FY24 Application Instructions

Introduction and Calendar

A Grants for Arts Projects application consists of two parts:

Part 1: Submit the *Application for Federal Domestic Assistance/Short Organizational Form* to Grants.gov

- Collects basic information about your organization. You must successfully complete Part 1 in order to have access to Part 2.

Part 2: Submit the *Grant Application Form* through the NEA’s Applicant Portal

- Collects the remainder of your application, including:
 - Answers to narrative questions about your organization and project,
 - Budget information about your organization and project,
 - Information about key individuals and partners, and
 - Work samples.

This document will walk you through how to submit both parts of the application.

Be sure that you have selected the discipline that corresponds to your project (e.g., Arts Education, Dance, Music, Visual Arts, etc.) as application instructions and requirements vary between disciplines.

FY24 Application Instructions: Part 1

Part 1: Submit the *Application for Federal Domestic Assistance/ Short Organizational Form* to Grants.gov

You will use Grants.gov Workspace to complete Part 1 in Grants.gov. For a detailed guide on how to use Workspace, see [here](#).

1. Access the application package on the [How to Apply](#) page by clicking on the link found under “All Applicants: Go to the Grant Opportunity Package.” This will take you **directly** to the pre-populated application package in Grants.gov. The package for February and the package for July are different, and are typically posted at least one month prior to each deadline.
2. The Grants.gov “View Grant Opportunity” screen will open, click the red “Apply” button.
3. You will be prompted to log in. In order to create the Workspace application, you must be logged into Grants.gov with a participant role of either **Workspace Manager** or **Authorized Organization Representative (AOR)**. More information on participant roles can be found [here](#).
4. After logging in, to create a Workspace application:
 - a. Fill in the Application Filing Name field with your organization name, then
 - b. Click the **Create Workspace** button.
5. After creating a Workspace, you will be directed to the Manage Workspace page, where you can begin working on the application.

Reminder: Grants.gov is a government-wide portal, and NEA staff does not have control of, or administrative access to, the site. If you run into technical issues with grants.gov, please contact grants.gov directly at 1-800-518-4726 or via email support@grants.gov. The Grants.gov Contact Center is available 24 hours a day, 7 days a week.

Step 1: Complete the Form

All asterisked (*) items and yellow fields on this form are required and must be completed before you will be able to submit the form. Do not type in all capital letters when completing the form. Enter information directly into the form. Do not copy from an old Application for Federal Domestic Assistance/Short Organizational Form or another document and paste into the form.

EMAILS: Due to restrictions from the Department of Homeland Security we are not able to send emails to alias addresses that forward to another email account. Do not enter this type of email address.

1. Name of Federal Agency: Pre-populated.

2. Catalog of Federal Domestic Assistance Number: Pre-populated.

3. Date Received: This will be filled automatically with the date that you submit your application; leave blank.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 1

4. Funding Opportunity Number: Pre-populated.

5. Applicant Information:

a. Legal Name: The name provided here must be the applicant's legal name as it appears in the current IRS 501(c)(3) status letter or in the official document that identifies the organization as a unit of state or local government, or as a federally recognized tribal community or tribe. (Do not use your organization's popular name, if different.)

If you are a parent organization that is applying on behalf of an [eligible independent component](#), do not list the name of the independent component here. You will be asked for that information in Part 2.

b. Address: Use Street 1 for your organization's physical street address. This address must be identical to the physical address that you used with SAM (System for Award Management). Only use Street 2 for your organization's mailing address if it differs from the SAM physical street address.

In the Zip/Postal Code box, organizations in the United States should enter the **full 9-digit zip code** that was assigned by the U.S. Postal Service. If you do not know your full zip code, you may look it up at <https://tools.usps.com/zip-code-lookup.htm>.

c. Web Address: Provide your organization's website. Information provided here will be used for administrative purposes only, and will not be provided to panelists for review. Note: Many GAP discipline areas allow website links to be submitted as part of the work samples in Part 2. Review the information under [Tab 6: Additional Items & Tab 7: Items to Upload](#) for a list of allowable work sample types, and instructions on how to submit them through the Applicant Portal. If links are listed as an accepted work sample for your discipline, they will be reviewed by panelists.

d. Type of Applicant: Select the item that best characterizes your organization from the menu in the first drop down box. Additional choices are optional.

e. Employer/Taxpayer Identification Number (EIN/TIN): Enter the 9-digit number that was assigned by the Internal Revenue Service; do not use a Social Security Number.

f. Organizational UEI: All organizational applicants for federal funds must have a UEI. Enter your organization's UEI here. You can find your UEI in your System for Award Management (SAM) record. If you cannot locate your UEI, [contact SAM for assistance](#). NOTE: Do not enter a DUNS number here. **The UEI you enter here must match the UEI associated with your organization's SAM (System for Award Management) record that was used as part of your Grants.gov registration. Otherwise, your application will not be validated by Grants.gov and will be rejected.**

g. Congressional District: Enter the number of the Congressional District where the applicant organization is physically located. The Congressional District that you enter here

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 1

must match with the Congressional District that shown in the Business Information section of your organization's SAM (System for Award Management) record.

Use the following format: 2 character State Abbreviation-3 character District Number. For example, if your organization is located in the 5th Congressional District of California, enter "CA-005." If your state has a single At-Large Representative or your jurisdiction has a single Delegate, enter your 2 character state/jurisdiction abbreviation and "-000." If you need help determining your district, go to www.house.gov and use the "Find Your Representative" tool.

6. Project Information:

a. Project Title: Enter "N/A." Any other text entered here will not be used in the review of your application.

b. Project Description: Enter "N/A." Any other text entered here will not be used in the review of your application.

c. Proposed Project Start Date/End Date: Enter the beginning and ending dates for your requested period of performance, i.e., the span of time necessary to plan, execute, and close out your proposed project. The start date should be the first day of the month, and the end date should be the last day of the month.

Our support of a project may start on or after:

- For applicants at the February 9 deadline, **January 1, 2024**; or
- For applicants at the July 6 deadline, **June 1, 2024**.

7. Project Director:

Provide contact information, including an email address that will be valid through the announcement date for your category. Optional: Select a Prefix (e.g., Ms., Mr.)

8. Primary Contact/Grant Administrator:

Provide the requested information for the individual who should be contacted on matters involving this application and the administration of any grant that may be awarded. For colleges and universities, this person is often a Sponsored Research, Sponsored Programs, or Contracts and Grants Officer. For the Telephone number field, use the following format: 000-000-0000. Optional: Select a Prefix (e.g., Ms., Mr.)

This individual may be the same as the Project Director. If this is the case, you may check the "Same as Project Director" box and not repeat information that you have already provided in Item 7. If the Primary Contact/Grant Administrator is the same as the Authorizing Official, complete all items under both 8 and 9 even though there will be some repetition.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 1

9. Authorized Representative:

Enter the requested information for the AOR (Authorized Organization Representative) who is authorized to submit this application to Grants.gov. Optional: Select a Prefix (e.g., Ms., Mr.)

The AOR must have the legal authority to obligate your organization (e. g., be a senior member of the staff such as an Executive Director, Director of Development). See [specific requirements](#) for who can serve as an AOR for colleges and universities.

Contractors/consultants, including grant writers, or administrative support staff cannot serve as an AOR.

NOTE: By clicking the "I Agree" box at the top of Item 9, this individual will be certifying compliance with relevant federal requirements on your organization's behalf. These requirements can be found in the [Assurance of Compliance](#) section of the guidelines.

The "Signature of Authorized Representative" and "Date Signed" boxes will be populated by Grants.gov upon submission of the application.

Step 2: Submit the form via Grants.gov's Workspace

Be certain that you are satisfied with your *Application for Federal Domestic Assistance/Short Organizational Form* before you click submit. No revisions to your form are possible through Grants.gov once it is submitted.

We strongly suggest that you submit your application well before the deadline to provide ample time to resolve any problems you might encounter.

Navigate to the **Forms** tab on the **Manage Workspace** page:

- Once the form is filled out and the **Form Status** column says "Passed," it will be ready for submission.
 - Important note: The status "Forms Passed" does NOT indicate that your application has been submitted, only that your forms have been filled out. You still need to click the Sign and Submit button after receiving the "Forms Passed" status. For more information, review the [Forms Tab](#) help article.
- Click **Complete and Notify AOR**, which will notify the user(s) with the AOR role that the workspace is ready to submit.
- The AOR must click **Sign and Submit** to submit the application. Detailed instructions can be found [here](#).

After the AOR submits the application, they will see a confirmation screen explaining that the submission is being processed. **Take a screenshot and retain the Grants.gov Tracking Number that you receive in the application submission confirmation screen.**

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 1

Step 3: Confirm Application Submission

Verify that the application was validated by the Grants.gov system. Take a screenshot of the validation confirmation for your records.

You can track the progress of your application submission through Grants.gov in one of three ways:

- Check the [progress bar](#) in Workspace. When your application has been successfully received, the bar will be green, and a check mark will appear in each bubble.
- When logged in to Grants.gov, click the Check Application Status link under the Applicants drop-down menu and search for the submitted application.
- When not logged in to Grants.gov, go to [Track My Application](#) and enter your Grants.gov Tracking Numbers. Then click the Track button to see the status listings of the valid tracking numbers entered. This function will only work if you have a tracking number.

For more information about checking Grants.gov application status and a complete list of statuses, see [here](#).

Do not wait until the day of the deadline to verify your submission in case you encounter any difficulties. Failure to successfully submit the Application for Federal Domestic Assistance/Short Organizational Form through Grants.gov will make you ineligible to complete Part 2 of the application process.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

Part 2: Submit the *Grant Application Form* through the Applicant Portal

You will only be able to complete Part 2 of the Grants for Arts Projects application process if you have successfully submitted Part 1 of the application to Grants.gov by the appropriate deadline.

You will not have access to the Applicant Portal until the Part 2 application window opens as described in the calendar. However, **we urge you to use this document to prepare your responses and material well in advance** so you will have them ready to upload once the system opens.

The Applicant Portal is an NEA administered site, if you run into technical issues, please reach out to your designated [program specialist](#).

Access the Applicant Portal

Log on to the Applicant Portal at: <https://applicantportal.arts.gov>

- **User Name = Grants.gov Tracking Number (Example: "GRANT38906754")**
 - Your Grants.gov tracking number is assigned to you by Grants.gov at the time you submit Part 1 of your application.
 - A confirmation screen will appear in Grants.gov once your submission is complete.
 - Your Grants.gov tracking number will be provided at the bottom of the screen.
- **Password = Agency Tracking Number/NEA Application Number (Example: "1425736")**
 - The NEA assigns the number to your application 1-2 business days after you submit Part 1 of your application.
 - Log on to Grants.gov.
 - Under Grant Applications, select *Check Application Status*.
 - Look for your Grants.gov Tracking Number and select *Details* under the Actions column.
 - You'll be taken to the Submission Details screen to find your Agency Tracking#/NEA Application Number.
 - NOTE: Check Application Status is a separate feature from Track My Application at Grants.gov.

The User Name and Password can only be used by one person at a time in the Applicant Portal. If multiple people use the User Name and Password at the same time to work on an application, data will be lost.

Technical notes for using the Applicant Portal:

- The Applicant Portal is best viewed in the following browsers: Chrome 58+, Firefox 54+, or Microsoft Edge 44+. You should only open the Applicant Portal in one browser at a time to enter information. Cookies and JavaScript may need to be enabled for you to

Grants for Arts Projects: Media Arts FY24 Application Instructions: Part 2

successfully view the site. You might also need to disable AdBlocker and/or similar software.

- Most problems can be solved by changing your browser.
- Be sure to first copy and paste any text into Notepad (if you're using a PC) or TextEdit (if you're using a Mac) before copying it into the Applicant Portal. This will strip away any HTML coding that may add unwanted additional characters to text (however, any formatting you had will be deleted). These additional characters can be added due to some special characters such as ampersands, quotation marks, apostrophes, and angle brackets.
- Limit character counts by using a solution other than special characters (e.g., instead of using quotation marks for titles of works, put them in italics), using only one space at the end of sentences, and limiting the use of tabs.
- Click "Save" and log off if you plan to leave the Applicant Portal with work in progress. Your session will deactivate after a period of time and you could lose content.
- You may use the "Print" function in the upper right corner to create a printable version of your application at any point during the application process. You may save this as a separate file by either choosing "Save as PDF" from your print dialogue box, or by copying and pasting into a separate document. We strongly recommend that you save a final copy right after you click Submit.
- View the [Grant Application Form Tutorial](#) to assist you in completing the online form.

Subtab 2: Organization Budget

The Organization Budget is a webform you will complete in the Applicant Portal. The form will appear as follows:

Organization Budget Form (see below for guidance)

The Organization Budget is intended to show your organization's fiscal activity as it relates to operations. Do not include activity related to a capital campaign (such as raising money for a new facility, an endowment fund, or a cash reserve fund). We may request additional information to clarify an organization's financial position. The figures you submit are subject to verification by the NEA.

Tab 3: Arts Programmatic History

Highlight one to three examples of programming (e.g., artists/works/projects) for each of three recent years prior to the application deadline. Tab 4: Project Details

Subtab 1: Project Activity

NEA DISCIPLINE FOR PROPOSED PROJECT*

Drop down, select: Media Arts

You should select the discipline that most closely aligns with your project activities, not necessarily with your organization as a whole. This selection will determine which panel of experts will review your proposal. [Contact us](#) if you have any questions about which discipline is most appropriate for your project.

PROJECT SYNOPSIS*

Text box: 200 character limit, including spaces

Provide a brief synopsis for your proposed arts project. For example: “To support the ‘ABC Project’, which will XYZ”.

PROJECT DESCRIPTION*

Text box: 5,000 character limit, including spaces

Describe the project activities that will take place during the period of performance, and provide information on curatorial/selection process, artists, creative process, works of art, productions, venues, public or community engagement activities etc. Use plain language to tell us what you are doing. Panelists will use the [Review Criteria](#) to evaluate the information that you provide, so make sure your narrative addresses the review criteria. **Do not describe unrelated organizational programming.** For more information about what may not be included in a project, see the [Unallowable Activities/Costs](#) section of our website.

Subtab 2: Additional Project Details

PROPOSED PROJECT START DATE/END DATE

*Calendar selections: PROJECT START DATE: MM/DD/YYYY**

*PROJECT END DATE: MM/DD/YYYY**

Our support of a project may start on or after:

- For applicants at the February 9 deadline, **January 1, 2024**, or
- For applicants at the July 6 deadline, **June 1, 2024**.

Enter the beginning and ending dates for your requested period of performance (period of support), i.e., the span of time necessary to plan, execute, and close out your proposed project. The start date must be the first day of the month, and the end date must be the last day of the month. Your application will not validate if the start or end dates are incorrect. The dates you enter here will be used in the review of your application.

Generally, a period of performance of up to two years is allowed. **The two-year period is intended to allow an applicant sufficient time to plan, execute, and close out its project, not to repeat a one-year project for a second year.** Your budget should include only the activities

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

and costs incurred during the requested period of performance.

SCHEDULE OF KEY PROJECT DATES*

Text box: 1,500 character limit, including spaces

Provide a timeline of when activities from the Project Description will occur. Be sure to include when key artistic decisions will be made, project phases, and events, as applicable. If, for context, you describe activities that occur outside of the period of performance, indicate by adding an asterisk (*). Only include costs in your Project Budget that take place during the period of performance.

ENGAGEMENT WITH INTENDED COMMUNITY, PARTICIPANTS & AUDIENCE*

Text box: 2,000 character limit, including spaces

Describe the intended communities, participants, or audiences involved in the project activities, and how they will benefit. Clearly explain how you will engage these groups. Include the demographics of your intended communities, participants and/or audiences.

Where applicable, describe how this project will engage individuals whose opportunities to experience the arts have been limited by factors such as their geography, race or ethnicity, economic status, and/or disability.

Where applicable, include how you will involve and accommodate people with disabilities (as artists, performers, teaching artists, students, participants, staff, and/or audiences) in the planning, creation, and/or implementation of your project activities.

As a reminder, in the federal-funding context, a focus on a particular group or demographic may be permissible, but exclusion is not. Please review the [Assurance of Compliance](#), as well as [NEA Civil Rights guidance](#) on our website including the NEA Civil Rights webinar, [Things to Know Before You Apply: Federal Civil Rights and Your Grants Application](#).

PROJECT GOALS AND MONITORING*

Text box: 1,000 character limit, including spaces

What are your goals for this project? What do you hope you and/or those involved will learn or experience? Describe how you will monitor progress toward your project goals. Examples of monitoring activities include surveys of program participants, measuring attendance, and third-party program evaluations, among others. If applicable, include plans to share learnings and outcomes.

Note: If your project involves directly collecting sensitive data from program participants, such as personally identifiable information or data from vulnerable populations, and you are recommended for a grant, the NEA may conduct a review of your project to ensure it complies with our general guidance regarding the responsible conduct of research. See: [Responsible Conduct of Program Evaluation](#).

OTHER PROJECT INFORMATION (OPTIONAL)

Text box: 500 character limit, including spaces

If there is anything else that would be essential for panelists to understand about your project relative to the review criteria, provide it here. Do not use this space to continue an answer from earlier questions.

Subtab 3: Project Partners & Key Individuals

Outline up to ten key individuals (such as staff, artists, teaching artists, collaborators, consultants, mentors) and/or partner organizations involved in the project. Because all projects require matching resources from non-federal sources, organizations that only provide money are not considered partners. Funders are not excluded from being partners, but they must also supply human resources or information capital, or actively participate in another way.

FOR EACH INDIVIDUAL or PARTNER ORGANIZATION ENTER:

- **INDIVIDUAL or PARTNER ORGANIZATION NAME***: *Text box: 100 characters, including spaces*
- **PROPOSED or COMMITTED***: *Drop-down, select either “Proposed” or “Committed”*

Tab 5: Project Budget

Budget Worksheet

You may use the [budget worksheet](#) to prepare your project budget in advance. The worksheet includes a tab with example amounts in each section, which are for demonstration purposes only, and should not be interpreted as cost allocation guidance from the NEA. **DO NOT UPLOAD THE WORKSHEET TO THE APPLICANT PORTAL. You must complete the project budget webform within the portal in order for your application to be accepted for review.**

Filling out the budget in the Applicant Portal

The project budget is a webform, with each item description and amount in its own field. The form will auto-calculate each section, as well as the overall totals. The number of lines available in each section is static – you cannot add additional lines.

You will be asked to provide an estimated project budget that consists of:

- **Subtab 1: Project Expenses:** A breakdown of all project expenses that will be supported with both the NEA Requested Amount and your cost share/matching funds. Review [Unallowable Activities/Costs](#) for a list of costs that cannot be included in your project budget.
- **Subtab 2: Project Income:** The combined total of the amount you are requesting from the NEA and how you plan to meet the minimum 1:1 cost share/match requirement.

Project Budget Guidance

Applicants may request between \$10,000 and \$100,000.

Applicants are required to demonstrate a minimum 1:1 non-federal Cost Share/Match. For example, if you are requesting the lowest amount of \$10,000, you must show a minimum of \$10,000 in Cost Share/Matching, and your total project expenses must be at least \$20,000. **Applications that do not submit a project budget meeting the minimum requirement of a \$10,000 request, \$10,000 cost share/match and \$20,000 in total project expenses will be deemed ineligible and not be reviewed.**

We strongly encourage applicants to limit the match to no more than five times the request amount. You may use the budget notes section to provide further details on the entire scope of your project budget not represented in the budget form.

Cost Share/Matching funds do not need to be secured at the time of application, but you will be asked to provide anticipated sources in the Project Income section of the project budget. Cost Share/Match may be cash, documented in-kind contributions, or a combination of both. The costs included in your project budget should align with your proposed activities, and only include activities and associated costs that will be incurred during the "Period of Performance,"

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

i.e., the span of time necessary to plan, execute, and close out your proposed project. Any costs incurred before or after those dates will be removed. Be as specific as possible.

All items in your budget, whether supported by NEA funds or your cost share/matching funds, must be reasonable, necessary to accomplish project objectives, and allowable in terms of the NEA's [General Terms and Conditions](#).

Applicants whose projects are recommended for grants will be asked to provide an updated project budget.

NOTE: Organizations cannot receive more than one National Endowment for the Arts grant for the same expenses. This budget cannot include project costs that are supported by any other federal funds or their cost share/match, including costs that may be included in applications submitted, or grants received, by partner organizations or presenters.

Provide information to clarify any line item included in the project budget, or to provide further details on the scope of your project budget.

[Subtab 1: Project Expenses](#)

Project expenses should include costs covered by both NEA funds and the Cost Share/Match.

At the bottom of the Project Expenses subtab, the **TOTAL PROJECT COSTS/EXPENSES** field will auto-calculate with the combined sum of **Total Direct Costs**, and, if applicable, **Indirect Costs**.

DIRECT COSTS

Direct Costs are those that are expended specifically for the project during the period of performance. The TOTAL DIRECT COSTS field at the bottom of the page will auto-calculate the total of all combined Direct Cost items listed in Salaries and wages, Travel, and Other expenses.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

DIRECT COSTS: Salaries and wages

Covers compensation for personnel, both administrative and artistic, who are paid on a salary basis. List key staff positions for the project. Combine similar job functions if necessary. Funds for contractual personnel and compensation for artists who are paid on a fee basis should be included below in DIRECT COSTS: Other, and not here.

- Enter the title and/or type of personnel, the number of personnel, the annual or average salary range, the percentage of time that will be devoted to the project annually, and the dollar amount of the salary that is being allocated to the project budget.
 - These fields will not auto calculate horizontally across each line. The dollar amounts in the last column will auto calculate vertically to tally the Total Salaries and Wages.
- Salaries and wages for performers and related, or supporting personnel must be estimated at rates no less than the prevailing minimum compensation as required by the Department of Labor Regulations. (See [Legal Requirements](#) for details.)

NOTE: Only Salaries/wages/fringe benefits associated with managing the project or fundraising the minimum required cost share/match for the project are allowable. General fundraising for the organization or for other projects is not allowable.

FRINGE BENEFITS

Costs other than wages or salary that are attributable to an employee, as in the form of pension, insurance, vacation and sick leave, etc. They may be included here only if they are not included as indirect costs.

DIRECT COSTS: Travel

Travel costs must be estimated according to the applicant's established travel practice, providing that the travel cost is reasonable and does not exceed the cost of air coach accommodations.

- Include subsistence costs (e.g., hotels, meals) as part of the "Amount" listed for each trip, as applicable, unless these costs are included as part of an artist fee.
- List all trips -- both domestic and international -- individually.
- All international travel must be specified by country of origin or destination and relate to activity outlined in your narrative. International travel also must conform with government regulations, including those of the [U.S. Treasury Department Office of Foreign Asset Control](#). If you are including international travel in this budget, all such travel must be booked on a U.S. air-carrier when this service is available.

DIRECT COSTS: Other

If needed, group similar items together on a single line, with only one total cost.

May include the following project-related costs:

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

- Artist fees (if paid on a fee and not salary basis), consultant fees, and contractual services
 - Artist fees may include, but are not limited to, compensation for: the creation of new work, the presentation of new or existing work, educational activities, community engagement, and travel/stipends/subsistence (if not already included under Direct Costs: Travel).
 - List the fees paid to each artist/artistic group separately where possible.
 - List consultant and artist fees or contracts for professional services on consecutive lines; do not scatter them throughout the list.
 - Specify the number of persons, the service being provided, and the applicable fee, rate, or amount of each.
 - If you engage in contracts of more than \$15,000, identify the item or service and its relation to the project.
 - For procurement requirements related to contracts and consultants, see [2 CFR 200.317-327](#).
- Production/technical costs
- Promotion, marketing, and outreach
- Acquisition fees, rights
- Evaluation and assessment fees
- Telephone, photocopying, and postage
- Supplies and materials
- Publication, distribution, and translation
- Transportation of items other than personnel
- Access accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling).
 - Videos, films, television broadcast projects, and virtual streamed events must be closed or open captioned, and radio and podcast programs must be transcribed. Applicants should check with captioning and transcription vendors, as well as vendors for sign language interpretation and audio description, for cost estimates.
- Rental/purchase of equipment
 - Clearly identify the rental of equipment versus the purchase of equipment.
 - If you intend to purchase any equipment with a unit/item cost of \$5,000 or more per item and that has an estimated useful life of more than one year, you must identify that item here. Provide a justification for this expenditure either in the Additional Project Budget Notes section, or in your Project Description.
 - Digital computers, mobile devices, or other new technologies are considered supplies if less than \$5,000 per item regardless of the length of useful life.
- Portion of Space/Facilities costs such as mortgage principal, rent, and utilities, as allocable to the project.
- Other clearly identified project-specific costs.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

INDIRECT COSTS

Applicants have the option to include Indirect Costs in their project budgets. They are not required.

Indirect Costs are overhead, administrative, or general operating expenses that are not readily identifiable with, or are difficult to assign to, a specific project. Nevertheless, these costs are still necessary to the operation of the organization, the performance of its activities, and the execution of its projects. Examples of Indirect Costs include the expenses associated with operating and maintaining facilities and equipment, rent, utilities, supplies, and administrative salaries.

To include these types of costs in a project budget, an applicant may choose **ONE** of the following options (for help in determining which option to choose, see the [Indirect Cost Guide for NEA Grantees](#))

A. If your organization does not have a federally negotiated indirect cost rate agreement (or ICRA):

Option 1: Include a reasonable figure for “Overhead and Administrative Costs” as a line item under the “Direct Costs: Other” section, and leave the Indirect Costs section blank.

- This may be the best option if your organization can easily document the discrete, specific expenses that would fit within this line item (i.e., payroll taxes, a percentage of facility electricity use, the percentage of staff time for the administrative support of a project), you may decide to use this option.
- The total dollar amount indicated in this line has to be reasonable and consistent with best practices in financial management. If you go with this option, it is important that you do not simply use a percentage of your project budget. You must be able to calculate the actual costs included in the line item.

Option 2: Use a de minimis indirect cost rate of up to 10% of your modified total direct costs. Modified Total Direct Costs include salaries and wages, fringe benefits, materials and supplies, services, and travel. Modified Total Direct Costs excludes equipment, capital expenditures, rental costs, scholarships and fellowships, among others. Additional information on calculating Modified Total Direct Costs can be found at [2 CFR 200 Subpart A Acronyms and Definitions \(200.0 and 200.1\)](#).

B. If your organization currently has a federally negotiated Indirect Cost Rate Agreement:

Option 1: Use your negotiated indirect cost rate agreement. In this case, indirect costs are prorated or charged to a project through a rate negotiated with the National Endowment for the Arts or another Federal agency. Complete the information requested in the “Indirect Costs (if applicable)” section accordingly. Enter the percentage of the ICRA as decimals.

- Please note it is rare for applicants and grantees to the NEA to have an ICRA. This option is most often relevant to colleges and universities.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

- Important: You may only use a Research Indirect Cost Rate Agreement for applications to the NEA's Office of Research and Analysis.

Option 2: You may choose not to use your Indirect Cost Rate Agreement. You may elect to use one of the options listed above in section A.

C. If your organization has an expired federally negotiated Indirect Cost Rate Agreement:

If you had federally negotiated indirect cost rate agreement that is now expired, do not use it. You may choose one of the options listed above in section A.

Subtab 2: Project Income

TOTAL COST SHARE/MATCH FOR THIS PROJECT*: The National Endowment for the Arts cannot support more than 50% of a project's costs, each applicant must obtain at least half the total project cost from nonfederal sources. For example, for a request of \$10,000, the total project costs must be at least \$20,000 and you must provide at least \$10,000 toward the project from nonfederal sources as the cost share/match.

Cost share/matching funds may be all cash or a combination of cash and in-kind contributions as detailed below. **If your cost share/match includes IN-KIND contributions, you must also include them as direct costs to balance your budget.** Asterisk (*) those funds that are committed or secured.

APPLICANT CASH

Applicant Cash cost share/match refers to the cash contributions, grants, and revenues that are expected or received for this project. Identify sources.

- Allowable sources of Cash funds include your own organization's cash resources such as grants from private foundations, corporate donations, individual donations, and ticket sales, among others.
- Federal funds cannot be used as cost share/match for NEA awards.
 - You may include grants from your state arts agency, regional arts organization, or local arts agency as part of your cost share/match, as long as those grants do not include subgranted federal funds or cost share/match. You can check with the funder to confirm the source of the funding.
 - Do not include any other National Endowment for the Arts or other federal grants -- including grants from the National Endowment for the Humanities, U.S. Department of Education, the National Park Service, etc. -- that are anticipated or received.
- You may use unrecovered indirect costs as part of the cash cost share/match. Unrecovered indirect costs generally are used only by large organizations such as colleges and universities. Your organization must have a current federally-negotiated indirect cost rate agreement to include unrecovered indirect costs.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

THIRD-PARTY IN-KIND CONTRIBUTIONS

In-kind contributions are third-party donations of goods, facilities, or services used to meet the cost share/matching requirement for a National Endowment for the Arts (NEA) award (2 CFR 200.1). The use and value of such third-party contributions must be [properly documented](#).

- All third-party contributions must be necessary and reasonable for the project, and for allowable costs.
- **Do not** include goods, facilities, or services contributed by your own organization as these are considered part of your own organization's cash cost share/match.
- To qualify as cost share/matching resources, the expenses associated with the in-kind donations must be clearly identified as direct costs in the project budget to ensure their allowability.

Tab 6: Additional Items & Tab 7: Items to Upload

These tabs request application materials specific to the discipline area to which you are applying, and vary between discipline areas. Media Arts staff has outlined what materials they will accept, and whether items should be entered as text in Tab 6, or as an uploaded item in Tab 7, be sure to follow their guidance in each section below.

Tab 6: Additional Items

ADDITIONAL ITEMS

3 Text boxes: 6,000 character limit each, including spaces

Enter N/A in any of the three boxes you do not use.

These text fields are one-size-fits-all across the Grants for Arts Projects category and further assist panelists in evaluating your project proposal in relationship to the [application review criteria](#). Use only as much space as is needed to respond to the items requested. Do not use this section to add more information for other areas of the grant application form.

Below is a general outline of suggested Additional Items for various project types commonly submitted to Media Arts. If proposal includes a blend of project types and activities, you are welcome to include a selection of suggested items across project types within the three text fields available. Clearly label any Additional Items within the text box to make this section easier for panelists to review.

Any items that describe selection criteria or curatorial processes must be in compliance with the [nondiscrimination statutes](#) described on the NEA website. Additional note: a focus on a particular group or demographic may be permissible, but exclusion is not. Please review the [Assurance of Compliance](#), as well as [NEA Civil Rights guidance](#) on our website including the NEA Civil Rights webinar, [Things to Know Before You Apply: Federal Civil Rights and Your Grants Application](#) or see the [slide deck](#). This extends to hiring practices, artist selection processes, and audience engagement.

Work Samples:

For all projects, you may submit **a maximum of three work samples total**. Work samples should be recent, of high quality, and as relevant to the project as possible. Work samples are crucial for evaluating the artistic excellence and artistic merit of your project. **Panelists will generally review up to 10 minutes of any one sample and up to 20 minutes of all work samples combined.**

To ensure work samples are accessible, we recommend that videos be closed or open captioned. Captioning resources:

- [About captioning](#)
- [Resources for YouTube](#)
- [Resources for Vimeo](#)

All work samples must be uploaded by the specified deadline. Once a work sample is submitted, the content may not be revised (including work that resides on an external website link). If you have questions regarding which types of work samples will best represent your project, contact media arts [staff](#).

Staff will not contact applicant if a link has expired. Applicants are responsible for maintaining the consistency of and access to work samples throughout the application review process, for more information [refer to the application calendar](#).

You are allowed a maximum of three work samples total. Work samples may be comprised of any combination of the suggested items outlined below. Use the guidance below (e.g., audio, video, PDFs, or websites) to determine which work samples types will best suit your project. Each time-based work sample (e.g., audio, video, image slideshow) may contain a variety of content, but must not exceed 10 minutes. Indicate a starting point for any sample longer than 10 minutes. We recommend using an external site to host your samples; refer to “Uploading Work Samples” below.

Uploading Work Samples:

There are two options to upload your work samples:

Option One (recommended): Upload a single PDF with links to your work samples on an external hosting site (e.g., Vimeo, YouTube, or a Custom URL). To submit a single PDF with links to an external hosting site:

- Upload a single PDF with the following file title: “Work Samples”
- Include each work sample links and/or other materials (catalog, publication, event program, script), not to exceed three work sample types, as a single PDF.
- Hyperlink each work sample URL.
- You may provide titles and short descriptions to provide context of the work sample for panelists. For example the relationship of the work sample to the project for which you are requesting support.
- If a single work sample upload contains a combination of items, include a summary of item types.
- Include any necessary information on required plug-ins, passwords, or navigation paths in order to view the work samples.
- If applicable, include cue information to indicate the start of each selection.
- Do **not** submit links to sites that require work samples to be downloaded (e.g., Dropbox), or sites that require a user account to access.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

Option Two: Individually upload each work sample file. File size restrictions may prohibit you from using this option; see details above. To upload each work sample:

- You may provide titles and short descriptions to provide context of the work sample for panelists using the text box provided during the upload process.
- If applicable, include any cue information to indicate the start of each selection.
- If your files exceed the file size limitations, follow the instructions outlined in Option One to submit a single PDF with links to work samples hosted through an external hosting site.

Uploading Files

There can be a slight delay between the upload of your work samples and seeing them in the Applicant Portal. This is particularly true for videos. For videos, the usual upload time runs five to ten minutes. However, close to the deadline, this time may extend to as much as an hour. Do not wait until the night of the deadline to begin uploading work samples. Videos are placed in a queue to be converted for upload, and the more people uploading, the longer the queue. **Do not immediately assume that your upload failed; wait and try accessing the material again.**

File names and descriptions:

Your file names must not:

- Exceed 100 characters.
- Begin with a space, period, hyphen, or underline.
- Contain these characters: #%&{}\<>*?/\$!":'+`=|"@.

For each item that you upload, you will find a descriptive field into which you will enter the following information, as applicable:

Title box: Title each item with a unique name, such as the item type represented by the work sample.

Description box

Text box: 500 character limit, including spaces

Provide further description of the item type, including details such as the relationship of the work sample to the project for which you are requesting support.

For example, work samples may use this suggested format:

- Title of work (if different from first bullet).
- Platform (online, mobile, console, handhelds, social networks, radio, television, film).
- Date of the work or documentation.
- Running time of the work sample.
- Principal production credit(s) for the work sample.
- Relationship of the work sample to the project for which you are requesting support.

Grants for Arts Projects: Media Arts
FY24 Application Instructions: Part 2

- If a single work sample contains a combination of items, include a summary of item types.
- Applicants submitting multiple websites should include the relevant information from above with each website in the PDF. The descriptive field for the file should provide a brief overview of the group of websites as a whole.

Guidance for Documents (Sample Curriculum, Reports, Publications)

Each PDF should not exceed 12 pages. Excess pages will be removed and not be reviewed. Submit PDF documents that directly relate to the proposed project. Examples of documents may include sample curriculum, professional development resources, conference programs, and publication excerpts, among others. Do not submit Word, PowerPoint, or Excel documents.

Guidance for Websites

Do not submit your organization's general website. Only submit a website that is an essential part of the project. If you are including more than one website, list them all on a single PDF. Include a description of the website section that is being shown.

Have questions? Contact media arts [staff](#).
