

## How to Use This Document

These instructions are for the Literature discipline. For more information, see [here](#). If you are applying in a different Art Works discipline, [please refer to their instructions](#), as instructions vary by discipline.

**NOTE:** You will only be able to complete this part of the application process if you have submitted an SF-424 form through Grants.gov by the appropriate deadline. Please see <https://www.arts.gov/grants-organizations/art-works/literature/step-1-submit-sf-424-to-grants-gov> for more information.

This document will guide you through completing [Step 2 of the Art Works application process](#); it contains detailed instructions for completing the Grant Application Form in NEA-GrantsOnline (NEA-GO) or NEA’s applicant portal. Please review all sections of this document to see the required fields needed to complete the application, along with detailed instructions on what you should include in each section. This document will also include any specifications about your material (e.g., character limits for narrative responses, acceptable work sample formats). For your application to be considered complete, every item that is required **MUST** be included in your application.

**You will not have access to enter information into the online Grant Application Form until NEA-GO or the NEA’s applicant portal is available.** However, you should **prepare your responses and material well in advance of the Step 2 deadline** and have them fully ready to upload once NEA-GO or the NEA’s applicant portal opens.

**Applicants to the first Art Works deadline will use NEA-GO; applicants to the second Art Works deadline will use the NEA’s applicant portal.**

### First Art Works Deadline (Literary Publishing Projects):

Step 1 - Submit SF-424 to Grants.gov	February 16, 2017
Step 2 - Submit Materials to NEA-GO	February 23, 2017 to 11:59 p.m., Eastern Time on March 2, 2017

### Second Art Works Deadline (Audience Development Projects):

Step 1 - Submit SF-424 to Grants.gov	July 13, 2017
Step 2 - Submit Materials to NEA’s new applicant portal	July 20, 2017 to 11:59 p.m., Eastern Time on July 27, 2017

## View Application Data

This section is the first screen you will see when you open the GAF. It cannot be edited; it is autopopulated with information you entered on the SF-424 form that was submitted to Grants.gov. If you find any incorrect information on this page, please [contact](#) the staff.

### Part 1: Organizational Information

You will be asked to provide the following information in this section:

**Legal Name** (should match SF-424)

**Popular Name** (if different)

**For this application, are you serving as the Parent of an Independent Component** (before choosing, [see the definition](#) of official Independent Component status: Y/N)

**Mission of Your Organization** (500 Character Limit, including spaces)

**Summary of the background/history of your organization** (2,000 Character Limit, including spaces)

#### **Organization Budget**

**Budget Form:** Complete this section using figures for the most recently completed fiscal year, the previous fiscal year, and the fiscal year prior to that. We recommend starting with the oldest (Two FYs prior) so the operating surplus/deficit line auto-calculates easily.

Sample View of Organizational Budget Form:

	Most Recently Completed FY	Previous FY	Two FYs Prior
FY End Date (MM/DD/YYYY)			
<b>Income</b>			
Earned			
Contributed			
<b>TOTAL INCOME</b>			
<b>Expenses</b>			
Artist Salaries			
Production/Exhibition/Service Expenses			
Administrative Expenses			
<b>TOTAL EXPENSES</b>			
Operating Surplus/Deficit			
Cumulative Surplus/Deficit			

When completing this form you'll use the line items below for each fiscal year. Unaudited figures are acceptable. And figures that amount to \$0 are acceptable in cases where organizations do not have a budget line for that particular figure.

**Income**

- **Earned:** Revenues that are received through the sale of goods, services performed, or from investments. Examples: ticket sales, subscription revenue, contractual fees, interest income.
- **Contributed:** Gifts that are received which are available to support operations. Examples: annual fund donations, grants for general operating or project support, in-kind contributions.

**Expenses**

- **Artistic Salaries:** Costs that are directly related to the creation, production, and presentation of art work. Examples: fees for dancers, choreographers, actors, curators, artistic directors, contributors to literary publications. Include arts personnel that are on your staff as well as those that are paid on a contract or fee basis.
- **Production/exhibition/service expenses:** All program or service delivery costs, excluding artistic salaries and fees that are listed above. Examples: research expenditures; presentation costs; costs of sets, costumes, and lighting; publication costs of catalogues or literary magazines.

- **Administrative expenses:** All other costs that are incurred during the normal course of business. Examples: outside professional non-artistic services, space rental, travel, marketing, administrative salaries, utilities, insurance, postage.

**NOTE:** The figures are subject to verification by the National Endowment for the Arts.

If you are a parent organization, provide this information for the independent component on whose behalf you are applying (e.g., for a university project, provide the information for the independent component, not the entire university). *Academic departments within universities and colleges are **not** considered independent components.* For independent components, you may use the space to discuss the fiscal health of your organization to explain the relationship that the independent component has with the larger entity (e.g., "museum guards and utilities paid for by university"). If your organization is a smaller entity that exists within a larger organization (such as literary organization housed at a college or university), submit information for the smaller entity and follow the instructions for parent organizations and independent components.

**This is intended to show your organization's fiscal activity as it relates to operations.** Do not include activity related to a capital campaign (such as raising money for a new facility, an endowment fund, or a cash reserve fund). You will be given an opportunity to explain and discuss the fiscal health of your organization, including identifying the source of the activities, as needed. We may request additional information to clarify an organization's financial position.

**Fiscal Health:** Discuss the fiscal health of your organization. In addition, you must explain: 1) any changes of 15% or more in either your income or expenses from one year to the next, and 2) plans for reducing any deficit (include the factors that contributed to the deficit and its amount). (1,000 Character Limit, including spaces)

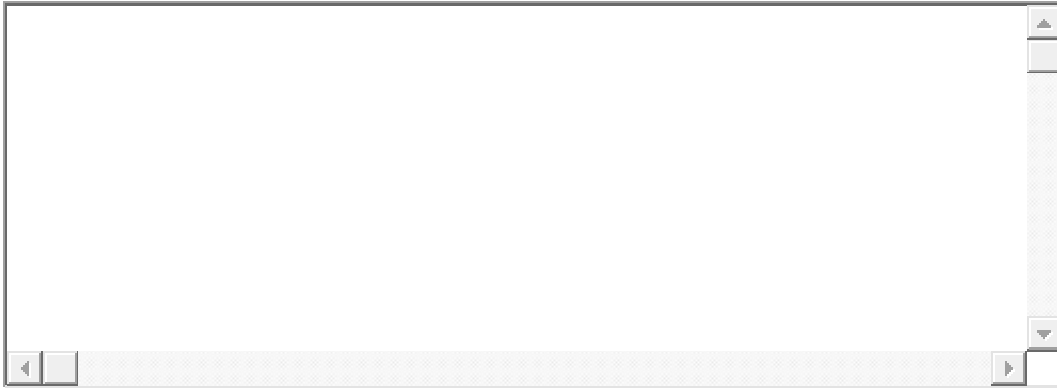

**Programmatic Activity:** Submit a representative list of your programmatic activities for the past three years/seasons (e.g., 2014 or 2014-15; 2015 or 2015-16; 2016 or 2016-17).

This list should demonstrate eligibility (i.e., your organization's three-year history of programming) and the artistic excellence and merit of your organization. For the purpose of defining eligibility, "three-year history" refers to when an organization began its programming and not when it incorporated or received nonprofit, tax-exempt status. Where available, include arts or cultural programming that has a relationship to the project for which you are requesting support (e.g., show examples of previous festival programming if your project is for a festival; provide a list of relevant publications and/or associated events if your project is primarily publishing focused). List key artist(s)/personnel and provide attendance figures. If listing publications, no attendance figures are required; you may instead provide other evidence of your publications' reach (e.g., units sold or net sales). For projects that involve touring, list your organization's touring activities for the past three years/seasons.

You'll enter your information this way:

- Year 1

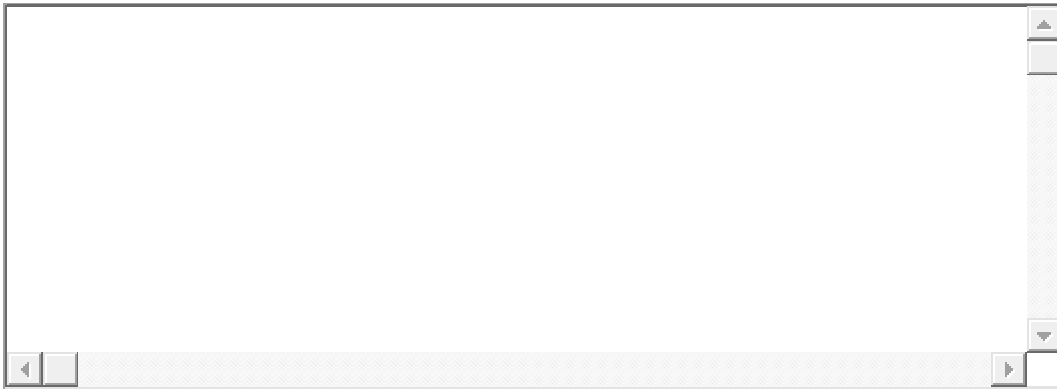

- Representative examples:

- Year 3

- Representative examples:

**Programmatic Activity notes:** Provide any notes about your programmatic activity. Include additional context or information that may be needed to understand the figures you've provided. (1,000 Character Limit, including spaces)

## Part 2: Project Information

**NEA Discipline for Proposed Project:** This refers to the artistic discipline associated with your project, not necessarily your organization as a whole. Choose the artistic discipline carefully because your selection will determine which panel of experts will review your proposal. In limited cases, staff may transfer an application to a discipline other than the one that was selected by the applicant to ensure appropriate panel review. However, we cannot guarantee that an application will be transferred in all cases where this might be desirable. [Contact us](#) if you have any questions about which discipline is most appropriate for your project. Each discipline has different instructions. Be sure to download the instructions according to the discipline that best suits your project.

Choose: **Literature**

### Project Activities

**Project Title:** If your project title has changed since you submitted your SF-424 through Grants.gov, provide a new project title in the text field below. Text cannot be formatted (e.g., bold, italics). If you have no changes, leave the text as is. Do not type "N/A" as this will replace the previously submitted title.

**Project Description:** If your project description has changed since you submitted your SF-424 through Grants.gov, provide a new description in the text field below. Text cannot be formatted (e.g., bold, italics). If you have no changes, leave the text as is. Do not type "N/A" as this will replace the previously submitted project description.

**Major Project Activities:** This will serve as the project narrative. Describe the proposed project. Be as thorough and specific as possible about the activities that will take place during the allowable project period. Where relevant, include information on any additional public components such as educational or outreach activities of the project. Do not describe unrelated organizational programming. If applicable, identify any works of art that will be central to the project and the reason for their selection. (4,000 Character Limit, including spaces)

**Selection of Key Organizational Partners:** If your project involves organizational partners, describe the process and criteria for the selection of key organizations. Where relevant, describe their involvement in the development of the project to date. Where they remain to be selected, describe the selection procedures that you plan to follow and the qualifications that you seek. An organizational partner is an outside entity that will provide resources (other than money) to support the project. Because all NEA projects require matching resources from non-federal sources, organizations that only provide money are not considered partners. Funders are not excluded from being partners, but they must also supply human resources or information capital, or actively participate in another way. (1,000 Character Limit, including spaces)

**Description of Key Organizational Partners:** Include brief, current descriptions of the key organizational partners and their proposed role in the project. You may include up to 10.

- **Organization Name**
- **Proposed or committed?** Select answer from drop-down.

**Description of the Organization** (500 Character Limit, including spaces)

**Selection of Key Individuals:** Briefly describe the process and criteria for the selection of key individuals who will be involved in this project (e.g. primary artist(s), project director, artistic director, executive director, teaching artist, curator, editor, folklorist, conductor). Where relevant, name the key individuals and describe their involvement in the development of the project to date. Where they remain to be selected, describe the procedures that you plan to follow and the qualifications that you seek. (1,000 Character Limit, including spaces)

**Bios of Key Individuals:** Include brief, current biographies of the key individuals. You may include up to 5.

- **First Name**
- **Last Name** (Use this field for artistic group names or single names)
- **Proposed or committed?** Select answer from drop-down.
- **Bio.** including the proposed role in the project (1,000 Character Limit, including spaces)

**Schedule of Key Project Dates:** Describe the significant dates in the project. If you include activities that occur before the earliest allowable start date (January 1, 2018, if you apply at the February 16, 2017, deadline or June 1, 2018, if you apply at the July 13, 2017, deadline), indicate by adding an asterisk (\*) and make sure that those activities and costs are not included on the Project Budget form. (1,500 Character Limit, including spaces)

**Promotion & Publicity:** Briefly describe your plans for promoting and/or publicizing the project. (1,000 Character Limit, including spaces)

**Performance Measurement:** How will you measure the success of your project? Describe any plans you have for program evaluation, for working collaboratively with researchers, strategic consultants, program evaluators, and/or any other plans for performance measurement related to the project. (1,000 Character Limit, including spaces)

Please see "[Program Evaluation Resources](#)" for additional information.

**Intended Audience/Participants/Community:** Who will benefit from the project and how? (2,000 Character Limit, including spaces)

**Discipline-Specific Items**

Submit any items specified for your discipline that are relevant to your particular project. If necessary, combine items in a single field and label the items clearly. (3 text fields at 6,000 Character Limit each, including spaces)

For all projects:

- Provide links for up to **three** relevant project/organization web pages (do not provide more than three).
- Provide up to **five** additional bios of key individuals (as needed). Include: first name; last name; whether the individual is proposed or committed to the project; and a current biography, including the proposed role in the project.

For projects that have a publishing component:

- **Magazines:** Briefly outline your payment to writers policy; print runs; and circulation figures, detailing paid and unpaid subscriptions, single-copy sales, and sell-through figures.
- **Presses:** For each proposed work, list author payments, print runs, and expected sales (units sold).
- **Presses:** If your project involves publishing an anthology, provide a sample table of contents.

For Audience and Professional Development projects submitted under the July deadline:

- Briefly outline your payment to writers policy (e.g., what compensation do you offer writers/artists who contribute to your programs?)

## Part 3: Project Budget

**NOTE:** Organizations cannot receive more than one National Endowment for the Arts grant for the same expenses. This budget cannot include project costs that are supported by any other federal funds or their match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

Your **Project Budget** should reflect only those activities and associated costs that will be incurred during the "Period of Performance" that you have indicated for your project. Any costs incurred before or after those dates will be removed. REMINDER: The earliest allowable project start date is January 1, 2018, if you apply at the February 16 deadline, or June 1, 2018, if you apply at the July 13 deadline.

All items in your budget, whether supported by NEA funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, allowable in terms of the NEA General Terms and Conditions, and adequately documented.

Applicants whose projects are recommended for grants will be asked to update the project budget.

**The Project Budget on the Grant Application Form allows unlimited characters in the line items descriptions. However, if you exceed the character maximums outlined in bold below, your text will be automatically cut off and not be seen by NEA staff or reviewers.**

### **EXPENSES**

**DIRECT COSTS** are those that are identified specifically with the project during the period of performance, and are allowable. Be as specific as possible.

1. **DIRECT COSTS: Salaries and wages** cover compensation for personnel, administrative and artistic, who are paid on a salary basis. (Funds for contractual personnel and compensation for artists who are paid on a fee basis should be included in "3. Other expenses" on the Project Budget form, and not here.) Indicate the title and/or type of personnel (40 characters maximum), the number of personnel (30 characters maximum), the annual or average salary range (40 characters maximum), and the percentage of time that will be devoted to the project annually (30 characters maximum). List key staff positions, and combine similar functions. Where appropriate, use ranges. If the costs for evaluation and assessment are part of staff salary and/or time, separately identify those costs.

Salaries and wages for performers and related or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See "**Legal Requirements**" for details.) NEW: Awards that the NEA makes after December 26, 2014, now allow the following:

Salaries/wages/fringe benefits incurred in connection with fundraising specifically for the project. These costs must be incurred during the NEA project period of performance, and be approved as allowable project expenses by the agency.

**Fringe benefits** are those costs other than wages or salary that are attributable to an employee, as in the form of pension, insurance, vacation and sick leave, etc. They may be included here only if they are not included as indirect costs.

Sample View of Salaries and Wages Form:

**Costs**

1. Direct Costs: Salaries and wages				
TITLE AND/OR TYPE OF PERSONNEL	NUMBER OF PERSONNEL	ANNUAL OR AVERAGE SALARY RANGE	% OF TIME DEVOTED TO THIS PROJECT	AMOUNT
<b>Total Salaries and wages (a):</b>				<b>\$0</b>
Fringe Benefits				
<b>Total fringe benefits (b):</b>		<b>\$0</b>		
<b>Total salaries and fringe benefits (a + b):</b>		<b>\$0</b>		

- DIRECT COSTS: Travel** must be estimated according to the applicant's established travel practice, providing that the travel cost is reasonable and does not exceed the cost of air coach accommodations. Limit your descriptions to these character maximums: # of Travelers = 20 characters; From = 50 characters; To = 50 characters. Include subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as appropriate. Foreign travel, if any is intended, must be specified by country of origin or destination and relate to activity outlined in your narrative. Foreign travel also must conform with government regulations, including those of the [U.S. Treasury Department Office of Foreign Asset Control](#). If National Endowment for the Arts funds are used for foreign travel, such travel must be booked on a U.S. air-carrier when this service is available. List all trips -- both domestic and foreign -- individually.

Sample View of Travel Form:

<b>2. Direct Costs: Travel (include subsistence)</b>			
<b># OF TRAVELERS</b>	<b>FROM</b>	<b>TO</b>	<b>AMOUNT</b>
<b>Total Travel</b>			<b>\$0</b>

3. **DIRECT COSTS: Other expenses** include consultant and artist fees, contractual services, promotion, acquisition fees, rights, evaluation and assessment fees, access accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling), telephone, photocopying, postage, supplies and materials, publication, distribution, translation, transportation of items other than personnel, rental of space or equipment, and other project-specific costs. List artist compensation here if artists are paid on a fee basis. For procurement requirements related to contracts and consultants, please review [2 CFR Part 200.317-.326](#). Limit your descriptions to 100 characters maximum.

Television broadcast projects and educational/interpretive videos must be closed or open captioned. Applicants should check with captioning organizations for an estimate.

Clearly identify the rental of equipment versus the purchase of equipment. If you intend to purchase any equipment that costs \$5,000 or more per item and that has an estimated useful life of more than one year, you must identify that item here. Provide a justification for this expenditure either in this section of the Project Budget form or in your narrative. Digital computers, mobile devices, or other new technologies are considered supplies if less than \$5,000 per item regardless of the length of useful life.

If you engage in contracts of more than \$15,000, identify the item or service and its relation to the project.

Group similar items together on a single line, with only one total cost. List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter them throughout the list. Specify the number of persons, the service being provided, and the applicable fee, rate, or amount of each. For other types of line items, provide details of what is included in each item.

Sample View of Other Expenses Form:

3. Direct Costs: Other	AMOUNT
<b>Total other expenses:</b>	<b>\$0</b>

4. **TOTAL DIRECT COSTS** is the total of all direct cost items listed in "1. Salaries and wages," "2. Travel," and "3. Other expenses."
5. **INDIRECT COSTS** are overhead or administrative expenses that are not readily identifiable with a specific project. (The costs of operating and maintaining facilities and equipment, depreciation or use allowances, and administrative salaries and supplies are typical examples of indirect costs.) Indirect costs are prorated or charged to a project through a rate negotiated with the National Endowment for the Arts or another federal agency (limit your description of Federal Agency to 50 characters). You are not required to have an indirect cost/facilities and administration rate to apply for or receive a grant. You may claim administrative costs or overhead as direct costs under "3. Other expenses." Alternatively, a non-federal entity that has never received a negotiated indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). For more information see [2 CFR Part 200.414.f](#). However, you cannot claim both Indirect Costs and Administrative/overhead costs; you must choose one method or the other. If you have a negotiated rate and would like to include indirect costs, complete the information requested in this section. If you do not have or intend to negotiate an indirect cost rate, or do not plan to charge a de minimis 10% rate leave this section blank. Applicants may only apply a Research ICR for applications to the Research: Artworks program. For additional information, see "[Indirect Cost Guide for NEA Grantees](#)."

Sample View of Indirect Costs Form:

<b>5. Indirect Costs (if applicable)</b>	
<b>Federal Agency:</b>	
<b>Rate (.0000):</b>	
<b>Base:</b>	
<b>Total Indirect Costs</b>	<b>\$0</b>

6. **TOTAL PROJECT COSTS** is the total of "4. Total direct costs," and, if applicable, "5. Indirect costs." **NOTE:** "3. Total project income" must equal the "Total project costs." Your project budget should not equal your organization's entire operating budget.

**INCOME**

- AMOUNT REQUESTED FROM THE National Endowment for the Arts:** For Art Works, grants will generally range from \$10,000 to \$100,000. Do not request an amount below \$10,000. Any requests below \$10,000 will be deemed ineligible and will not be reviewed. Be realistic in your request.
- TOTAL COST SHARE/MATCH FOR THIS PROJECT:** Because the National Endowment for the Arts cannot support more than 50% of a project's costs, we require each applicant to obtain at least half the total cost of each project from nonfederal sources. For example, if you receive a \$10,000 grant, your total project costs must be at least \$20,000 and you must provide at least \$10,000 toward the project from nonfederal sources. These matching funds may be all cash or a combination of cash and in-kind contributions as detailed below. Be as specific as possible. For projects that include additional partners, indicate on the form the portion of the match that is being contributed by each participant. Asterisk (\*) those funds that are committed or secured.

**Cash** match refers to the cash donations (including items or services that are provided by the applicant organization), grants, and revenues that are expected or received for this project. Limit your descriptions to 100 characters maximum. Do not include any National Endowment for the Arts or other federal grants -- including grants from the NEH, ED, NPS, etc. -- that are anticipated or received. If you include grants from your state arts agency or regional arts organization as part of your match, you must ensure that the funds do not include subgranted federal funds. Identify sources. The National Endowment for the Arts allows the use of unrecovered indirect costs as part of the cash match or cost sharing. Your organization must have a federal negotiated indirect cost rate agreement to include unrecovered indirect costs.

**In-kind: Donated space, supplies, volunteer services** are goods and services that are donated by individuals or organizations other than the applicant (third-party). Limit your descriptions to 100 characters maximum. To qualify as matching resources, these same items also must be identified in the project budget as direct costs to ensure their

allowability. In-kind items not reflected as direct costs will be removed from your budget. The dollar value of these non-cash donations should be calculated at their verifiable fair-market value. Identify sources. Reminder: Proper documentation must be maintained for all items noted as "in-kind."

- TOTAL PROJECT INCOME** is the total of "1. Amount requested from the National Endowment for the Arts" and 2. Total match for this project."

## **Part 4: Items to Upload**

Upload your work samples here. Literature does not accept statements of support.

Please arrange the items in the following order when uploading:

- Document Work Samples
- Video Work Samples
- Audio Work Samples
- Image Work Samples

### **Preparation**

Work samples are a critical part of your application and are considered carefully during application review. Submit items in the format and within the space limitations described below. Only upload materials that we request. Other items that you include will not be reviewed.

### **Work Samples:**

Work samples are required for all publishing projects and are strongly recommended for all audience and professional development projects. Specific guidelines for work samples are provided below. When preparing your work samples, keep in mind that these should demonstrate artistic excellence and artistic merit, and enhance the panel's understanding of your application. If you have questions about work samples, please contact the [Literature staff](#).

### **Literary Publishing Projects (February Art Works Deadline)**

#### **Required material:**

For presses:

- A five-page-excerpt of manuscript in English from each proposed book. If a proposed book will be selected through a contest and has not yet been chosen, provide a five-page excerpt from a past book selected through that contest. Clearly label and combine excerpts into a single PDF file. If necessary, use additional PDFs to ensure that no individual PDF exceeds the maximum file size of 5 MB.
- A PDF of your most recent catalogue or a PDF with a link to a backlist of recently published titles.

For journals:

- A cover image and five-page excerpt from up to four issues published within the last three years. Combine samples into a single PDF file. If necessary, use additional PDFs to ensure that no individual PDF exceeds the maximum file size of 5 MB.

**Information About Uploaded Items**

For each item that you upload, you will find a descriptive field into which you will enter the following information, as appropriate:

Title box:

**This title must not contain an apostrophe** (if you use one your item will not upload). Title each item with a unique name describing the content (e.g., “excerpts from proposed books,” “images,” “promotional material,” etc.).

Description box:

For document/video/audio/digital image/website work samples:

- **For books and manuscripts excerpts:** Titles and authors.
- **For journals:** Volume and issue numbers.
- **For audio or video samples:** A brief description of the sample and its relationship to the project for which you are requesting support.
- **For audio and video samples,** length of the sample.

For other work samples, simply state the type of item as you did in the Title box.

#### Formatting Guidance for Documents (Literary Samples, Publications, Periodicals, Catalogues)

Ensure that you do not exceed the stated page limit on any individual items, or the maximum file size for each PDF (5 MB). Excess pages will be removed and not be reviewed by the panel.

Work that exists in published form (e.g., an excerpt from a published journal or book) may be provided in its published layout, provided that it is easily viewed on screen.\*

For work that has not been published, leave a margin of at least one inch at the top, bottom, and sides of all pages. Use only 8.5 x 11 inch size pages. Do not reduce type below 12 point font size. Within each PDF, number pages sequentially; place numbers on the bottom right hand corner of each page.

\* If you will be scanning material, please follow this guidance:

- Scan images at a resolution of 300 dpi. Resolutions over 300 dpi will result in unnecessarily large files.
- Experiment with the JPEG quality settings. Saving the document as a "medium quality" or "low quality" JPEG will reduce the file size, and is not likely to reduce readability.
- When you have scanned the images, combine them into PDF files as directed. Do not submit Word, PowerPoint, or Excel documents.

#### Additional Guidance for Video Samples

You may submit a link to a video sample, or upload a video sample.

*If you submit a link:*

Submit a PDF with a clickable link to the video. If you are including more than one link, list them all on a single PDF. For each video, list the URL for the page to be shown; include any necessary information on required plug-ins, passwords, or navigation paths. Do not submit links to sites that require video to be downloaded (e.g., Dropbox).

*Uploading video samples:*

In order to be uploaded, videos must meet the following minimum requirements:

- Resolution: At least 480 x 360
- Frames per second (fps): At least 12

You can often check the resolution of a video as follows. In Windows environments, find the file on your computer, right click it, and select "Properties." On a Mac, hold the Control key, and click on the file name. Select "Get Info" and the information should display. Most videos are a standard 29 frames per second.

While the above requirements are the minimum, submitting your video in the mp4 (H.264) format at 640 x 480 with mp3 audio will allow for efficient uploading while showing your clips to best advantage.

If your video doesn't meet the minimum resolution requirements above, there are a number of software programs you can use to convert your video.

If you are submitting more than one video sample, you will upload each individually, in a separate file.

#### Additional Guidance for Audio Samples

You may submit a link to an audio sample, or upload an audio sample.

*If you submit a link:*
