

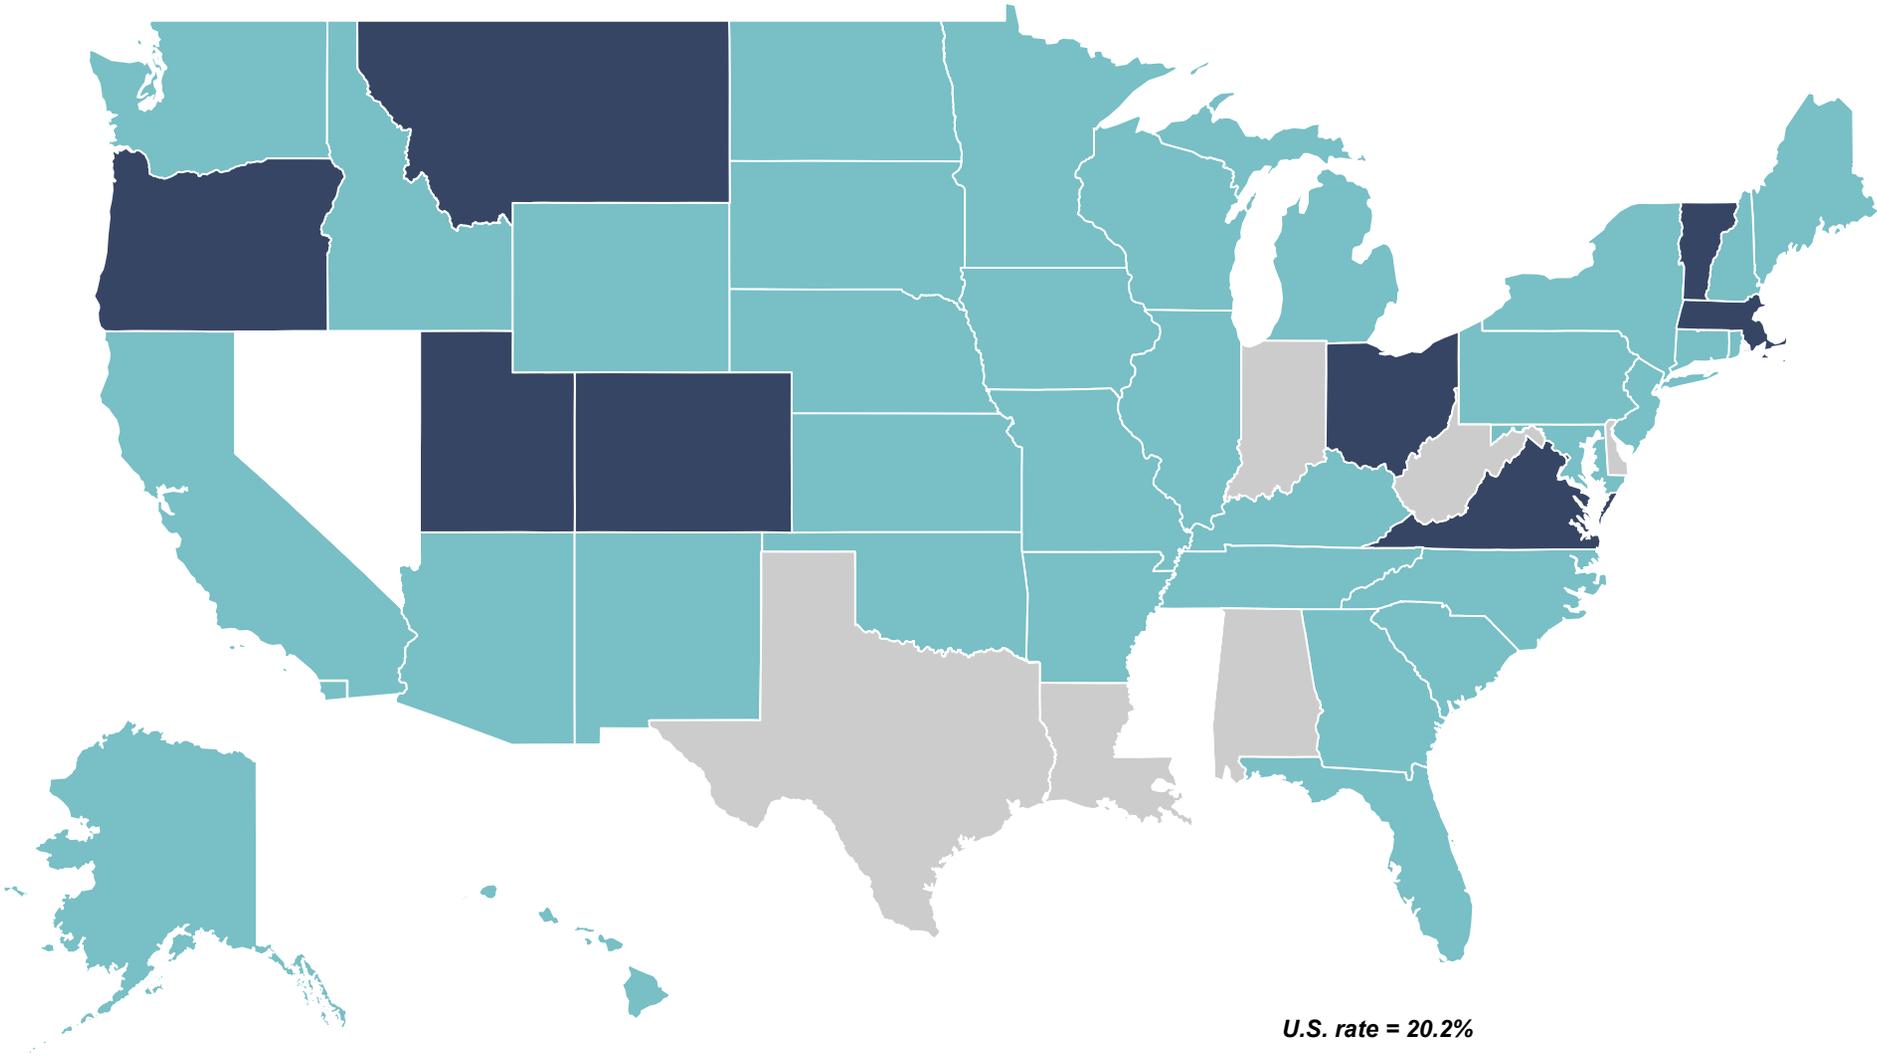

Map 2. Percent of U.S. adults attending art exhibits, by state: 2020

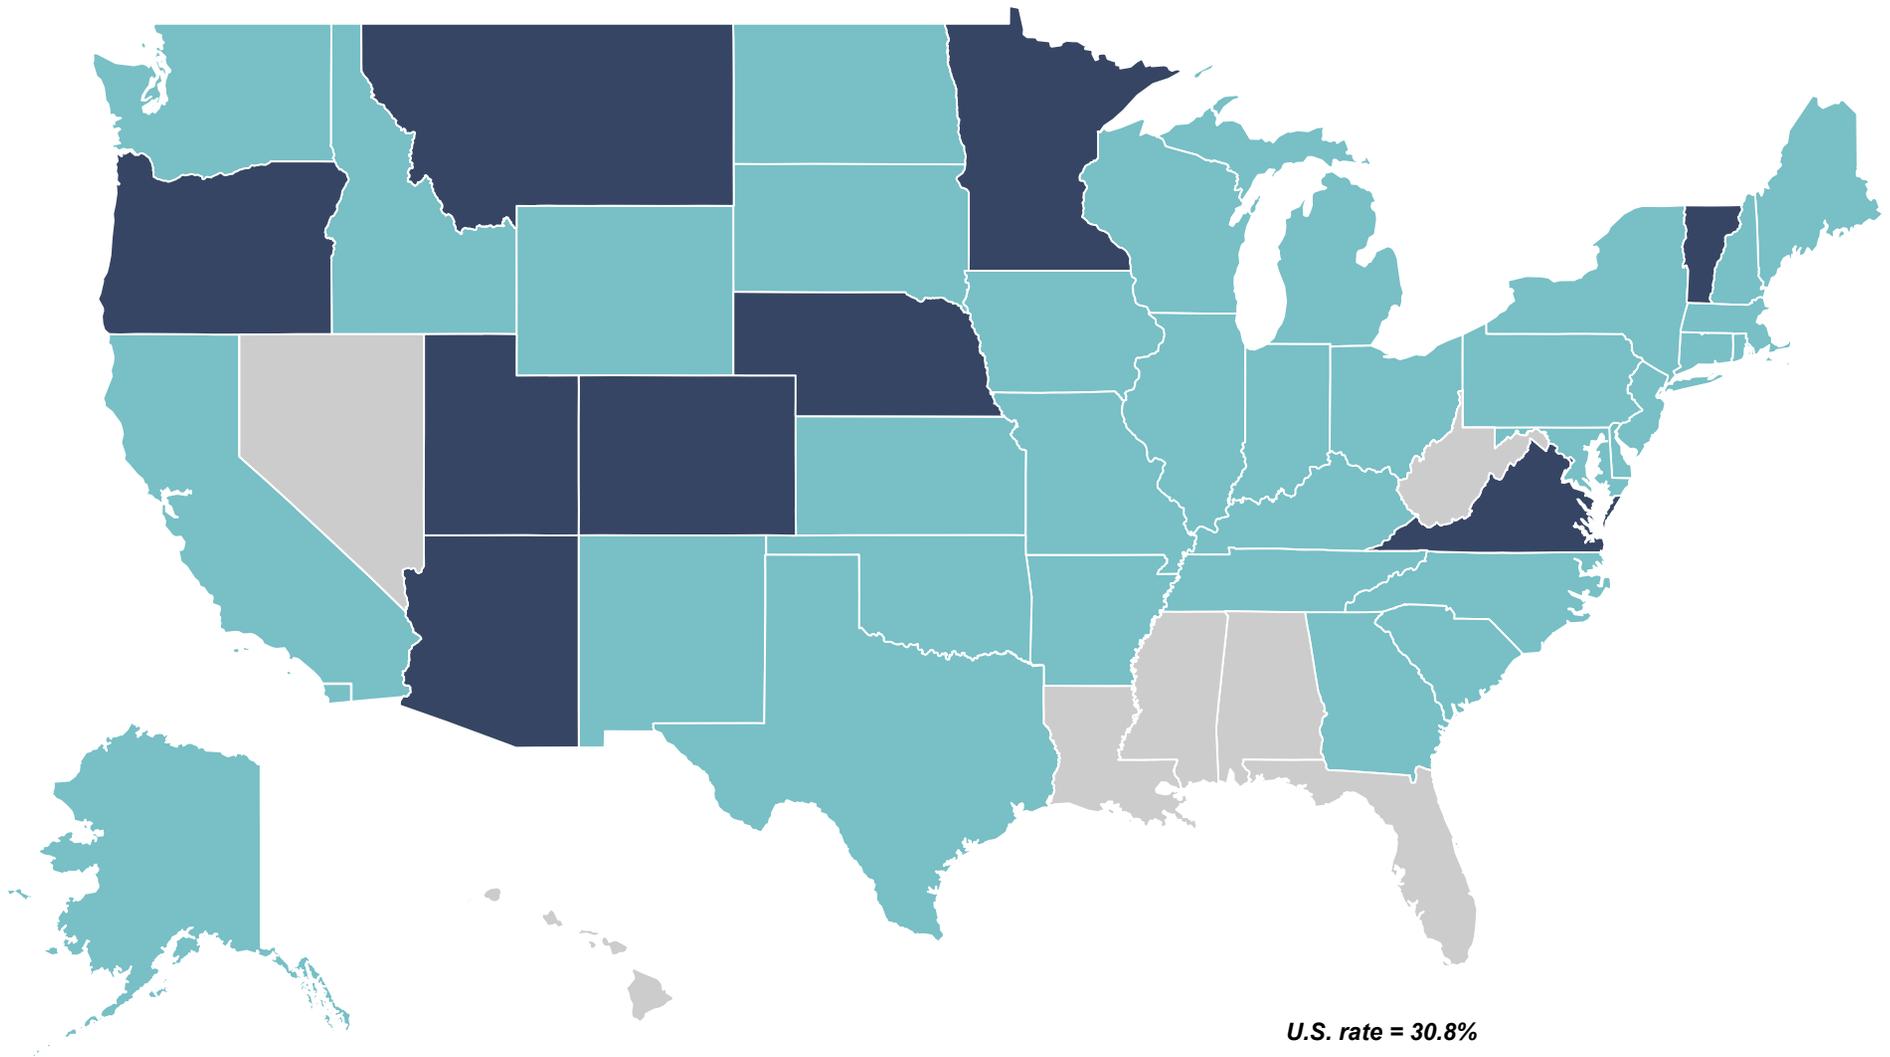

U.S. rate = 20.2%

- Significantly greater than the U.S. rate
- Roughly equal to the U.S. rate
- Significantly lower than the U.S. rate

Estimates for states in white are not reported because the associated coefficients of variation exceed 30%.

Arts Basic Survey
Covering the pre-pandemic months of February 2019 to February 2020
Reported differences from the U.S. rate are statistically significant at 90 percent confidence.
Office of Research & Analysis
National Endowment for the Arts
November 2022

Map 3. Percent of U.S. adults visiting historic parks or monuments, or touring buildings or neighborhoods for their historic or design value, by state: 2020

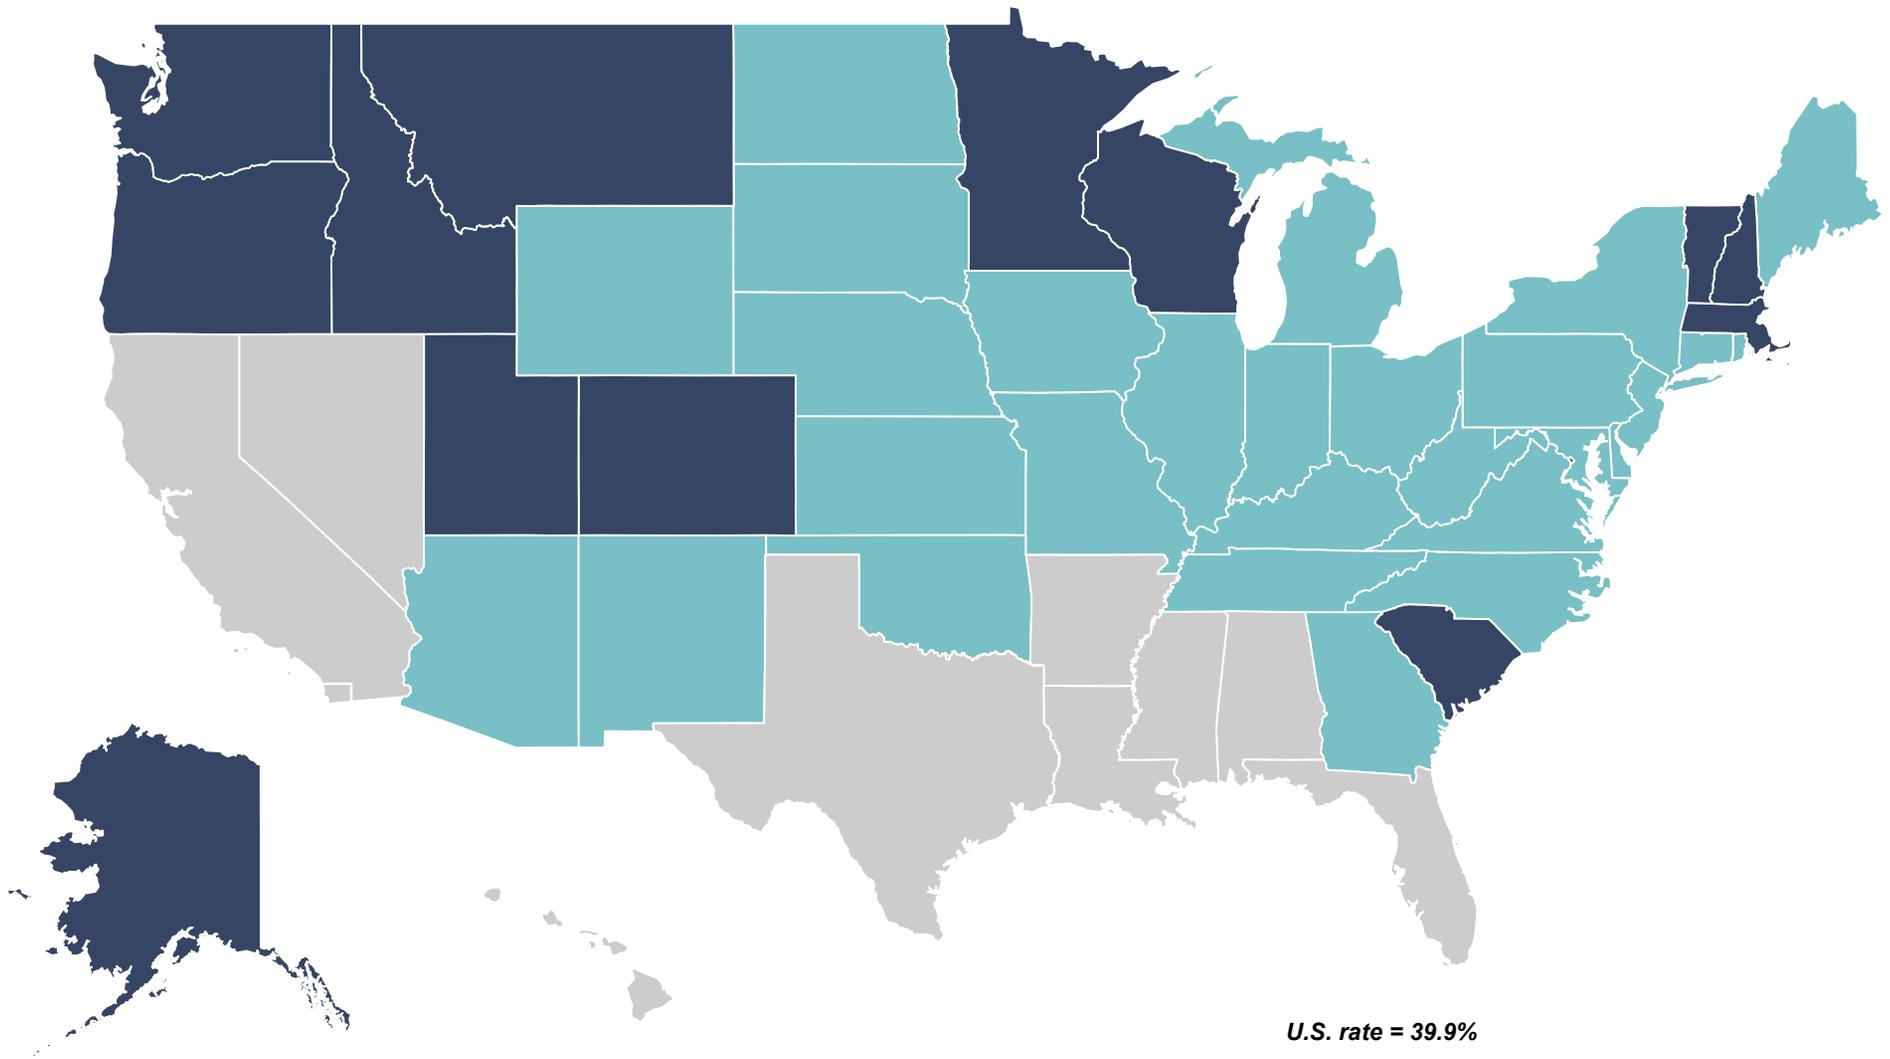

U.S. rate = 30.8%

-  Significantly greater than the U.S. rate
-  Roughly equal to the U.S. rate
-  Significantly lower than the U.S. rate

Arts Basic Survey
Covering the pre-pandemic months of February 2019 to February 2020
Reported differences from the U.S. rate are statistically significant at 90 percent confidence.
