Statutes, and Regulations that Govern Your Award 20

Important Information Regarding Accepting a National Endowment for the Arts Award

1. Applicability

- 1.1** The *General Terms and Conditions for Grants and Cooperative Agreements to Organizations* (General Terms, or GTCs) apply to grants and cooperative agreements (also referred to as awards) that the National Endowment for the Arts (Arts Endowment) issues to 501(c)(3) nonprofit organizations, institutions of higher education (IHEs), units of state and local governments, and Federally-recognized Indian Tribal governments.

NOTE: Awards to State Arts Agencies (SAAs) and Regional Arts Organizations (RAOs) under the Partnership program area are subject to the *General Terms and Conditions for Partnership Agreements*.

- 1.2** These GTCs implement Title 2 of the Code of Federal Regulations (2 CFR) including *Subtitle A-Office of Management and Budget Guidance for Grants and Agreements* and *Part 200—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance, or Part 200), as revised August 13, 2020.

The revisions incorporate changes to 2 CFR 25 *Universal Identifier and System for Award Management*, 2 CFR 170 *Reporting Subaward and Executive Compensation Information*, and 2 CFR 183 *Never Contract with the Enemy*.

The National Endowment for the Arts has adopted the Uniform Guidance through regulation at 2 CFR 3255.1.

- 1.3** The GTCs are also based on the National Endowment for the Arts legislation and established policies, along with other Federal statutes, regulations, and Executive Orders that apply to grants and cooperative agreements. Award recipients must be familiar with and comply with these requirements.

NOTE: Many citations for statutes and regulations are included in these GTCs. In most cases, more expansive information can be found at the citation location.

- 1.4** When applicable, Specific Terms and Conditions may be included with your award. Should there be inconsistency between requirements, the Specific Terms and Conditions supersede the GTCs.

2. Your Responsibilities

In accepting a National Endowment for the Arts award, your organization assumes legal, financial, administrative, and programmatic responsibility for administering the award in accordance with any provisions included in the award; the statutes, regulations, and Executive Orders governing Federal financial assistance awards; and these GTCs, all of which are hereby incorporated into your award by reference. While we may provide you with reminders regarding award requirements, the absence of receiving such notice does not relieve you of your responsibilities.

Submission of a Payment Request constitutes your agreement to comply with all the terms and conditions of the award.

Failure to comply with these requirements may result in suspension or termination of the award and our recovery of funds. In addition, the United States has the right to seek judicial enforcement of these obligations.

3. Acknowledgment of National Endowment for the Arts Support and Disclaimer

Acknowledgment of the National Endowment for the Arts must be prominently displayed in all materials and announcements for your funded project. See the Manage Your Award section of www.arts.gov for copies of the most up-to-date National Endowment for the Arts logos.

The National Endowment for the Arts supports **specific projects** and does not provide general operating support. Please use our name and logo in relation to your Arts Endowment-supported projects but do not advertise the National Endowment for the Arts as a general donor to your organization or suggest that our support has extended beyond the close of your funded activity.

The Arts Endowment should not be included in lists of donors that are not specific to your supported project or appear beyond the project period dates.

- 3.1** For print and online project materials, a basic requirement is a phrase acknowledging support from the National Endowment for the Arts using the following language: "This project is supported in part by the National Endowment for the Arts."
- We encourage you to include "To find out more about how National Endowment for the Arts grants impact individuals and communities, visit www.arts.gov."
 - In addition, we encourage you to use the [National Endowment for the Arts current logo](#) whenever possible to accurately indicate that either your project has been supported by the National Endowment for the Arts, or that your organization is currently receiving support from the National Endowment for the Arts. **As the agency's logo has changed over the years, please check the link above to make sure you are using the correct logo.**
 - You may also use social media to indicate National Endowment for the Arts support of your project, such as "This project is supported in part by the National Endowment for the Arts." It is also acceptable to include the agency in a list among other project supporters. (On Twitter and Instagram, you may use **@NEAarts** instead of spelling out the full name of the agency.)
- 3.2** For radio or television broadcast, we require the following voice-over language: "This project is supported in part by the National Endowment for the Arts. On the web at arts dot gov." For television broadcast, display of the National Endowment for the Arts logo and web address is required.
- 3.3** We reserve the right to change the language of the required acknowledgement of National Endowment for the Arts support, as well as the right to disallow the use of our logo and acknowledgement of our support.

In addition, you may want to consult our ["Working with the Media" Toolkit](#) on our Manage Your Award web page. All logo files are available on our website.

4. Selected Definitions (2 CFR 200.1)

The GTCs use terminology consistent with the Uniform Guidance. Select items are summarized below; see 2 CFR 200.0-1 for additional detail. The terms are in alphabetical order here.

Term	Definition
Assistance listings	Refers to the publicly available listing of Federal assistance programs managed and administered by the General Services Administration, formerly known as the Catalog of Federal Domestic Assistance (CFDA).
Authorizing Official	An authorizing official is a person with the recipient organization who has authority to legally and financially bind the organization. For organizations responsible for an approved independent component/child (e.g., a University and its art museum), the authorizing official must work for the parent organization.
Closeout	The process by which the federal awarding agency or pass-through entity determines that all applicable administrative actions and all required work of the Federal award have been completed and takes actions as described in §200.344.
Cognizant agency for indirect costs	The federal agency responsible for reviewing, negotiating, and approving cost allocation plans or indirect cost proposals for the non-Federal entity on behalf of all Federal agencies. The cognizant agency for indirect costs is not necessarily the same as the cognizant agency for audit. For assignments of cognizant agencies see the Appendices in Part 200.
Contract	A legal instrument by which the recipient or subrecipient purchases property or services needed to carry out the project or program under a Federal award.
Cost share or matching funds	The portion of the approved Arts Endowment award's project costs not paid with Federal funds.
De minimis indirect cost rate (effective November 12, 2020)	An indirect cost rate of 10% of modified total direct costs (MTDC) that any non-Federal entity that does not have a current negotiated (including provisional) rate may elect to charge to their award project budget. A non-Federal entity that had a past indirect cost rate agreement that is now expired may elect to charge the de minimis indirect cost rate (see "Expanded Use of the De Minimis Rate" in Part 200). The de minimis rate may be used indefinitely. See also "Modified Total Direct Cost."
Disallowed Cost	Those charges to a Federal award that the Federal awarding agency or pass-through entity determines to be unallowable, in accordance with the applicable Federal statutes, regulations, or the terms and conditions of the Federal award.
Equipment	Tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000.
Institutions of Higher Education (IHEs)	Public, private, and tribal colleges and universities, but excluding for-profit institutions. See definition at 20 U.S.C. 1001 .
Modified Total Direct Cost (MTDC)	Used as a base for applying indirect costs through a Federally-negotiated indirect cost rate agreement, or the de minimis rate. Usually, "modified" means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000.
Non-Federal entity	A state, local or tribal government, IHE, or nonprofit organization that carries out a Federal award as a recipient or subrecipient.
Participant support costs	Direct costs for such items as stipends, subsistence, travel allowances and registration fees for conferences or training projects paid to or on behalf of participants or trainees. This does not include employees of the award recipient.

Term	Definition
Period of performance	The start and end date of the award. Only costs associated with approved activities incurred during this time period can be charged to the award.
Project Costs	The total allowable costs incurred under a Federal award and all required cost sharing and voluntary committed cost sharing, including third-party contributions.
Recipient	The non-Federal entity that receives an award directly from the Federal agency.
Source documentation (Financial Management)	Documentation that provides evidence that expenditures were incurred during the approved period of performance. Documentation includes receipts, invoices, contracts, copies of cancelled checks, transaction reports, bank statements, charge/debit card statements, and in-kind contribution reports, all of which must specifically identify the expense(s).
Supplies	Tangible personal property items having an acquisition cost of less than the lesser of the capitalization level established by the non-Federal entity for financial statement purposes or \$5,000, regardless of the length of its useful life. Generally, a basic computer device is considered a supply for use and disposition purposes, regardless of the length of its useful life, if it meets this definition.
Third-party <u>in-kind</u> contributions	The value of non-cash contributions (i.e., property or services) that— (a) Benefit a federally-assisted project or program; and (b) Are contributed by non-federal third parties (not the award recipient), without charge, to a non-federal entity under a federal award.
Unique Entity Identifier	A Unique Entity Identifier (UEI) is a unique number assigned to all entities (public and private companies, individuals, institutions, or organizations) who register to do business with the federal government. Currently a Dun & Bradstreet (DUNS) number is used as the unique entity identifier for applying for, and obtaining, federal funds.
Unrecovered indirect costs	The difference between the amount charged to the federal award and the amount which could be charged to the federal award under the non-federal entity's approved negotiated indirect cost rate.

5. Required Registrations (2 CFR 25)

Organizations are required to have a UEI (currently a Dun & Bradstreet number, or DUNS) that reflects the organization's legal name and current, physical address. Organizations must also maintain an active registration—based on the DUNS provided in the application—in the System for Award Management (SAM.gov), from application submission through award closeout. See the *How to Manage Your National Endowment for the Arts Award and eGMS Reach Handbook* for more information about registering and renewing in SAM.

5.1 **Requirement for recipients to ensure subrecipients have a unique entity identifier (§25.300)** (clarified under 85 FR 49529 August 13, 2020)

- (a) A recipient may not make a subaward to a subrecipient unless that subrecipient has obtained and provided to the recipient a unique entity identifier. Subrecipients are not required to complete full SAM registration to obtain a unique entity identifier.
- (b) A recipient must notify any potential subrecipients that the recipient cannot make a subaward unless the subrecipient has obtained a unique entity identifier as described 25.300(a).

The only Arts Endowment award recipients eligible to make subawards are our State Arts Agencies, Regional Arts Organizations, and Local Arts Agencies identified in the Arts Endowment's legislation (*P.L. 108-108* Section 309).

6. Conflicts of Interest (2 CFR 200.112, 200.318) and Criminal Disclosures (200.113)

- 6.1** You must have written conflict of interest policies that ensure that all employees, board members, officers, or agents engaged in the selection, award, and administration of grants or contracts, avoid conflicts as described in §200.318.
- 6.2** You are required to disclose to us any actual or potential conflicts, including but not limited to the following:
- 6.2.a National Endowment for the Arts Panelist.** No panelist can review an application from an organization with which he or she is affiliated. In addition, if a panelist later becomes associated with a project that he or she reviewed, then he or she cannot act as an authorizing official for that project. This prohibition is in effect throughout the entire period of performance.
- 6.2.b National Council on the Arts member.** Similarly, once an authorizing official for an organization that is an applicant or grantee is nominated to the National Council on the Arts, the authorizing official must recuse him/herself from acting in this capacity for applications and award actions, including payment requests.
- 6.3** You must also notify us of any violations of Federal criminal law involving fraud, bribery, or gratuity violations that potentially affect the Federal award, as noted in §200.113 and Appendix XII to Part 200. See 2 CFR 32.3254 for more information.

7. Statutory and National Policy Requirements (2 CFR 200.300)

You are responsible for complying with all requirements of the Federal award, including those based on:

- 7.1 Statutory Policy Requirements.** You are required to ensure that Federal funding is expended and programs are implemented in full accordance with the U.S. Constitution, Federal Law, and public policy requirements. You are required to adhere to all national policy requirements as outlined in Appendix A, including, but not limited to, those protecting public welfare, the environment, and prohibiting discrimination.
- 7.2 National Endowment for the Arts Enabling Legislation.** You are required to execute your project, (e.g., productions, workshops, programs, etc.) in accordance with the Agency's enabling legislation that requires "artistic excellence and artistic merit."
- 7.3 Financial Assistance General Certifications and Representations.** By accepting these "Certs and Reps" in SAM.gov, you attest to complying with the legal requirements noted therein.

8. Financial Management (2 CFR 200.302) and Internal Controls (2 CFR 200.303)

- 8.1** Your financial management systems must meet standards described in §200.302(b)(1) through (b)(7), including:
- 8.1.a** Accurate identification of Federal award data, financial results, and the ability to provide source documentation upon request.
- 8.1.b** Written procedures for determining the allowability of costs and for managing payments.

- 8.2** You must establish and maintain effective internal controls over your award and provide reasonable assurance that you are managing the award in compliance with Federal statutes, regulations, and the terms and conditions of the award. See recommended compliance documentation at §200.303(a).

9. General Procurement Standards (2 CFR 200.317-.326)

- 9.1** The non-federal entity must have and use documented procurement procedures, consistent with State, local, and tribal laws and regulations and the standards of this section, for the acquisition of property or services required under a Federal award or subaward. The non-Federal entity's documented procurement procedures must conform to the procurement standards as set forth in 2 CFR 200.317-326.
- 9.1.a** You should have written procedures to ensure that contractors or recipients, with whom you intend to do business, are not debarred or suspended prior to the award or payment of Federal funds (2 CFR 180 Subpart C).
- 9.1.b** Your procurement contracts must contain provisions as described in Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts under Federal Awards.
- 9.2** You must maintain records sufficient to detail the history of any procurement under your Arts Endowment award §200.317(i).
- 9.3 Methods of procurement to be followed 200.320.**
Review carefully. The non-Federal entity must have and use documented procurement procedures, consistent with the standards of this section, and §§200.317, 200.318, and 200.319 for any of the methods of procurement identified in this section, and used for the acquisition of property or services required under a Federal award or sub-award.
- You may be able to take advantage of the flexibilities found by using informal procurement methods such as micro-purchases (§200.320(a)(1)), which have a current threshold of \$10,000 or less, and small purchases (§200.320(a)(2)), which have a current threshold of \$250,000 or less (Simplified Acquisition Threshold).
- 9.4** We may ask to review your procurement policy, plans, and other documents such as requests for proposals and independent cost estimates (§200.325).

10. Cash Management Standards / Federal Payment (2 CFR 200.305)

- 10.1** You must have written procedures to minimize the time elapsing between the receipt and the disbursement of Federal award funds to avoid having excessive Federal funds on hand. Requests for advance payment are limited to your immediate cash needs and are not to exceed anticipated expenditures for a 30-day period (§200.305(b)(1)).
- 10.2** Payments may be withheld (§200.305(6)) if:
- 10.2.a** You have failed to comply with the terms and conditions of the award, including any Federal statutes or regulations, as well as the project objectives of the award, or,
- 10.2.b** You are delinquent in a debt to the United States, or,

10.2.c You are withholding payment to contractors to assure satisfactory completion of work on the award.

11. Cost Sharing or Matching Requirements (20 USC 954(e) and 2 CFR 200.306)

11.1 Unless otherwise stated in your grant award document or cooperative agreement, National Endowment for the Arts funds cannot exceed 50 percent of the total cost of the National Endowment for the Arts-supported project (i.e., funds must be matched one-to-one, or "dollar for dollar"). This required cost share, or match, refers to the portion of project costs not paid by Federal funds, and may include your own funds, donations, non-Federal grants and other revenue.

Costs supported by both the National Endowment for the Arts funds and cost share (including voluntary committed cost share) approved in your project budget must conform to all the requirements of the Federal award (§200.306(b)).

11.2 Use of Third-Party In-kind Contributions (§200.306(d-j)). If you include in-kind third-party (i.e., not your own) contributions as part of your cost share or match, they must also be included as direct costs in your project budget so we can determine their allowability, and reflected as such in your accounting records. Volunteer and donated services, goods, property, or space must be documented and their fair market value determined per the Uniform Guidance.

Although you may use in-kind contributions to meet the required match, you cannot be reimbursed by the National Endowment for the Arts for goods or services that were provided to you on an in-kind basis.

11.3 Use of Unrecovered Indirect Costs for Cost Sharing or Matching (§200.306(c)). Unrecovered indirect costs may be included as part of the cost share/match for an award if you have a current Indirect Cost Rate (or Facilities & Administrative/F&A) Agreement with a Federal agency.

11.4 Use of Program Income (§200.307).

11.4.a Income earned during the period of performance that results from activities supported through a National Endowment for the Arts award is considered to be program income. These earnings can include, but are not limited to, income from fees for services, admission fees, or the use or rental of property (space, equipment, etc.)

11.4.b Per §200.307(e)(3) and .307(f), the National Endowment for the Arts allows program income to be used as part of the cost share/match for allowable expenses of the Arts Endowment-supported project, or for other eligible projects in the arts conducted by your organization.

11.5 Ineligible Matching Resources. These items are *not* eligible to meet your cost share/matching requirement:

11.5.a Other Federal funds, including other National Endowment for the Arts funds (§200.306(b)(5)). This includes federal funds that have been subgranted or disbursed to you from your State Arts Agency or another organization. You should consult your State Arts Agency or other organization to determine if any portion of their award to you includes funds from a federal agency.

11.5.b Resources that have been used to match another National Endowment for the Arts award or other Federal program (§200.306(b)(2)and §200.403(f)).

- 11.5.c Contributions or gifts provided to your organization that are restricted and cannot be used to support the project. This includes gifts (bequeathed or otherwise) which are not available to your organization during the award period of performance.

12. Cost Principles (2 CFR §200 – Subpart E)

12.1 The allowability of costs for work performed under your Arts Endowment award is determined in accordance with the appropriate Arts Endowment guidelines and the Uniform Guidance Subpart E-Cost Principles. All costs included in the approved project budget or reported on payment requests and financial reports for the award, whether supported with Federal or required cost share/matching funds or any voluntary cost share, must be:

- 12.1.a Necessary and reasonable for the performance of the Federal award.
- 12.1.b Allocable and in conformance with these cost principles and as set forth in the award (200.403(b)).
- 12.1.c Consistent with policies and procedures that apply uniformly to both Federally-financed and other activities of the non-Federal entity.
- 12.1.d Accorded consistent treatment as either a direct or indirect cost.
- 12.1.e Determined in accordance with generally accepted accounting principles (GAAP).
- 12.1.f Not included as a cost or used to meet cost sharing or matching requirements of any other Federally-financed program.
- 12.1.g Adequately documented for reporting and audit purposes.
- 12.1.h Incurred during the approved period of performance during which funds are budgeted.

Where the determination of cost allowability differs, the National Endowment for the Arts guidelines and GTCs (and any Specific Terms and Conditions, as appropriate) take precedence over the Uniform Guidance.

12.2 **Unallowable costs based on National Endowment for the Arts legislation and policy.** The following items of cost are unallowable per the Arts Endowment's enabling legislation and/or unallowable as a matter of agency policy, as outlined in the Arts Endowment's guidelines:

- 12.2.a Awards to individuals or organizations to honor or recognize achievement (P.L. 111–88, October 30, 2009, Sec. 438 (2)). However, fees for artists or arts organizations who provide services or goods to you under the Federal award are allowable.
- 12.2.b Cash reserves and endowments (National Endowment for the Arts guidelines).
- 12.2.c Construction, purchase, or renovation costs of facilities or land (National Endowment for the Arts guidelines). However, costs associated with predevelopment, design fees and community planning, as well as preparing exhibit space, setting a piece of public art, etc., may be allowable.

12.2.d Costs to bring a project into compliance with Federal award requirements (National Endowment for the Arts guidelines).

12.2.e Compensation to foreign nationals, including travel to or from foreign countries, when those expenditures are not in compliance with regulations issued by the [U.S. Treasury Department Office of Foreign Assets Control](#) (OFAC Sanctions/National Endowment for the Arts guidelines).

12.2.f Subgranting or regranting (P.L. 111–88, October 30, 2009, Sec. 438 (2)).

12.2.g The purchase of vehicles, including but not limited to cars, vans, buses, trucks, sport utility vehicles, etc. (200.403-5), and National Endowment for the Arts guidelines).

12.2.h Visa costs paid to the U.S. Government (P.L. 109-54, Title III General Provisions, Sec. 406); however, the cost of preparing material (legal documentation, etc.) for submission is allowable.

12.3 *Selected items of cost* under 2 CFR Part 200 that may or may not be allowable depending on circumstances:

12.3.a Conferences (§200.432). Costs of conferences (including meetings, retreats, seminars, symposia, workshops or other events whose primary purpose is dissemination of technical information) are still generally allowable, however:

- i. Conference sponsors must exercise discretion and judgment in ensuring that conference costs are appropriate, necessary, and managed in a manner that minimizes costs to the Federal award.
- ii. Costs associated with activities that generally occur at a closing meal, or a reception at the end of the working day, are unallowable. These activities also often have alcohol associated with them and/or are of a social nature, which are prohibited under Federal awards (see also 12.3.b. Entertainment.)

12.3.b Entertainment (§200.438). Entertainment, including amusement and social activities such as receptions, parties, galas, dinners, community gatherings, etc., and any associated costs including food, catering, alcoholic beverages, as well as costs for the planning, staffing, and supplies, for such, etc., **are unallowable.**

12.3.c Fundraising (§200.442). A percentage of salaries and fringe benefits for development or fundraising staff, or fees to contractors who raise funds to implement the National Endowment for the Arts project during the period of performance may be allowable costs. However:

- i. Salaries or other costs for general fundraising activities or events, including those for donors, or that benefit the organization as a whole, are unallowable.
- ii. Costs associated with activities such as galas or parties, picnics or other community gatherings where food and beverages are provided, are unallowable (see also 12.3.b Entertainment.)

12.3.d Home Office Workspace (§200.465(f)). Rental of any property owned by any individuals or entities affiliated with the non-Federal entity for purposes such as a home office workspace is unallowable.

12.3.e Indirect (Facilities & Administration or F&A) Costs (§200.414). Award recipients may claim indirect costs based on:

- i. A current and appropriate indirect cost rate negotiated with your Federal Cognizant Agency, or;
- ii. A de minimis rate.
 - o For awards issued on or after November 12, 2020, an organization that does not have a current negotiated (including provisional) rate may charge a de minimis rate of 10% on modified total direct costs (MTDC) if included in the project budget and approved by the Arts Endowment. For example, if an organization had negotiated an indirect cost rate previously, but the negotiated rates have expired, it has the option to claim the de minimis rate (§200.414 (f)). This de minimis rate may be used indefinitely. **(effective November 12, 2020).**

NOTE:

- You cannot claim both direct overhead/administrative costs and the de minimis, or negotiated, indirect cost rate.
- Research rates generally can only be used on National Endowment for the Arts Office of Research (ORA) awards. In some cases we may support research projects that aren't management by ORA, and may approve research rates.

More information about indirect costs for a National Endowment for the Arts award can be found in the *How to Manage Your National Endowment for the Arts Award and eGMS Reach Handbook* and the *Indirect Cost Guide* on the Arts Endowment's website.

12.3.f Goods for resale (National Endowment for the Arts guidelines, §200.421(e)(3) . Costs of goods for resale are unallowable. This includes the sale of concessions, promotional merchandise, including clothing, or items purchased for sale, even if related to your programming. It also includes any associated staffing or facilities costs. However, costs of items that are produced as part of the approved project activity (e.g. publishing books or exhibition catalogs, or making recordings or films for distribution) and that are incurred during the period of performance are allowable.

12.3.g Prohibited telecommunications and video surveillance services and equipment (§ 200.216 and .471) You may not buy or obtain, nor extend or renew a contract for, covered telecommunications and video surveillance services and equipment that is prohibited by [P. L. 115-232, section 889](#).

13. Travel (§200.475 and 41 CFR 301-10; §200.1)

Travel costs are expenses for transportation, lodging, subsistence, and related items incurred by those individuals who are on official business attributable to work under an award and in accordance with your entity's written travel reimbursement policies. In addition, "Participant Support Costs" (§200.1) may be approved for items such as stipends or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants (but not employees) in connection with conferences, projects, or events that are part of the grant.

13.1 Any airfare charged to the award, whether domestic or foreign, may not exceed the value of the basic least expensive unrestricted accommodations class offered by a commercial carrier (§200.475(e)).

13.2 Fly America Act (41 CFR 301-10.131 through .143)

13.2.a You are required to follow the provisions of the Fly America Act (49 USC 40118). The regulations regarding the Fly America Act are available at 41 CFR 301-10.131-143. Any air travel paid in whole or in part with National Endowment for the Arts funds must be on a U.S. flag air carrier or a foreign air carrier under an air transport agreement (code share agreement) with the United States when these services are available.

13.2.b For travel under an air transport agreement (code share agreement) the ticket, or documentation for an e-ticket, must identify the U.S. flag carrier's designator code and flight number, e.g. American Airlines (AA) 1606 operated by Air France.

13.2.c There are some exceptions to the Fly America Act, see 41 CFR 301-10.135-138. If you do use a foreign air carrier you must provide us with a certification, including a justification as to why your travel met one of the exceptions. We may request additional information if necessary.

Lower cost, convenience, or traveler preferences are NOT acceptable reasons for using a foreign air carrier.

13.3 Foreign Travel. Foreign travel is defined as any travel outside the United States, its territories and possessions.

For foreign travel that was not originally approved in your award, you must request written approval from the Office of Grants Management *before* travel is undertaken (§200.308.)

14. Changes in Your Project: Amendments (2 CFR 200.308)

14.1 You are required to carry out a project consistent with the application or proposal approved for funding by the National Endowment for the Arts. Amendment requests are considered on a case-by-case basis, and approval is not guaranteed.

Until you receive written approval from the Office of Grants Management, you may only incur costs consistent with the terms and conditions of the award in effect at the time of your request.

Detailed information about how to request an amendment can be found in the *How to Manage Your National Endowment for the Arts Award and eGMS Reach Handbook*.

14.1.a We have the right to request additional information, such as updates on specific project activities, including a revised budget or an itemized list of actual expenditures, as needed.

14.1.b If your organization is undergoing an audit by the National Endowment for the Arts Inspector General's office, amendments of the award(s) in question will be reviewed in conjunction with the audit resolution process.

14.2 The following types of amendments **require written approval from the Office of Grants Management:**

14.2.a Period of performance changes. This may include a new start date (no earlier than the earliest allowable start date per the Arts Endowment's guidelines), as well as an end date extension. Provide a brief justification for the change.

14.2.b Final report filing extension. This may include the Final Descriptive Report, Federal Financial Report, Geographic Location of Project Activity Report, and if required, a work product.

14.2.c Project scope changes. These include changes to the approved project activities, focus of content, significant changes in targeted participants, and changes in the breadth or impact of projects. These also include:

- (1) Changes in artists or key partners, if they were specifically identified as confirmed in the application or project budget. (Exception: Festival artist substitutions do not require a scope change, unless they were “headliners.”) Provide a short biography for each artist.
- (2) Changes in an activity’s location that may impact historic buildings or sites. (A project involving or occurring near a district, site, building, landscape, structure or object that is 50 years old or older). Complete the NHPA / NEPA Questionnaire.
- (3) Changes in the primary partner for Our Town grantees or other National Endowment for the Arts funding opportunities where primary partners are required.
- (4) Changes in the lead researcher for awards made by the Office of Research & Analysis (award number XXXXXXX-38-XX or XXXXXXX-38-C-XX).

14.2.d Budget Revisions.

- (1) Budget changes due to a significant change in the scope of the National Endowment for the Arts-supported project. If in doubt, contact the Office of Grants Management for guidance.
- (2) Adding permanent equipment.
- (3) Adding foreign travel.
- (4) Adding indirect/F&A costs allowable under a Federally-negotiated rate.

14.3 The following changes **do not** require written approval from us:

14.3.a Project activities.

- (1) Changes in organizational management/project administration (unless specified in your award document).
- (2) Changes in artists, participants, or project partners that were not identified specifically in the approved project. (This is common with festivals.)
- (3) Addition or removal of auxiliary programming as long as it does not impact the overall project scope.
- (4) Changes in project venues or touring locations, as long as: all project locations are fully accessible in compliance with Section 504 and the ADA, or specific accommodations will be made appropriately; and, the constituency to be reached is the same as originally approved.

14.3.b Budget revisions.

- (1) Transfers among direct cost line items (not including transferring funds to travel for international travel).
- (2) Elimination or addition of an allowable project cost that does not affect the scope of the award.

- (3) Replacement of in-kind match with cash match or other changes in match sources, as long as they meet all other cost share requirements.

14.4 Declining an Award. You may decide to decline the award after it has been made. Please see *How to Manage Your National Endowment for the Arts Award and eGMS Reach Handbook* for instructions.

15. Performance and Financial Reporting (2 CFR 200.327-344)

More information can be found in the *How to Manage Your National Endowment for the Arts Award and eGMS Reach Handbook*. **Report forms and instructions are also on our website.**

15.1. Progress Report (20 USC 954(j)). A progress report is required once the cumulative amount of National Endowment for the Arts funds requested exceeds two-thirds of the award amount. This information is most often reported on the payment request form submission, and must be approved before we release funds that exceed this amount.

15.2 Specific Reporting Requirements (§200.208). We may require you to submit certain information before funds can be released (e.g., verification of compliance with NEPA/NHPA requirements, a signed contract, in-kind documentation, an itemized list of actual expenditures to date, etc.) or at other times during the project. These Specific Terms and Conditions will be included in your award notification when applicable.

15.3 Final Reports (§200.339 and .344). To close out your award you must submit the following no later than 120 days after the period of performance end date (85 FR 49529 August 13, 2020):

15.3.a A Final Descriptive Report (FDR) that provides us with information on the performance of your award activities and associated data,

15.3.b A Federal Financial Report (FFR),

15.3.c Geographic Location of Project Activities report and,

15.3.d Any required work product(s) as identified.

15.4 Monitoring and Reporting Program Performance (§200.329 (b- c)). It is expected that the approved project, as described in the application, approved in the Notice of Action, and, if applicable, as amended with the approval of the Arts Endowment, will be completed by the end date of the period of performance. The goals and performance of the project will be measured and evaluated against the requirements described in the Arts Endowment guidelines for your particular award.

15.5 Failure to submit required reports (200.344(h)and (i)). You are required to submit all final reports within 120 days from the end date of the period of performance, or by the extended due date as amended. There are *severe* consequences if final reports are not received by the deadlines.

- This includes the Arts Endowment's withdrawal of any funds still available on the award, and eligibility for new awards.

15.5.a Failure to submit the required final reports for any award(s) renders you ineligible to receive National Endowment for the Arts funding for five (5) years following the final report due date of the award(s) or until the delinquent final reports are submitted, whichever occurs first.

Acceptability of final reports may also affect eligibility for new awards. These failures may also affect our ability to release funds on any other open awards. Federal awarding agencies may also pursue other enforcement actions (§200.339 and §200.344(i)).

15.5.b. Federal Awardee Performance and Integrity Information System or FAPIIS.

If you do not submit all reports within one year of the approved period of performance end date, the National Endowment for the Arts must report to FAPIIS your material failure to comply with the terms and conditions of the award. (85 FR 49529 August 13, 2020)

For awards issued under previous General Terms and Conditions after October 1, 2014 and before November 11, 2020, see below:

15.5.c For awards issued from October 1, 2014, to September 30, 2017. Failure to submit required and satisfactory final reports within 210 days after the period of performance end date will result in the withdrawal of any funds remaining on that award and the award will be closed out (see **19. Closeouts, Adjustments, etc.**).

For awards issued after October 1, 2017. Required final reports must be received within 150 days after the period of performance end date, and must be determined to be acceptable. Failure to do so will result in the actions as noted above.

16. Property Standards: Use and Disposition

16.1 Property may include commissioned, purchased, or fabricated art work(s) approved under the National Endowment for the Arts award. Unless otherwise specified, you will have title to this property, without further obligation to the Federal government, provided that it will be used for similar activities. One example of similar activity is selling the art work to another museum or visual art center with the intention that it will be available to the public. It may not be de-accessioned to a private collector where it would no longer be on view to the public.

16.2 Equipment (§200.1) includes tangible, nonexpendable, personal property

- Having a useful life of more than one (1) year, and
- A per unit cost that equals or exceeds the lesser of the
 - Capitalization level established by your organization, or
 - \$5,000
- That have been approved to purchase under the National Endowment for the Arts award.

16.2.a Buy American Act (41 USC 8301-8305) and Domestic Preference for Procurement (§200.322)

You are strongly encouraged to purchase American-made equipment in accordance with the "Buy American Act". Furthermore, you should, to the greatest extent, provide a preference for the purchase, acquisition, or use of goods, products, or materials (beyond equipment) produced in the United States.

16.2.b Disposition Instructions (§200.313(e) and (e)(1)). Unless otherwise specified, you will have title to equipment commissioned, purchased, or fabricated under the award, without further obligation to the Federal government, provided that it will be used for activities similar to those approved by us.

Items of equipment with a current fair market value of \$5,000 or less may be retained, sold, or otherwise disposed of with no further obligation to the National Endowment for the Arts.

16.3 Supplies (§200.314) include computing devices. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value, including computing devices purchased for \$5,000 or less per unit, you may retain them without further obligation to the Federal government, provided that they will be used for activities similar to those approved by us.

16.4 Intangible Property (§200.315).

16.4.a You may copyright any material that is subject to copyright and was developed, or for which ownership was acquired, under the National Endowment for the Arts award during the period of performance. For procedural information, visit the U.S. Copyright Office at www.copyright.gov. (§200.315(b)).

16.4.b We reserve a royalty-free, non-exclusive, and irrevocable right to reproduce, publish, or otherwise use work, as well as data, produced under a Federal award for Federal government purposes. We also have the right to authorize others to do the same (§200.315 (b), (d), and (e)).

16.4.c We strongly recommend that any publication that results from this award be cataloged by the Cataloging in Publication Program of the Library of Congress before final printing. This method of cataloging enables libraries to acquire and process books quickly. Publishers ineligible for this program may be eligible for the Library's Preassigned Control Number Program. Entering these titles in a national bibliographic database leads to greater dissemination of publications. For procedural information, visit the Library of Congress at <http://www.loc.gov/publish/cip/>.

17. Record Retention (2 CFR 200.334) and Access

17.1 Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of three (3) years from the date of submission of the final Federal Financial Report (FFR).

Exceptions include if litigation, claim, or audit is started before the expiration of the three-year period, or if we notify you in writing to extend the retention period.

17.2 Standards for Documentation of Personnel Expenses (§200.430(i)(1)). Charges to Federal awards for salaries and wages must be based on records that accurately reflect the work performed. The records must comply with your organization's internal controls and established accounting policies. Records must support these costs for both the Federal funds and cost share requirements. We may require personnel activity reports or equivalent documentation if necessary (§200.430(i)(8)). Also see 11.2 regarding in-kind.

17.3 Records for equipment must be retained for three (3) years after final disposition (§200.334(c)).

17.4 Access to Federal award information.

17.4.a During the period of performance and the subsequent retention period, the National Endowment for the Arts Inspector General, the Comptroller General of the United States, or any of our authorized representatives has the right of access to any documents, papers, or other records which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to your personnel for the purpose of interview

and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but last as long as records are retained (§200.337).

- 17.4.b** Federal award-related information should be collected and stored in open and machine-readable formats whenever practicable (§200.336). In addition, restrictions on public access are generally limited to protected personally identifiable information (PII) and FOIA and other applicable exemptions (§200.338).

18. Noncompliance

18.1 Remedies (§200.339). If you fail to comply with Federal statutes, regulations, or the terms and conditions of our award, we may impose additional conditions, as described in §200.208. If we determine that noncompliance cannot be remedied by imposing additional conditions, we may take one or more of the following actions, as appropriate in the circumstances:

- 18.1.a** Temporarily withhold cash payments pending correction of the deficiency, or more severe enforcement action.
- 18.1.b** Disallow the use of National Endowment for the Arts funds or your cost share/match for the unallowable costs or activities.
- 18.1.c** Wholly or partly suspend or terminate the National Endowment for the Arts award.
- 18.1.d** Initiate suspension or debarment proceedings as authorized under 2 CFR 180 and our regulations at 2 CFR 32.3254.
- 18.1.e** Withhold further National Endowment for the Arts awards.
- 18.1.f** Take other remedies that may be legally available.

18.2 Termination (§200.340). A termination occurs during the award period of performance. The Federal award may be terminated in whole or in part as follows,

- 18.2.a** By us, if you fail to comply with the terms and conditions of a Federal award;
- 18.2.b** By us, to the greatest extent authorized by law, if the award no longer meets the program goals or addresses agency priorities; (**85 FR 49529 August 13, 2020**)
- 18.2.c** By us, with your consent, in which case we will agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated; or
- 18.2.d** By you, upon sending us written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if we determine that the reduced or modified portion of the award will not accomplish the purposes or which it was made, we may terminate the award in its entirety.

18.3 Termination Provisions (§200.340(b)) may be included in Specific Terms for an individual award; a notification of intent by us to terminate, or other options. We reserve the right to take additional actions such as,

- Requiring you to return a portion or all of the award funds,
- Requesting that you remove acknowledgement of National Endowment for the Arts support,
- Recommending government-wide suspension, or
- Taking other legally available remedies.

You will be notified of such actions and be given an opportunity to provide information and come into compliance (200.340(c) and (200.341).

18.4 If your award is terminated due to your material failure to comply with the Federal award terms and conditions (see 18.2.a) during the period of performance, the Arts Endowment is required to report the termination to the OMB-designated integrity and performance system accessible through SAM (currently FAPIIS) per §200.340(c). The information will be available in the system for 5 years from the date of termination.

18.5 Government-wide suspension and debarment will follow a process in conjunction with our Office of Inspector General (see also 2 CFR Part 180).

19. Closeout, Adjustments, and Continuing Responsibilities (2 CFR 200.344-345)

After the period of performance end date, the next stage of an award's life is termed closeout. During the closeout process, the Arts Endowment reviews final reports and other items to determine if all applicable administrative actions and all required work of the award have been completed in an acceptable manner and in accordance with the terms and conditions of the award (see 15 above).

As a reminder, acceptable final reports must be submitted within 120 days of the approved period of performance end date of the award.

19.1 If you do not submit all required reports within one year of the approved period of performance end date, the National Endowment for the Arts is required to report your organization's material failure to comply with the terms and conditions of the award to the OMB-designated integrity and performance system (FAPIIS).

We may also pursue other enforcement actions (§200.344(i) and 200.339 (see 18.1 Remedies, above)).

19.2 If you need to return National Endowment for the Arts funds that you are not using, or you are not going to draw down all of the Arts Endowment award funds, follow the instructions in the *How to Manage Your National Endowment for the Arts Award and eGMS Reach Handbook*.

19.3 The closeout of a Federal award does not affect any of the following:

19.3.a Our right to disallow costs and recover funds on the basis of a later audit or other review within the record retention period.

19.3.b Your obligation to return any funds due as a result of later refunds, corrections, or other transactions including final indirect cost rate adjustments.

- 19.3.c** Our ability to make financial adjustments to a previously closed award.
- 19.3.d** Audit requirements if you must have a Single or Program-Specific Audit (see below).
- 19.3.e** Property management and disposition requirements.
- 19.3.f** Records retention as required in §200.334-337.

20. Single Audit Requirements (2 CFR 200.501)

The threshold for requiring a Single Audit or Program-specific audit is \$750,000 in yearly expenditures of Federal funds. This amount is the aggregate of funds from all Federal sources. If your organization meets or exceeds this threshold, a percentage of Single Audits costs may be included in your award budget. Otherwise, audit costs are unallowable (§200.425).

If you have questions about a Single Audit, contact the Office of Inspector General at (202) 682-5402 or oig@arts.gov.

Appendix A: National Policy and Other Legal Requirements, Statutes, and Regulations that Govern Your Award

You must ensure that the funded project is implemented in full accordance with the US Constitution, Federal Law, and public policy requirement: including, but not limited to, those protecting free speech, religious liberty, public welfare, the environment, and prohibit discrimination (§200.300).

As a registrant with SAM.gov, in most cases, you have already self-certified to the “Financial Assistance General Certifications and Representations,” including attesting to the accuracy of the certification and acknowledging that you may be subjected to criminal prosecution under Section 1001, Title 18 USC, or civil liability under the False Claims Act if you have misrepresented the information. A copy of this Financial Assistance Certifications Report is available in your SAM.gov entity registration record.

1. Nondiscrimination Policies

As a condition of receipt of Federal financial assistance, you acknowledge and agree to execute your project, and require any contractors, successors, transferees, and assignees to comply with applicable provisions of national laws and policies prohibiting discrimination, including but not limited to:

- 1.a Title VI of the Civil Rights Act of 1964, as amended**, and implemented by the National Endowment for the Arts at 45 USC 1110, provides that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance. Title VI also extends protection to persons with limited English proficiency (42 USC 2000d et seq.)
- 1.b As clarified by Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency**, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. You are encouraged to consider the need for language services for LEP persons in conducting your programs and activities. For assistance and information go to www.arts.gov/foia/reading-room/nea-limited-english-proficiency-policy-guidance.
- 1.c Title IX of the Education Amendments of 1972, as amended**, provides that no person in the United States shall, on the basis of sex, be excluded from participation in, be denied benefits of, or be subject to discrimination under any education program or activity receiving Federal financial assistance (20 USC 1681 et seq.)
- 1.d The Age Discrimination Act of 1975, as amended**, provides that no person in the United States shall, on the basis of age, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance (42 USC 6101 et seq.)
- 1.e The Americans with Disabilities Act of 1990 (ADA), as amended**, prohibits discrimination on the basis of disability in employment (Title I); State and local government services (Title II); and places of public accommodation and commercial facilities (Title III) (42 USC 12101-12213).
- 1.f Section 504 of the Rehabilitation Act of 1973, as amended**, provides that no otherwise qualified individual with a disability in the United States shall, solely by reason of his/her disability, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving Federal financial assistance (29 USC 794).

Access should be integrated into all facets and activities of an organization, from day to day operations to long range goals and objectives. Access accommodations and services should be given a high priority and funds should be available for these services. All organizations are legally required to provide reasonable and necessary accommodations for staff and visitors with disabilities.

Section 504 - Self-Evaluation and Additional Resources

- i. A Section 504 self-evaluation *must* be on file at your organization. To help your organization evaluate its programs, activities, and facilities to ensure full compliance with Section 504 accessibility requirements, the Civil Rights Office has a *Section 504 Self Evaluation Workbook* available on our website.
- ii. You should designate a staff member to serve as a 504 Coordinator. The completed workbook or similar compliance and supporting documentation should be kept on file for a period of three (3) years from the date the Federal Financial Report (FFR) is filed, and made available to the public and the National Endowment for the Arts upon request. The NATIONAL ENDOWMENT FOR THE ARTS may request the 504 Workbook or your compliance documents for various potential scenarios including an Inspector General audit and/or civil rights investigation.
- iii. *Design for Accessibility: A Cultural Administrator's Handbook* provides guidance on making access an integral part of an organization's staffing, mission, budget, and programs. This Handbook and other resources may be downloaded from the National Endowment for the Arts website. If you have questions, contact the Office of Accessibility at accessibility@arts.gov; (202) 682-5532; FAX (202) 682-5715; or TTY (202) 682-5496.

2. Environmental and Preservation Policies

2.a The National Environmental Policy Act of 1969, as amended, applies to any Federal funds that would support an activity that may have environmental implications. We may ask you to respond to specific questions or provide additional information in accordance with the Act. If there are environmental implications, we will determine whether a categorical exclusion may apply; to undertake an environmental assessment; or to issue a "finding of no significant impact," pursuant to applicable regulations and 42 USC Sec. 4332.

2.b The National Historic Preservation Act of 1966, as amended, applies to any Federal funds that support activities that have the potential to impact any structure eligible for or on the National Register of Historic Places, adjacent to a structure that is eligible for or on the National Register of Historic Places, or located in a historic district, in accordance with Section 106. This also applies to planning activities that may affect historic properties or districts. We will conduct a review of your project activities, as appropriate, to determine the impact of your project activities on the structure or any affected properties. Agency review must be completed prior to any agency funds being released. You may be asked to provide additional information on your project to ensure compliance with the Act at any time during your award period (16 USC 470).

Other National Policies

3. Debarment and Suspension. You must comply with requirements regarding debarment and suspension in Subpart C of 2 CFR 180, as adopted by the National Endowment for the Arts in 2 CFR 32.3254.

There are circumstances under which we may receive information concerning your fitness to carry out a project and administer Federal funds, such as:

- i. Conviction of, or a civil judgment for, the commission of fraud, embezzlement, theft, forgery, or making false statements;
- ii. Any other offense indicating a lack of business integrity or business honesty that seriously and directly affects your present responsibility;
- iii. Any other cause of so serious or compelling a nature that it affects an organization's present responsibility.

In these circumstances, we may need to act quickly to protect the interest of the government by suspending your funding while we undertake an investigation of the specific facts. We may coordinate our suspension actions with other Federal agencies that have an interest in our findings. A suspension may result in your debarment from receiving Federal funding government-wide for up to three (3) years.

4. The Drug Free Workplace Act requires you to publish a statement about your drug-free workplace program. You must give a copy of this statement to each employee (including consultants and temporary personnel) who will be involved in award-supported activities at any site where these activities will be carried out.

You must maintain on file the place(s) where work is being performed under this award (i.e., street address, city, state, and zip code). You must notify the National Endowment for the Arts Office of Grants Management of any employee convicted of a violation of a criminal drug statute that occurs in the workplace (41 USC 701 et seq. and 45 CFR 1155).

5. Lobbying. You may not conduct political lobbying, as defined in the statutes and regulations listed below, within your Federally-supported project. In addition, you may not use Federal funds for lobbying specifically to obtain awards. For definitions and other information on these restrictions, refer to the following:

- 5.1** No part of the money appropriated by any enactment of Congress shall, in the absence of express authorization by Congress, be used directly or indirectly to pay for any personal service, advertisement, telegram, telephone, letter, printed or written matter, or other device, intended or designed to influence in any manner a Member of Congress, a jurisdiction, or an official of any government, to favor, adopt, or oppose, by vote or otherwise, any legislation, law, ratification, policy, or appropriation, whether before or after the introduction of any bill, measure, or resolution proposing such legislation, law, ratification, policy, or appropriation; but this shall not prevent officers or employees of the United States or of its departments or agencies from communicating to any such Member or official, at his request, or to Congress or such official, through the proper official channels, requests for any legislation, law, ratification, policy, or appropriations which they deem necessary for the efficient conduct of the public business, or from making any communication whose prohibition by this section might, in the opinion of the Attorney General, violate the Constitution or interfere with the conduct of foreign policy, counter-intelligence, intelligence, or national security activities (18 USC 1913).
- 5.2** Lobbying (2 CFR 200.450) describes the cost of certain influencing activities associated with obtaining grants, contracts, cooperative agreements, or loans as an unallowable project cost. The regulation generally defines lobbying as conduct intended to influence the outcome of elections or to influence elected officials regarding pending legislation, either directly or through specific lobbying appeals to the public.
- 5.3** Certification Regarding Lobbying to Obtain Awards. Section 319 of Public Law 101-121, codified at 31 USC 1352, prohibits the use of Federal funds in lobbying members and employees of Congress, as well as employees of Federal agencies, with respect to the award or amendment of any Federal grant, cooperative agreement, contract, or loan. While non-Federal funds may be used for such activities, they may not be

included in your project budget, and their use must be disclosed to the awarding Federal agency. Disclosure of lobbying activities by long-term employees (employed or expected to be employed for more than 130 days) is, however, not required. In addition, the law exempts from definition of lobbying certain professional and technical services by applicants and awardees.

6. Davis-Bacon and Related Acts (DBRA), as amended, requires that each contract over \$2,000 to which the United States is a party for the construction, alteration, or repair of public buildings or public works (these activities include, but are not limited to, painting, decorating, altering, remodeling, installing pieces fabricated off-site, and furnishing supplies or equipment for a work-site) must contain a clause setting forth the minimum wages to be paid to laborers and mechanics employed under the contract. Under the provisions of DBRA, contractors or their subcontractors must pay workers who qualify under DBRA no less than the locally prevailing wages and fringe benefits paid on projects of a similar character.

Information about the laborers and projects that fall under DBRA can be found in the Department of Labor's Compliance Guide at www.dol.gov/compliance/guide/dbra.htm. DBRA wage determinations are to be used in accordance with the provisions of Regulations, [29 CFR Part 1](#), [Part 3](#), and [Part 5](#), and with DOL's Compliance Guide. The provisions of DBRA apply within the 50 states, territories, protectorates, and Native American nations (if the labor is completed by non-tribal laborers).

7. The Native American Graves Protection and Repatriation Act of 1990 applies to any organization that controls or possesses Native American human remains and associated funerary objects and receives Federal funding, even for a purpose unrelated to the Act (25 USC 3001 et seq.).

8. U.S. Constitution Education Program. Educational institutions (including but not limited to "local educational agencies" and "institutions of higher education") receiving Federal funds from any agency are required to provide an educational program on the U.S. Constitution on September 17 (P.L. 108-447, Division J, Sec. 111(b)). For more information on how to implement this requirement and suggested resources, see www2.ed.gov/policy/fund/guid/constitutionday and <http://thomas.loc.gov/teachers/constitution.html>.

9. Prohibition on use of funds to ACORN or its subsidiaries. None of the Federal or matching funds expended for your awarded project may be distributed to the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries (P.L. 111-88 Sec. 427).
