REPORTING REQUIREMENTS
Grants to Organizations
Grant Numbers xxxxxxx-xx-FY
Rev. May 2018

Materials regarding your award are online at https://www.arts.gov/manage-your-award/awards-after-oct1-2017-to-organizations. Reporting requirements for your award are described below and in the “Report Schedule” document visible in REACH, the National Endowment for the Arts’ online grants management system for award recipients. Use this system for FY18 grants and later. User names for REACH were provided in your offer and award notification.

PROGRESS REPORT
Generally, only one progress report will be required during the grant period. It is submitted as part of the Payment Request form through REACH. Limit your response to the space provided on the online form.

The Progress Report is due the first time the cumulative amount requested EXCEEDS two thirds (2/3) of the grant award amount. The Progress Report must include a description of grant supported activities that:
- Have been undertaken since the grant period start date, and
- Are scheduled for the remainder of the grant period.

FINAL REPORTS
Submit Final Reports through the Reports Tab for your award in REACH no later than 90 days after the grant period end date. You will be ineligible for any National Endowment for the Arts (NEA) awards if you fail to submit required and acceptable Final Reports for previous awards. Go to https://www.arts.gov/manage-your-award/awards-after-oct1-2017-to-organizations for Final Reports instructions.

The Final Report includes:

2. **Final Descriptive Report** (FDR).
   - narrative describing the project activities and
   - data about specific activities and participants

3. **Geographic Location of Project Activity** (GEO)
   - A listing of the geographic location(s) and venue(s) where grant activities took place.

4. **Final Product Requirement.** If a final product is required for this grant, it is indicated on the “Report Schedule” document and Reports Tab in REACH.
   - If the product is available online, include the Web address or link.
   - If a hard copy is required use a delivery service to mail it. Prominently label your product with your organization’s name and grant number. First-class mail to the NEA is delayed due to security screening. Products put through this process suffer irreversible damage. When sending, use an alternative delivery service, such as UPS or FEDEX.
