 1)	JULY CYCLE (GAP 2)
Part 2 NEA Applicant Portal <i>Opens to applicants</i>	February 19, 2025 9:00 am ET	July 15, 2025 9:00 am ET
Part 2 NEA Applicant Portal <i>Submission Deadline</i>	February 26, 2025 11:59 pm ET	July 22, 2025 11:59 pm ET

Step 1: Access the Applicant Portal

The AP user name and password are *unique to each application you submit*. Do not use tracking numbers from a previous application to log into the AP.

Log on to the Applicant Portal at: <https://applicantportal.arts.gov>

- **User Name = Grants.gov Tracking Number (Example: "GRANT38906754")**
 - Your Grants.gov tracking number is assigned by Grants.gov when you submit Part 1.
 - A confirmation screen will appear in Grants.gov once your submission is complete, your Grants.gov tracking number will be provided at the bottom of the screen.
- **Password = Agency Tracking Number/NEA Application Number (Example: "1425736")**
 - The NEA assigns the number to your application 1-2 business days after you submit Part 1.
 - The AOR may retrieve the number by following these steps:
 - Log on to Grants.gov (if you are already logged in, you may need to log out and then back in again to see the applications).

- Under *Grant Applications*, select *Check Application Status*.
 - Look for your Grants.gov Tracking Number and select *Details* under the Actions column.
 - You'll be taken to the Submission Details screen to find your Agency Tracking#/NEA Application Number.
- NOTE: Check Application Status is a separate feature from Track My Application at Grants.gov.

TECH TIPS FOR THE APPLICANT PORTAL

View the [Grant Application Form Tutorial](#) for a video walk-through of the portal.

The User Name and Password can only be used by one person at a time in the Applicant Portal. If multiple people use the User Name and Password at the same time to work on an application, you will lose data.

Browser issues:

- The Applicant Portal is best viewed in the following browsers: Chrome 58+, Firefox 54+, or Microsoft Edge 44+. Cookies and JavaScript may need to be enabled for you to successfully view the site. You might also need to disable AdBlocker and/or similar software.
- Many problems can be solved by switching to a different browser. **However, you should only open the Applicant Portal in one browser at a time to enter information.**

Character count issues:

- Unseen HTML coding from your word processing software may result in the character count in the Applicant Portal being higher than you expect. This is often related to special characters such as ampersands, quotation marks, apostrophes, and angle brackets.
- To strip the HTML, we recommend copying and pasting text into Notepad (PC users) or TextEdit (Mac users) before copying it into the Applicant Portal.
- Limit character counts by using a solution other than special characters (e.g., instead of using quotation marks for titles of works, put them in italics), using only one space at the end of sentences, and limiting the use of tabs.

Click "Save" and log off if you plan to leave the Applicant Portal with work in progress. Your session will deactivate after 30 minutes, which may result in lost content

Before submitting, double check each section to confirm that it's complete, and that no information was lost when cutting and pasting.

Use the "Print" function in the upper right corner to create a printable version of your application. We strongly recommend that you save a final copy for your records by choosing "Save as PDF" from your print dialogue box.

Step 2: Fill out the Grant Application Form

Application content is collected through a series of tabs and sub-tabs in which applicants will enter text or upload files:

- View Application Data Tab

(For the purpose of this question, underserved groups/communities include populations whose opportunities to experience or participate in the arts are limited by factors such as geography, ethnicity, economic status, and/or disability.)

Subtab: Organization Budget

The Organization Budget is a webform, you will fill out each field in the Applicant Portal. The form will appear as follows:

	Most Recently Completed Fiscal Year	Previous Fiscal Year	Two Fiscal Years Prior
Fiscal Year End Date (MM/DD/YYYY)	<i>Calendar Selection*</i>	<i>Calendar Selection*</i>	<i>Calendar Selection*</i>
Total Income	\$	\$	\$
Total Expenses	\$	\$	\$
Operating Surplus/Deficit (single year)	<i>Autofills from above</i>	<i>Autofills from above</i>	<i>Autofills from above</i>

Parent Organizations: If you are a parent organization applying for an independent component, provide only the budget information for the independent component for which you are applying.

Organizational Units: For projects undertaken by a smaller organizational unit of a larger organization (such as an academic department, a literary organization housed at a college or university, or an office, facility, or department of local government), submit only the information for the smaller unit and clearly identify that the budget is for the smaller unit in the Fiscal Health section.

The Organization Budget is intended to show your organization's fiscal activity as it relates to annual operations. Do not include activity related to a capital campaign (such as raising money for a new facility, an endowment fund, or a cash reserve fund). We may request additional information to clarify an organization's financial position. The figures you submit are subject to verification by the NEA.

FISCAL YEAR END DATE* Indicate the end date for each of your organization's three most recent fiscal years using the calendar drop down.

TOTAL INCOME*: Enter your organization's income for each fiscal year. Unaudited figures are acceptable. Income sources may include earned revenues such as those that are received through the sale of goods, services performed, or from investments, as well as contributed funds, such as gifts, grants, loans, and in-kind contributions.

TOTAL EXPENSES*: Enter your organization's total operating expenses for each fiscal year. Unaudited figures are acceptable. **Expenses may include salaries and fees, production/exhibition expenses, services, and administrative costs, among others.**

OPERATING SURPLUS/DEFICIT: These fields will automatically populate based on the figures you input for income and expenses.

FISCAL HEALTH*

Text box: 1,000-character limit, including spaces

Discuss the fiscal health of your organization. You may use this space to discuss how the COVID-19 pandemic may have affected your organization's budget. In addition, you must explain:

1. Any changes of 15% or more in either your income or expenses from one year to the next, and
2. Plans for reducing any deficit (include factors that contributed to the deficit and its amount).

For independent components, you may use the space to discuss the fiscal health of the component and to explain the relationship that it has with the larger entity (e.g., "museum guards and utilities paid for by university").

Arts Programmatic Activity Tab

Highlight up to three examples of arts programming (e.g., artists/works/projects) per year for each of three recent years prior to the application deadline. Activities must demonstrate eligibility, and where possible, relate to the project proposal.

Programming examples may have occurred before the organization received non-profit, tax-exempt status, and are not required to have taken place during consecutive years. **However, your dated entries must show that your organization meets the three-year arts programmatic history requirement for eligibility.**

For the purposes of determining eligibility:

- *February 2025 Applicants:* the organization must demonstrate that it started arts programming in or before February 2022.
- *July 2025 Applicants:* the organization must demonstrate that it started arts programming in or before July 2022.

Organizations that previously operated as a program of another institution may include arts programming carried out while part of that institution.

NEA DISCIPLINE FOR PROPOSED PROJECT*

Drop down, select: Opera

Select the discipline that most closely aligns with your proposed project activities, not necessarily with your organization as a whole. This selection will determine which panel of experts will review your proposal. [Contact us](#) if you have questions about which discipline is most appropriate for your project.

PROJECT SYNOPSIS*

Text box: 200-character limit, including spaces

Provide a brief synopsis for your proposed arts project. For example: “To support the ‘ABC Project,’ which will XYZ.”

If your project focuses on activities to commemorate the 250th anniversary of the United States, please include the phrase “America 250” in your synopsis. For example: “To support the ‘ABC Project’ as part of America 250, which will XYZ”.

PROJECT DESCRIPTION*

Text box: 5,000-character limit, including spaces

Describe in plain language the project activities that will take place during the period of performance, and provide information on the curatorial/selection process, artists, creative process, works of art, productions, venues, public or community engagement activities etc. Panelists will use the Review Criteria (*GAP Grant Program Details*, page 25) to evaluate your application, so make sure your narrative addresses the review criteria. **Do not describe unrelated organizational programming.** For more information about what may not be included in a project, see Unallowable Activities/Costs (*GAP Grant Program Details*, page 13).

Subtab: Additional Project Details

PROPOSED PROJECT START DATE/END DATE

*Calendar selections: PROJECT START DATE: MM/DD/YYYY**

*PROJECT END DATE: MM/DD/YYYY**

NEA support of a project may start on or after:

- For applicants at the February 13 deadline, **January 1, 2026**, or
- For applicants at the July 10 deadline, **June 1, 2026**.

Enter the beginning and ending dates for your requested period of performance (period of support), i.e., the span of time necessary to plan, execute, and close out your proposed project. The start date *must* be the first day of the month, and the end date *must* be the last day of the month (*for example, 6/1/26 – 12/31/26*). These dates will be used in the review of your application.

Generally, a period of performance of up to two years is allowed. **The two-year period is**

intended to allow an applicant sufficient time to plan, execute, and close out its project, not to repeat a one-year project for a second year. Your project budget should include only the activities and costs incurred during the period of performance requested here.

SCHEDULE OF KEY PROJECT DATES*

Text box: 1,500-character limit, including spaces

Provide a timeline of when activities described in the Project Description will occur. Be sure to include when key artistic decisions will be made, project phases, and events, as applicable. If you describe activities that occur outside of the period of performance for context, indicate these by adding an asterisk (*). Only include costs in your Project Budget that relate to activities taking place during the period of performance.

ENGAGEMENT WITH INTENDED COMMUNITY, PARTICIPANTS & AUDIENCE*

Text box: 2,000-character limit, including spaces

Describe the intended communities, participants, or audiences involved in the project activities, and how they will benefit. Clearly explain how you will engage these groups. Include the demographics of your intended communities, participants, and/or audiences.

Where applicable, describe how this project will engage underserved groups/communities whose opportunities to experience or participate in the arts are limited by factors such as geography, ethnicity, economic status, and/or disability.

Where applicable, include how you will involve and accommodate people with disabilities (as artists, performers, teaching artists, students, participants, staff, and/or audiences) in the planning, creation, and/or implementation of your project activities.

As a reminder, in the federal-funding context, a focus on a particular group or demographic may be permissible, but exclusion is not. This extends to hiring practices, artist selection processes, and audience engagement. Your application should make it clear that project activities are not exclusionary. Please review the [Assurance of Compliance](#), as well as [NEA Civil Rights guidance](#) on our website including this archived webinar: [Things to Know Before You Apply: Federal Civil Rights and Your Grants Application](#).

PROJECT GOALS AND MONITORING*

Text box: 1,000-character limit, including spaces

What are your goals for this project? What do you hope you and/or those involved will learn or experience? Describe how you will monitor progress toward your project goals. Examples of monitoring activities include surveys of program participants, measuring attendance, and third-party program evaluations, among others. If applicable, include plans to share learnings and outcomes. (*Note: If your project involves directly collecting sensitive data from program participants, such as personally identifiable information or data from vulnerable populations, review [Resources on Program Evaluation and Performance Measurement](#).*)

OTHER PROJECT INFORMATION (OPTIONAL)

Text box: 500-character limit, including spaces

If there is anything else that would be essential for panelists to understand about your project relative to the review criteria, provide it here. Do not use this space to continue an answer from earlier questions.

Subtab: Project Partners & Key Individuals

Include at least one and up to ten key individuals (such as staff, artists, teaching artists, collaborators, consultants, mentors) **and/or partner organizations** involved in the project. Project Budget Tab

Budget Template

Use the [GAP project budget template](#) to prepare your project budget in advance. The worksheet includes a tab with example amounts in each section, which are for demonstration purposes only, and should not be interpreted as cost allocation guidance from the NEA. **DO NOT UPLOAD THE WORKSHEET TO THE APPLICANT PORTAL. You must complete the project budget webform within the Applicant Portal for your application to be accepted for review.**

Project Budget Guidance

Applicants may request between \$10,000 and \$100,000. Local arts agencies that meet the eligibility requirements for subgranting may request between \$30,000 to \$150,000 for subgranting projects.

Applicants are required to provide a minimum 1:1 non-federal cost share/match. For example, if you are requesting the lowest amount of \$10,000, you must show a minimum of \$10,000 in cost share/Matching funds, and your total project expenses must be at least \$20,000.

Applications that do not include a project budget meeting the *minimum* requirements of at least a \$10,000 NEA funding request, a \$10,000 cost share/match, and \$20,000 in total project expenses will be deemed ineligible and will not be reviewed.

The costs included in your project budget must be allocable to your proposed activities. Only include costs related to activities taking place during the Period of Performance (period of support) you entered in the Project Details tab.

All items in your budget, whether supported by NEA funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, and allowable in terms of the NEA's [General Terms and Conditions](#).

NOTE: Organizations cannot receive more than one NEA award for the same expenses/activities. This budget cannot include project costs that are supported by any other federal funds or their cost share/match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

Filling out the budget in the Applicant Portal

The project budget is a webform, with each item description and amount in its own field. The form will auto-calculate each section, as well as the overall totals. The number of lines available in each section is static – you cannot add additional lines. You will be asked to provide an estimated project budget that consists of:

- **Project Expenses:** A breakdown of all project expenses that will be supported with **both** the NEA Requested Amount *and* your cost share/matching funds.
- **Project Income:** The combined total of the funding amount you are requesting from the NEA and how you plan to meet the minimum 1:1 cost share/match requirement. Cost share/matching funds do not need to be secured at the time of application.

Visible on Both Subtabs

TOP OF PAGE: AMOUNT REQUESTED FROM THE NEA*

Enter the award amount you are requesting between \$10,000 to \$100,000.

BOTTOM OF PAGE: PROJECT EXPENSES/INCOME SUMMARY TABLE

At the bottom of the project budget form, the totals from each subtab will automatically populate in a summary table. *Remember: your final total project income must equal your total project costs/expenses.* Refer to this summary table to confirm these sections are equal before submitting your application.

BOTTOM OF PAGE: ADDITIONAL PROJECT BUDGET NOTES (OPTIONAL)

Text box: 750-character limit, including spaces.

Provide information to clarify any line item included in the project budget, or to provide further details on the scope of your project budget.

Budget Subtab: Project Expenses

Project expenses must include costs covered by *both NEA funds and the cost share/match*. Review Unallowable Activities/Costs (*GAP Grant Program Details*, pg. 13) for a list of costs that cannot be included in your project budget.

At the bottom of the Project Expenses subtab, the **TOTAL PROJECT COSTS/EXPENSES** field will auto-calculate with the combined sum of **Total Direct Costs**, and, if applicable, **Indirect Costs**.

DIRECT COSTS

These are costs directly identified for the project and incurred during the period of performance. The TOTAL DIRECT COSTS field at the bottom of the page will auto-calculate the total of all combined Direct Cost items listed in Salaries and Wages, Travel, and Other expenses. For Local Arts Agencies subgranting projects, include subgranting dollars as project expenses in this section.

DIRECT COSTS: Salaries and Wages

Covers compensation for personnel, both administrative and artistic, who are paid on a salary basis. List key staff positions for the project. Combine similar job functions if necessary. Funds for contractual personnel and compensation for artists who are paid on a fee/stipend basis should be included below in DIRECT COSTS: Other, and not here.

- Enter the title and/or type of personnel, the number of personnel, the annual or average salary range, the percentage of time allocable to the project annually, and the dollar amount of the salary allocated to the project budget.
 - These fields will not auto calculate horizontally across each line. The dollar amounts in the last column will auto calculate vertically to tally the Total Salaries and Wages.
- **Salaries and Wages dollar amounts must be prorated for the length of the Period of Performance entered in the Project Details tab.**
 - **For example, on a project with a 6 month period of performance**, a person with a \$50,000 annual salary working on the project for 100% of their time, you would enter a total dollar amount of \$25,000.
 - **For a project with a period of performance that exceeds 1 year**, multiply the salary figures accordingly. For example, on a project with a 24 month period of performance, a person with a \$50,000 annual salary working on a project for 100% of their time, the total dollar amount allocated to the project would be \$100,000.
- Salaries and wages for performers and related or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See [Legal Requirements](#) for details.)

NOTE: Only fundraising/development salaries/wages/fringe benefits associated with managing the project or fundraising for the minimum required cost share/match for the project are allowable. All other development and/or general fundraising costs for the organization or for other projects are not allowable.

FRINGE BENEFITS

Costs other than wages or salary that are attributable to an employee, as in the form of pension, insurance, vacation, and sick leave, etc. They may be included here only if they are not included as indirect costs.

DIRECT COSTS: Travel

Travel costs must be estimated according to the applicant's own written travel policies, provided that the travel cost is reasonable and does not exceed the cost of air coach accommodations.

- Include lodging and subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as applicable, unless these costs are already included as part of an artist fee.
- List all trips -- both domestic and international -- individually.
- All international travel must be specified by country of origin or destination and relate to activity outlined in your narrative. International travel also must conform with

government regulations, including those of the [U.S. Treasury Department Office of Foreign Asset Control](#). If you are including international travel in this budget, all such travel must be booked on a U.S. air-carrier when this service is available. See the GTCs for detailed information.

DIRECT COSTS: Other

If needed, group similar items together on a single line, with only one total cost. Project-related costs may include:

- Artist fees (if paid as a fee/stipend and not salary basis), consultant fees, and contractual services
 - Artist fees may include, but are not limited to, compensation for: the creation of new work, the presentation of new or existing work, educational activities, community engagement, and travel/stipends/subsistence (if not already included under Direct Costs: Travel).
 - List the fees paid to each artist/artistic group separately where possible.
 - List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter them throughout the list.
 - Specify the number of persons, the service being provided, and the applicable fee, rate, or amount of each.
 - If you engage in contracts of more than \$15,000, identify the item or service and its relation to the project.
 - For procurement requirements related to contracts and consultants, see [2 CFR 200](#).
- Production/technical costs
- Promotion, marketing, and outreach
- Acquisition fees, rights
- Evaluation and assessment fees
- Telephone, photocopying, and postage
- Supplies and materials. Be as specific as possible about the type of supplies / materials and their purpose. (e.g., “Art supplies,” “Office supplies,” “Event materials,” etc.)
- Publication, distribution, and translation
- Transportation/shipping of items other than personnel (instruments, art, etc.)
- Access accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling, publications in alternate formats).
 - Videos, films, television broadcast projects, and virtual streamed events must be closed or open captioned, and radio and podcast programs must be transcribed. Applicants should check with vendors for captioning and transcription vendors, sign language interpretation, and audio description, for cost estimates.
- Rental/purchase of equipment
 - Clearly identify equipment rental versus equipment purchase.

- If you will purchase any equipment with a unit/item cost of \$10,000 or more and that has an estimated useful life of more than one year, identify that item here. Provide a justification for the purchase(s) either in the Additional Project Budget Notes section, or in your Project Description.
- Digital computers, mobile devices, or other new technologies are considered supplies if less than \$10,000 per item regardless of the length of useful life.
- Portion of Space/Facilities costs such as mortgage principal, rent, and utilities, as allocable to the project.
- Other *clearly identified* project-specific costs.

INDIRECT COSTS

Applicants have the option to include Indirect Costs in their project budgets. **You are not required to include Indirect Costs in this budget.** Indirect Costs are overhead, administrative, or general operating expenses that are not readily identifiable with, or are difficult to assign to, a specific project. Examples of Indirect Costs include the expenses associated with operating and maintaining facilities and equipment, rent, utilities, supplies, and administrative salaries.

An applicant may choose **ONE** of the following options (for help in determining which option to choose, see the [Indirect Cost Guide for NEA Grantees](#)).

A. If your organization *does not* have a federally negotiated Indirect Cost Rate Agreement (or ICRA):

- **Option 1:** Include reasonable “Overhead and Administrative Costs” as a line item under the “Direct Costs: Other” section and leave the Indirect Costs section blank.
 - Use this option if your organization can easily document the discrete, specific expenses (i.e., payroll taxes, a percentage of facility electricity use, the percentage of staff time for the administrative support of a project). Do not double count costs already included separately in your budget.
 - The amount indicated in this line must be reasonable and consistent with best practices in financial management. Do not simply use a percentage of your project budget. **You must be able to document the actual costs included in the line item.**
- **Option 2:** Enter a de minimis indirect cost rate of up to 15% of your modified total direct costs in the Indirect Costs section. Modified Total Direct Costs include salaries and wages, fringe benefits, materials and supplies, services, and travel. Modified Total Direct Costs *excludes* equipment, capital expenditures, rental costs, scholarships, and fellowships, among others. Information on calculating Modified Total Direct Costs can be found at Appendices III and IV to 2 CFR 200.

B. If your organization currently *has* a federally negotiated Indirect Cost Rate Agreement:

- **Option 1:** Calculate your Indirect Costs using your federally negotiated indirect cost rate agreement. Enter the percentage of the ICRA as decimals.

- It is rare for NEA applicants to have an ICRA. This option is most often relevant to colleges and universities.
- Important: You may not use a Research Indirect Cost Rate Agreement for applications to Grants for Arts Projects.
- If you are recommended for an award, you must provide us with a copy of your federally negotiated indirect cost rate agreement.
- **Option 2:** You may choose not to use your Indirect Cost Rate Agreement. You may Option 1 listed above in section A.

C. If your organization *has an expired* federally negotiated Indirect Cost Rate Agreement:

- Do not use an expired ICRA. You may choose one of the options listed above in section A.

Budget Subtab: Project Income

TOTAL COST SHARE/MATCH FOR THIS PROJECT*: The NEA cannot support more than 50% of a project's costs; each applicant must contribute at least half the total project cost from nonfederal sources. For example, for a request of \$10,000, the total project costs must be at least \$20,000 and you must provide at least \$10,000 toward the project from nonfederal sources as the cost share/match.

Cost share/matching funds may be all cash or a combination of cash and in-kind contributions as detailed below. **If your cost share/match includes IN-KIND contributions, you must also include them as direct costs to balance your budget.** Asterisk (*) those funds that are committed or secured.

APPLICANT CASH

Applicant Cash cost share/match refers to the cash contributions, grants, and revenues that will pay for your share of the costs for this project. Identify sources.

- Allowable sources of Cash funds include your own organization's cash resources such as grants from private foundations, corporate donations, individual donations, and ticket sales, among others.
- Federal funds cannot be used as cost share/match for NEA awards.
 - You *may* include grants from your state arts agency, regional arts organization, or local arts agency as part of your cost share/match, if those grants do not include subawarded federal funds or funds used as cost share/match for a federal award. You can check with the funder to confirm the source of the funding.
 - **Do not** include any other NEA or other federal awards -- including awards from the National Endowment for the Humanities, U.S. Department of Education, the National Park Service, etc., in your cost share/match.
- IF YOU HAVE A FEDERALLY-NEGOTIATED INDIRECT COST RATE: You *may* use unrecovered indirect costs as part of the cash cost share/match. Unrecovered indirect costs generally are used only by large organizations such as colleges and universities. Your organization must have a current federally-negotiated indirect cost rate agreement to use unrecovered indirect costs as cost share/match.

THIRD-PARTY IN-KIND CONTRIBUTIONS

In-kind contributions are third-party donations of goods, facilities, or services used to meet the cost share/matching requirement for a NEA award (2 CFR 200.1). The use and value of such third-party contributions must be [properly documented](#).

- All third-party contributions must be necessary and reasonable for the project, and for allowable costs.
- **Do not** include goods, facilities, or services contributed by your own organization as these are considered part of your own organization's cash cost share/match.
- To qualify as cost share/matching resources, expenses associated with in-kind donations must be clearly identified as direct costs in the project budget to ensure allowability.

Additional Items & Items to Upload Tabs

Items to Upload

Upload your work samples here. The Opera discipline does not accept statements of support.

PREPARATION

Each work sample file has to be individually downloaded and opened by panelists. For this reason, group similar types of work samples together in PDF format wherever possible.

WORK SAMPLES:

Work samples should reflect the overall artistic quality of your organization, demonstrate the artistic excellence and artistic merit of your project, and relate directly to your proposed project. Limit your selections to a few substantive, relevant work samples, as submitting too many can be counterproductive. Panelists will review no more than 20 minutes

Work samples are required for all Opera applications and are considered carefully during application review. Video samples are strongly recommended for performing and presenting organizations.

Work samples should relate as directly as possible to your proposed project. For example:

- **All performing and presenting organizations are strongly recommended to submit at least two video samples of contrasting works (performed live within the past few years)** that demonstrate a range of styles, and are relevant to the project for which you are requesting support. Select and identify specific arias, duets, ensembles, etc.
 - Include at least one example of your organization's mainstage work, even if you are not requesting support for a mainstage production;
 - Include at least one ensemble selection (e.g., chorus, quartet, quintet).
- **Creation of new work:**
 - Submit the score and libretto of the proposed project, in progress. Samples of creative artists' work are critical components of your application and will be considered carefully during the review process.
 - Submit examples (video/audio) of the proposed work (e.g. workshops, readings, concert versions). If not yet available, submit recent work by the composer and the librettist (e.g., recordings, scores, librettos). Samples of creative artists' work are critical components of your application and will be considered.
- **Completion of a work:** submit (video/audio) samples of the work in progress.
- **Mounting a new production:** submit examples of recent work by the artistic team (e.g., images or artists' renderings of sets, costumes).
- **Collaborative projects:** submit samples (video/audio) that feature the various artists and/or organizations involved.
- **Recording projects:** include samples (video/audio) of the work(s) to be recorded or, if not available, representative work(s) by the proposed composer(s) or artist(s).
- **Professional development and training of artists:** submit samples (video/audio) that demonstrate the training activities and performance opportunities provided to young artists.
- **Educational and outreach activities:** submit samples (video/audio) that demonstrate the skills of the artists and teachers working with students and other participants. Also, submit sample curriculum material such as a teacher's guide. Label this "Teacher Guide" and limit it to 10 pages.
- **Convening activities:** for various stakeholders, submit video samples of speakers or presenters from previous convenings. Also submit sample agendas, program offerings, convening website, lists of attendees and their roles and affiliations, and/or reports from previous convenings.
- **Service organizations:** submit brief selections from publications or other documents that demonstrate the quality of the services being provided, as well as their ability to carry out the proposed project.

WORK SAMPLE LIMITS:

GUIDANCE FOR VIDEO & AUDIO SAMPLES

Video samples are **strongly recommended** for performing and presenting organizations. You may submit **up to three video samples and up to three audio samples**. For projects that involve commissioning or recordings, you may submit additional video and audio samples, if needed. The performance and the recording should both be of the highest quality. **Submit continuous production footage.** Do not submit trailers or montages set to music, spliced segments of productions, or marketing materials. Only submit podcasts or interviews if directly relevant to your proposed project.

Option One (recommended): Upload a single PDF with links to your audio and/or video work samples on an external hosting site (e.g. Vimeo, YouTube, or a custom URL). **If you are including more than one link, list them all on a single PDF.**

- Upload a single PDF that includes links to all selections. Include each link as a clickable hyperlink on the PDF page.
- Provide titles and short descriptions as context for each work sample link, including the names of the artists, the title of the opera work, the date the work was created or performed, and its relationship to the proposed project.
- Include any necessary information on required plug-ins, passwords, or navigation paths in order to view the work samples.
- If applicable, include cue information to indicate the start of each selection.

- Name the PDF file “Video and Audio Work Samples.”
- Links should be active for at least one year after the application deadline.
- Do not submit links to sites that require work samples to be downloaded (e.g. Dropbox or Google Drive), or sites that require a user account.
- Do not submit Word, Excel, or PowerPoint documents.
- Do not upload each link in a separate PDF file.

Option Two: Individually upload each video work sample. If your files exceed the file size limitations, follow the instructions outlined in Option One described above.

- Upload each video sample individually as a separate file into the Applicant Portal
- Provide titles and short descriptions as context for each work sample link, including the names of the artists, the title of the opera work, the date the work was created or performed, and its relationship to the proposed project. Do so using the text box provided during the upload process.
- If applicable, include any cue information to indicate the start of each selection.
- For audio files, submit audio tracks at a constant bit rate no lower than 192 kbps (higher if possible). Do not upload audio files that have a variable bit rate.

To ensure work samples are accessible, we recommend that videos be closed or open captioned. Captioning resources:

GUIDANCE FOR DIGITAL IMAGES

- Image size should be consistent. Medium to high resolution is recommended (e.g., 300 dpi).
- Include brief descriptive captions with the images on each page of the PDF (PowerPoint can be a useful application to set up images and captions together), or together on a single captions page at the beginning of the PDF. Include the name of the creative artist and the title of the opera work.
- Name the PDF “Images Work Samples.”
- Do not upload each image in a separate PDF file. Combine images into a single PDF and then upload it.

Submit PDF documents that directly relate to the proposed project.

- **If your project is to create a new opera**, include the score and libretto.
- **If your project is education**, include a teacher's guide.

- Do not submit season brochures and programs.

GUIDANCE FOR WEBSITES

You may submit a PDF with up to 3 links to websites that are directly related to the project activities. Links to audio, video, digital images, or documents will count against the stated work sample limits (refer to the chart above for what we will accept).

- In general, do not submit your organization's website. Only submit a website that is an essential part of the project.
- If you are including more than one website, **list them all in a single PDF.**
- For each site, list the URLs for pages to be shown; **include any navigation paths and any necessary information on required plug-ins or passwords.**
- Do not submit links to sites that require work samples to be downloaded (e.g., Dropbox or Google Drive), or sites that require a user account.
- NOTE: If you provide links to works samples -- audio samples, digital images, video samples, or documents – the same limits on uploaded work samples apply to those provided via links.
- Do not submit links on a Word document.

Technical Guidance for Uploading Files

There can be a slight delay between the upload of your work samples and seeing them in the Applicant Portal. This is particularly true for videos. For videos, the usual upload time runs five to ten minutes. However, close to the deadline, this time may extend to as much as an hour. Do not wait until the night of the deadline to begin uploading work samples. Videos are placed in a queue to be converted for upload, and the more people uploading, the longer the queue. **Do not immediately assume that your upload failed; wait and try accessing the material again.**

FILE NAMES AND DESCRIPTIONS

Your file names must not:

- Exceed 100 characters.
- Begin with a space, period, hyphen, or underline.
- Contain these characters: #%&{} \<>*?/\$!'"':+`=|"@
