

How to Use This Document

NOTE: You will only be able to complete this part of the application process if you have submitted an SF-424 form through Grants.gov by the appropriate deadline. Please see <https://www.arts.gov/grants-organizations/challenge-america/step-1-submit-sf-424-to-grants.gov> for more information.

This document will guide you through completing [Step 2 of the Challenge America application process](#); it contains detailed instructions for completing the Grant Application Form in NEA-GrantsOnline (NEA-GO). Please review all sections of this document to see the required fields needed to complete the application, along with detailed instructions on what you should include in each section. This document will also include any specifications about your material (e.g., character limits for narrative responses, acceptable work sample formats).

You should **prepare your responses and material well in advance of the Step 2 deadline** and have them fully ready to upload once NEA-GO opens.

Challenge America Deadline:

Step 1 - Submit SF-424 to Grants.gov	April 14, 2016
Step 2 - Submit Materials to NEA-GO	April 28, 2016 to 11:59 p.m., Eastern Time on May 5, 2016

You will not have access to the online Grant Application Form until NEA-GO is available for you to submit your application material.

Part 1: Organizational Information

You will be asked to provide the following information in this section:

Legal Name (should match SF-424)

Popular Name (if different)

For this application, are you serving as the Parent of an Independent Component (before choosing, [see the definition](#) of official Independent Component status): Y/N

Organization Budget

Budget Form: Complete this section using figures for the most recently completed fiscal year, the previous fiscal year, and the fiscal year prior to that.

Sample View of Organizational Budget Form:

	Most Recently Completed FY	Previous FY	Two FYs Prior
FY End Date (MM/DD/YYYY)			
Income			
Earned			
Contributed			
TOTAL INCOME	\$ 0	\$ 0	\$ 0
Expenses			
Artistic Salaries			
Production / Exhibition / Service Expenses			
Administrative Expenses			
TOTAL EXPENSES	\$ 0	\$ 0	\$ 0
Operating Surplus / Deficit	\$ 0	\$ 0	\$ 0

When completing this form you'll use the line items below for each fiscal year. Unaudited figures are acceptable. And figures that amount to \$0 are acceptable in cases where organizations do not have a budget line for that particular figure.

Income

- **Earned:** Revenues that are received through the sale of goods, services performed, or from investments. Examples: ticket sales, subscription revenue, contractual fees, interest income.
- **Contributed:** Gifts that are received which are available to support operations. Examples: annual fund donations, grants for general operating or project support, in-kind contributions.

Expenses

- **Artistic Salaries:** Costs that are directly related to the creation, production, and presentation of art work. Examples: fees for dancers, choreographers, actors, curators, artistic directors, contributors to literary publications. Include arts personnel that are on your staff as well as those that are paid on a contract or fee basis.
- **Production/exhibition/service expenses:** All program or service delivery costs, excluding artistic salaries and fees that are listed above. Examples: research expenditures; presentation costs; costs of sets, costumes, and lighting; publication costs of catalogues or literary magazines.

- **Administrative expenses:** All other costs that are incurred during the normal course of business. Examples: outside professional non-artistic services, space rental, travel, marketing, administrative salaries, utilities, insurance, postage.

NOTE: The figures are subject to verification by the National Endowment for the Arts.

If you are a parent organization, provide this information for the independent component on whose behalf you are applying (e.g., for a university project, provide the information for the independent component, not the entire university). *Academic departments within universities and colleges are **not** considered independent components.* For independent components, you may use the space to discuss the fiscal health of your organization to explain the relationship that the independent component has with the larger entity (e.g., "museum guards and utilities paid for by university"). If your organization is a smaller entity that exists within a larger organization (such as literary organization housed at a college or university), submit information for the smaller entity and follow the instructions for parent organizations and independent components.

This is intended to show your organization's fiscal activity as it relates to operations. Do not include activity related to a capital campaign (such as raising money for a new facility, an endowment fund, or a cash reserve fund). You will be given an opportunity to explain and discuss the fiscal health of your organization, including identifying the source of the activities, as needed. We may request additional information to clarify an organization's financial position.

Fiscal Health: You will be asked to account for the fiscal health of your organization. (1,000 Character Limit, including spaces)

Programmatic Activity: Submit a representative list of your programmatic activities for the past three years/seasons.

This list should demonstrate eligibility (i.e., your organization's three-year history of programming) and the artistic excellence and merit of your organization. For the purpose of defining eligibility, "three-year history" refers to when an organization began its programming and not when it incorporated or received nonprofit, tax-exempt status. Where available, include arts or cultural programming that has a relationship to the project for which you are requesting support (e.g., show examples of previous festival programming if your project is for a festival). For projects that involve touring, list your organization's touring activities for the past three years/seasons.

You'll enter your information this way:

Year	TITLE/ WORK/ PROGRAM	KEY ARTISTS/ PERSONNEL	# OF CLASSES, PERFORMANCES, EXHIBITIONS, RESIDENCIES, ETC.	# OF PARTICIPANTS OR AUDIENCE	TOURING INFO., IF APPLICABLE
------	----------------------------	---------------------------	---	-------------------------------------	---------------------------------

You may include up to 5 activities for each year/season (2013/2013-14; 2014/2014-15; 2015/2015-16).

Do not exceed the following character limits (including spaces) per entry:

- Year, 9 characters
- Title/Work/Program, 200 characters
- Key Artists/Personnel, 200 characters
- # of Classes, Performances, Exhibitions, Residencies, etc., 4 characters
- # of Participants or Audience, 8 characters
- Touring Info., If Applicable, 200 characters

Programmatic Activity notes: Provide any notes about your programmatic activity. (1,000 Character Limit, including spaces)

Part 2: Project Information

NEA Discipline for Proposed Project: This refers to the artistic discipline associated with your project, not necessarily your organization as a whole.

- Artist Communities
- Dance (including dance presentation)
- Design (including architecture, communications and graphic design, fashion design, historic preservation, industrial and product design, interior design, landscape architecture, planning, universal design, rural design, social impact/public interest/human centered design, and urban design)
- Folk & Traditional Arts (including folk & traditional arts projects in any art form)
- Literature
- Local Arts Agencies (Local arts agencies generally are referred to as arts councils, departments of cultural affairs, or arts commissions. LAAs can be nonprofit entities or public sector municipal, county, or regional agencies that operate in cooperation with mayors and city managers. LAAs may present and/or produce arts programming, commission and manage public art, administer grant programs, provide technical assistance to artists and arts organizations, and guide cultural planning efforts. Still others may own, manage, and/or operate cultural facilities and be actively engaged in community development, and partner with entities in tourism, social services, public education, housing, economic development, and public safety. All strive to enhance the quality of life in their communities by working to increase public access to the arts. You will also find national and statewide arts service organizations in the LAA portfolio that work primarily with a network of LAAs. LAAs should submit applications through Local Arts Agencies regardless of project discipline. There are two exceptions: curriculum-based Arts Education or Collective Impact projects and Folk and Traditional arts projects.)
- Media Arts
- Museums (including projects in any discipline that are submitted by a museum)
- Music (including music presentation)
- Opera (including opera presentation)
- Presenting & Multidisciplinary Works (projects that involve multiple arts disciplines including multidisciplinary arts presenting and other types of multidisciplinary activities)
- Theater & Musical Theater (including theater and musical theater presentation)
- Visual Arts

NEA Grant Category:

Please see the "[Grant Program Description](#)" for Challenge America to make sure that your project fits within your selected project types: Guest artists, public art, or unified promotion

- Challenge America: Arts event(s) with guest artist
- Challenge America: Public art
- Challenge America: Unified Promotion/Cultural Tourism

If guest artist is selected, these two questions will appear:

Who is your Guest Artist? (200 Character Limit, including spaces)

What is the Guest Artist's role in the culminating event? (1,500 Character Limit, including spaces)

Project Activities

Project Title: If your project title has changed since you submitted through Grants.gov, provide a new project title in the text field below. Text cannot be formatted (e.g., bold, italics). If you have no changes, leave the text as is (e.g., do not type "N/A").

Project Description: If your project description has changed since you submitted through Grants.gov, provide a new description in the text field below. Text cannot be formatted (e.g., bold, italics). If you have no changes, leave the text as is (e.g., do not type "N/A").

Major Project Activities: Describe the proposed project. Be as specific as possible about the activities that will take place during the allowable project period. Where relevant, include information on any educational component or outreach activities of the project. Do not describe unrelated organizational programming. If applicable, identify any works of art that will be central to the project and the reason for their selection. (4,000 Character Limit, including spaces)

Selection of Key Individuals: Briefly describe the process and criteria for the selection of key individuals that will be involved in this project (e.g. primary artist(s), project director, artistic director, executive director, teaching artist, curator, editor, folklorist, conductor). Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the procedures that you plan to follow and the qualifications that you seek. (1,000 Character Limit, including spaces)

Bios of Key Individuals: Include brief, current biographies of the key individuals. You may include up to 5.

- **First Name**
- **Last Name** (Use this field for artistic group names or single names)
- **Proposed or committed?** Select answer from drop-down.
- **Bio.** (1,000 Character Limit, including spaces)

Selection of Key Organizational Partners: An organizational partner is an outside entity that will provide resources (other than money) to support the project. Because all NEA projects require matching resources from non-federal sources, organizations that only provide money are not considered partners. Funders are not excluded from being partners, but they must also supply human resources or information capital, or actively participate in another way. If

applicable, briefly describe the process and criteria for the selection of key organizations that will be involved in the project. Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the selection procedures that you plan to follow and the qualifications that you seek. (1,000 Character Limit, including spaces)

Description of Key Organizational Partners: Include brief, current descriptions of the key organizational partners. You may include up to 10.

- **Organization Name**
- **Proposed or committed?** Select answer from drop-down.

Description of the Organization (500 Character Limit, including spaces)

Underserved Populations

Identify the specific underserved audience(s) your project is intended to reach. For the Challenge America category, all projects must extend the reach of the arts to one of the four populations. See [here](#) for more information.

Choose all that apply:

1. Geography
2. Ethnicity
3. Economics
4. Disability

Intended Audience/Participants/Community: Who will benefit from the project and how? (2,000 Character Limit, including spaces)

Schedule of Key Project Dates: Describe the significant dates in the project. If you include activities that occur before January 1, 2017, make sure that those activities and costs are not included on the Project Budget form. (1,500 Character Limit, including spaces)

Promotion & Publicity: Briefly describe your plans for promoting and/or publicizing the project. (1,000 Character Limit, including spaces)

Accessibility: Federal regulations require that all NEA-funded projects be accessible to people with disabilities. Funded activities must be held in an accessible venue and program access and effective communication must be provided for participants and audience members with disabilities. If your project is recommended for funding, you will be asked to provide information describing how you will make your project physically and programmatically accessible to people with disabilities:

- Buildings and facilities (including projects held in historic facilities), should be physically accessible. This includes, but is not limited to: ground-level entry, ramped access, and/or elevators to the venue; integrated and dispersed wheelchair seating in assembly areas; wheelchair-accessible box office, stage, and dressing rooms; wheelchair-accessible display cases, exhibit areas, and counters; and wheelchair-accessible restrooms and water fountains.
- The programmatic offering should be accessible either as part of the funded activity or upon request, where relevant. This can include, but is not limited to: contact information for requesting accommodations; electronic materials and websites; print materials in alternative formats, such as large-print brochures/labels, Braille, and electronic/digital formats; accommodations for performance, tours, and lectures, such as audio description, tactile opportunities, sign language interpretation, and real-time captioning; closed/open captioning of video and film; and assistive listening devices.

Please see the [Nondiscrimination Statutes](#) in our "[Assurance of Compliance](#)" for additional information. For technical assistance on how to make your project fully accessible, contact the Accessibility Office at accessibility@arts.gov, 202/682-5532 Voice or the Civil Rights Office at 202/682-5454 or 202/682-5082 Voice/T.T.Y., or see our online [Accessibility Resources](#).

Will your project be accessible to people with disabilities, inclusive of physical and programmatic access for those with physical, hearing, vision, and cognitive disabilities? Y/N

Performance Measurement: How will you measure the success of your project? Describe any plans you have for program evaluation, for working collaboratively with researchers, strategic consultants, program evaluators, and/or any other plans for performance measurement related to the project. (1,000 Character Limit, including spaces)

Please see "[Program Evaluation Resources](#)" for additional information.

Part 3: Project Budget

NOTE: Organizations cannot receive more than one National Endowment for the Arts grant for the same expenses. This budget cannot include project costs that are supported by any other federal funds or their match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

Your **Project Budget** should reflect only those activities and associated costs that will be incurred during the "Period of Performance" that you have indicated for your project. Any costs incurred before or after those dates will be removed.

All items in your budget, whether supported by NEA funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, allowable in terms of the NEA General Terms and Conditions, and adequately documented.

Applicants whose projects are recommended for grants will be asked to update the project budget.

While the Project Budget on the Grant Application Form will allow unlimited characters in the line items descriptions, please use the character maximums listed in the instructions below. If you go beyond the character maximums, your expanded information will not be seen by NEA staff or reviewers.

EXPENSES

DIRECT COSTS are those that are identified specifically with the project during the period of performance, and are allowable. Be as specific as possible.

1. **DIRECT COSTS: Salaries and wages** cover compensation for personnel, administrative and artistic, who are paid on a salary basis. (Funds for contractual personnel and compensation for artists who are paid on a fee basis should be included in "3. Other expenses" on the Project Budget form, and not here.) Indicate the title and/or type of personnel (40 characters maximum), the number of personnel (30 characters maximum), the annual or average salary range (40 characters maximum), and the percentage of time that will be devoted to the project annually (30 characters maximum). List key staff positions, and combine similar functions. Where appropriate, use ranges. If the costs for evaluation and assessment are part of staff salary and/or time, separately identify those costs.

Salaries and wages for performers and related or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See "**Legal Requirements**" for details.) NEW: Awards that the NEA makes after December 26, 2014, now allow the following:

Salaries/wages/fringe benefits incurred in connection with fundraising specifically for the project. These costs must be incurred during the NEA project period of performance, and be approved as allowable project expenses by the agency.

Fringe benefits are those costs other than wages or salary that are attributable to an employee, as in the form of pension, insurance, vacation and sick leave, etc. They may be included here only if they are not included as indirect costs.

Sample View of Salaries and Wages Form:

Total fringe benefits (b):				
Total salaries and fringe benefits (a + b):	0			

- DIRECT COSTS: Travel** must be estimated according to the applicant's established travel practice, providing that the travel cost is reasonable and does not exceed the cost of air coach accommodations. Limit your descriptions to these character maximums: # of Travelers = 20 characters; From = 50 characters; To = 50 characters. Include subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as appropriate. Foreign travel, if any is intended, must be specified by country of origin or destination and relate to activity outlined in your narrative. Foreign travel also must conform with government regulations, including those of the U.S. Treasury Department Office of Foreign Asset Control. If National Endowment for the Arts funds are used for foreign travel, such travel must be booked on a U.S. air-carrier when this service is available. List all trips -- both domestic and foreign -- individually.

Sample View of Travel Form:

2. Direct Costs: Travel (include subsistence)			
# OF TRAVELERS	FROM	TO	AMOUNT
Total Travel			0

3. **DIRECT COSTS: Other expenses** include consultant and artist fees, contractual services, promotion, acquisition fees, rights, evaluation and assessment fees, access accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling), telephone, photocopying, postage, supplies and materials, publication, distribution, translation, transportation of items other than personnel, rental of space or equipment, and other project-specific costs. List artist compensation here if artists are paid on a fee basis. For procurement requirements related to contracts and consultants, please review 2 CFR Part 200.317-.326. Limit your descriptions to 100 characters maximum.

Television broadcast projects and educational/interpretive videos must be closed or open captioned. Applicants should check with captioning organizations for an estimate.

Clearly identify the rental of equipment versus the purchase of equipment. If you intend to purchase any equipment that costs \$5,000 or more per item and that has an estimated useful life of more than one year, you must identify that item here. Provide a justification for this expenditure either in this section of the Project Budget form or in your narrative. Computing devices are considered supplies if less than \$5,000 per item regardless of the length of useful life.

If you engage in contracts of more than \$15,000, identify the item or service and its relation to the project.

Group similar items together on a single line, with only one total cost. List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter

4. **TOTAL DIRECT COSTS** is the total of all direct cost items listed in "1. Salaries and wages," "2. Travel," and "3. Other expenses."
5. **INDIRECT COSTS** are overhead or administrative expenses that are not readily identifiable with a specific project. (The costs of operating and maintaining facilities and equipment, depreciation or use allowances, and administrative salaries and supplies are typical examples of indirect costs.) Indirect costs are prorated or charged to a project through a rate negotiated with the National Endowment for the Arts or another federal agency (limit your description of Federal Agency to 50 characters). You are not required to have an indirect cost/facilities and administration rate to apply for or receive a grant. You may claim administrative costs or overhead as direct costs under "3. Other expenses." Alternatively, a non-federal entity that has never received a negotiated indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). For more information see 2 CFR Part 200.414.f. However, you cannot claim both Indirect Costs and Administrative/overhead costs; you must choose one method or the other. If you have a negotiated rate and would like to include indirect costs, complete the information requested in this section. If you do not have or intend to negotiate an indirect cost rate, or do not plan to charge a de minimis 10% rate leave this section blank. Applicants may only apply a Research ICR for applications to the Research: Artworks program. For additional information, see "[Indirect Cost Guide for NEA Grantees.](#)"

6. **TOTAL PROJECT COSTS** is the total of "4. Total direct costs," and, if applicable, "5. Indirect costs." **NOTE:** "3. Total project income" must equal the "Total project costs." Your project budget should not equal your organization's entire operating budget.

INCOME

1. **AMOUNT REQUESTED FROM THE** All grants are for \$10,000.
2. **TOTAL COST SHARE/MATCH FOR THIS PROJECT:** Because the National Endowment for the Arts cannot support more than 50% of a project's costs, we require each applicant

to obtain at least half the total cost of each project from nonfederal sources. For example, if you receive a \$10,000 grant, your total project costs must be at least \$20,000 and you must provide at least \$10,000 toward the project from nonfederal sources. These matching funds may be all cash or a combination of cash and in-kind contributions as detailed below. Be as specific as possible. For projects that include additional partners, indicate on the form the portion of the match that is being contributed by each participant. Asterisk (*) those funds that are committed or secured.

Cash match refers to the cash donations (including items or services that are provided by the applicant organization), grants, and revenues that are expected or received for this project. Limit your descriptions to 100 characters maximum. Do not include any National Endowment for the Arts or other federal grants -- including grants from the NEH, ED, NPS, etc. -- that are anticipated or received. If you include grants from your state arts agency or regional arts organization as part of your match, you must ensure that the funds do not include subgranted federal funds. Identify sources. The National Endowment for the Arts allows the use of unrecovered indirect costs as part of the cash match or cost sharing. Your organization must have a federal negotiated indirect cost rate agreement to include unrecovered indirect costs.

In-kind: Donated space, supplies, volunteer services are goods and services that are donated by individuals or organizations other than the applicant (third-party). Limit your descriptions to 100 characters maximum. To qualify as matching resources, these same items also must be identified in the project budget as direct costs to ensure their allowability. In-kind items not reflected as direct costs will be removed from your budget. The dollar value of these non-cash donations should be calculated at their verifiable fair-market value. Identify sources. Reminder: Proper documentation must be maintained for all items noted as "in-kind."

3. **TOTAL PROJECT INCOME** is the total of "1. Amount requested from the National Endowment for the Arts "and 2. Total match for this project."

2. Total Match for this project

Total match for this project (2a + 2b):	0
3. Total project income (1 + 2):	\$ 10,000

Part 4: Items to Upload

Upload your work samples here.

Preparation

Below are the required items to upload to NEA-GO. These are a critical part of your application and are considered carefully during application review. Submit items in the format and within the space limitations described below. Only upload materials that we request. Other items that you include will not be reviewed.

WORK SAMPLES: Video/audio/digital image/website/documents

Work samples are **required** for all Challenge America applications. These work samples should demonstrate the artistic excellence and artistic merit of your project. Wherever possible, this should be a sample of work by the primary artist(s) for the project. For projects that involve **guest artists**, you must submit an example of work by the proposed artist(s). For projects that focus on **unified promotion**, the work sample should reflect the work of the individual(s) responsible for the development/design or the quality of the resources, as appropriate. For **public art** projects, the work sample should reflect the work of the proposed lead artist(s). We will accept the following:

Type	Video	Audio	Images	Documents	Websites
Max. #	5	5	15	3	5
Max. Time Each Sample Panelists will review up to 20 minutes for all work samples combined	3 minutes	3 minutes			
Max. Size Each Sample 250 MB for all work samples combined	250 MB	5 MB	5 MB	5 MB/15 pages	5 MB
File Types	avi, flv, mov, mp4, mpeg, rm, and wmv; or PDF with links	mp3, wma, wav, aac, mid, midi, mpa, and ra	jpeg, gif, bmp, png, and tif; or PDF with images	PDF	PDF with links

- For performing arts projects, audio or video samples.
- For media projects, audio or video samples.
- For design/museum/visual arts projects, digital images.
- For literary projects, documents.
- For multidisciplinary projects, submit samples in at least two art forms.

Information About Uploaded Items

For each item that you upload, you will find a descriptive field into which you will enter the following information, as appropriate:

Title box:

This title must not contain an apostrophe (if you use one your item will not upload). Title each item with a unique name.

- For video/audio/digital image/website/document work samples, state the title of the work or organization represented by the work sample.

Description box:

For video/audio/digital image/website/document work samples:

- Company/Artist.
- Title of work/image/activity (if different from first bullet).
- Date work created/performed or date of activity.
- Brief description including how the work sample relates to proposed project.
- For images of visual artworks, the medium and dimensions of the work.
- For audio and video samples, length of the sample.
- If appropriate, include cueing instructions

Applicants submitting multiple websites or multiple images on a PDF should include the relevant information from above with each website or image in the PDF. The descriptive field for the file should provide a brief overview of the group of images or websites as a whole.

Please arrange the items in the following order when uploading to NEA-GO:

- Video Work Samples
- Audio Work Samples
- Image Work Samples
- Other Types of Work Samples

Additional Guidance for Video Samples

You may submit a link to a video sample, or upload a video sample directly to NEA-GO.

If you submit a link:

Submit a PDF with a link to the website. If you are including more than one website, list them all on a single PDF. For each site, list the URLs for pages to be shown; include any necessary information on required plug-ins, passwords, or navigation paths. Do not submit links to sites that require work samples to be downloaded (e.g., Dropbox).

If you upload directly to NEA-GO:

In order to be uploaded, videos must meet the following minimum requirements:

- Resolution: At least 480 x 360
- Frames per second (fps): At least 12

You can often check the resolution of a video as follows. In Windows environments, find the file on your computer, right click it, and select "Properties." On a Mac, hold the Control key, and click on the file name. Select "Get Info" and the information should display. Most videos are a standard 29 frames per second.

While the above requirements are the minimum, submitting your video in the mp4 (H.264) format at 640 x 480 with mp3 audio will allow for efficient uploading while showing your clips to best advantage.

If your video doesn't meet the minimum resolution requirements above, there are a number of software programs you can use to convert your video.

If you are submitting more than one video sample, you will upload each individually, in a separate file.

Additional Guidance for Digital images

You may either combine all of your images into a single PDF file or upload each image in a separate file. Image size should be consistent; 1024 x 768 pixels is suggested.

Additional Guidance for Documents (Literary Samples, Publications, Periodicals, Catalogues, Architectural Schematics, Marketing Materials)

Leave a margin of at least one inch at the top, bottom, and sides of all pages. Use only 8.5 x 11 inch size pages. Do not reduce type below 12 point font size. Within each PDF, number

pages sequentially; place numbers on the bottom right hand corner of each page. **Excess pages will be removed and not be reviewed.**

If you have to scan material, please follow the guidance below:

- Scan images at a resolution of 300 dpi. Resolutions over 300 dpi will result in unnecessarily large files.
- Experiment with the JPEG quality settings. Saving the document as a "medium quality" or "low quality" JPEG will reduce the file size, and is not likely to reduce readability.
- When you have scanned the images, combine them into a single PDF file. **Submit a single file for each document; do not submit a separate file for each scanned page.**

Additional Guidance for Websites

Do not submit your organization's general website. Only submit a website that is an essential part of the project.

If you are including more than one website, list them all on a single PDF. For each site, list the URLs for pages to be shown; include any necessary information on required plug-ins, passwords, or navigation paths. Do not submit links to sites that require work samples to be downloaded (e.g., Dropbox).

NOTE: If you provide links to works samples -- audio samples, digital images, video samples, or documents – the same limits on work samples uploaded directly to NEA-GO apply to those provided via links.

Part 5: Organization & Project Profile
